ARTICLE 1 RECOGNITION

1.1 Bargaining Unit. The Board hereby recognizes the United Faculty of Florida as the exclusive representative, solely for the purpose of collective bargaining with respect to wages, hours and other terms and conditions of employment as specifically set forth in this Agreement, for all faculty in the bargaining unit described in Order Number 03E-179 dated July 25, 2003, Certification number 1412, issued by the Public Relations Commission. Attached in Appendix A, is the listing of titles included in the faculty bargaining unit.

1.2 Board and University Rules and Policies.

(a) If there is an inconsistency between an existing university rule or policy or Board rule or policy and an express provision of this Agreement, the Board agrees to promptly remedy the inconsistency.

(b) No new, existing or amended Board or university rule, policy, or resolution shall apply to faculty if it conflicts with an express term of the Agreement.

(c) The Board shall provide to the UFF or the local UFF Chapter, respectively, an advance copy of any proposed rule or policy changing a term or condition of employment contained in this Agreement. The Board or the University, as the case may be, shall provide the advance copy of a proposed rule no later than the date of publication under the provisions of the Administrative Procedure Act. The advance copy of a policy shall be provided to the UFF or its local Chapter, as appropriate, at least two (2) weeks in advance of its effective date so as to permit the UFF or its Chapter to seek consultation with respect to it. With respect to a rule adopted pursuant to the emergency provisions of the Administrative Procedure Act, an advance copy shall be provided as far in advance of its effective date as is feasible under the circumstances.

(d) If the Board or a committee of the Board has scheduled public hearings on any Board action that would conflict with an express term of this Agreement, the UFF shall not be denied the opportunity to address the matter.

(e) If any proposed rule, policy, or resolution would modify an express term of this Agreement, the Board or its designee shall engage in collective bargaining with respect to the change upon the UFF's request.

1.3 Right to Hear Views. Nothing contained in this Agreement shall be construed to prevent the Board or the university from meeting with any individual or organization to hear views on any matter, provided however, that as to any such matter which is a proper subject of collective bargaining and covered by a term of this Agreement, any changes or modification shall be made only through negotiation and agreement with the UFF.

ARTICLE 2 CONSULTATION

2.1 Consultation with President. The President or the designated representatives shall meet with the UFF Chapter representatives to discuss matters pertinent to the

implementation or administration of this Agreement, University actions affecting terms and conditions of employment unique to the University or any other mutually agreeable matters. Such meetings shall occur once (1) per semester in the academic year and once (1) during the summer term unless the parties agree to meet more frequently. The party requesting consultation shall submit a written list of agenda items along with an estimate of the time required for the meeting, no less than one (1) week in advance of the meeting. The other party shall also submit a written list of agenda items in advance of the meeting if it wishes to discuss specific issues. The failure to submit a written list of agenda items may result in the cancelation of the meeting. The parties understand and agree that such meetings may be used to resolve problems regarding the implementation and administration of the Agreement; however, such meetings shall not constitute or be used for the purpose of collective bargaining.

2.2 Affirmative Action Plans. The UFF Chapter President shall be provided without cost a copy of the university's Affirmative Action Plan or Update.

ARTICLE 3 UFF PRIVILEGES

3.1 Use of Facilities and Services. Subject to the rules of the Board and the University, the UFF shall have the right to use university facilities for meetings and all other services on the same basis as they are generally available to other university-related organizations which are defined as follows: University-Related Groups and Organizations. These groups and organizations may or may not receive budgetary support. Examples of such groups include student organizations, honor societies, fraternities, sororities, alumni associations, faculty committees, University Support Personnel System staff council, direct support organizations, the United Faculty of Florida, etc.

3.2 Communications.

(a) UFF may post bulletins and notices relevant to its position as the collective bargaining agent on a reasonable number of existing bulletin boards but on at least one bulletin board per building where a substantial number of faculty have offices. Specific locations shall be mutually selected by the Board and the UFF in the course of consultation pursuant to Article 2, consultation. All materials placed on the designated bulletin boards shall bear the date of posting and may be removed by the Board after having been posted for a period of thirty (30) days. In addition, such bulletin boards may not be used for election campaigns for public office or exclusive collective bargaining representation.

(b) The Board shall place a link in an appropriate place on the university web site to the web site of the local UFF.

(c) Accessing existing university e-mail listservs or establishing a new listserv allowing the UFF electronic communications with faculty shall be the subject of consultation pursuant to Article 2, Consultation. UFF agrees to pay a reasonable annual fee to the university if access to a university maintained e-mail listserv is provided. However, such listservs may not be used for election campaigns for public office or for

exclusive collective bargaining representation. Faculty who are e-mail recipients of the listserv shall have the right to have themselves removed from the listserv upon their written request.

3.3 Leave of Absence – Union Activity.

(a) At the written request of the UFF, provided no later than May 1 of the year prior to the beginning of the academic year when such leave is to become effective, a full-time or part-time leave of absence for the academic year shall be granted to up to three (3) faculty members designated by the UFF for the purpose of carrying out UFF's obligations in representing faculty members and administering this Agreement, including lobbying and other political representation. Such leave may also be granted to up to three (3) faculty for the entire summer term, upon written request by the UFF provided no later than March 15 of the preceding academic year. Upon the failure of the UFF to provide the board with a list of designees by the specified deadlines, the Board may refuse to honor any of the requests which were submitted late.

(b) No more than three (3) faculty from the university, nor more than one faculty member per fifteen (15) per department/unit, need be granted such leave at any one time.

(c) The UFF shall reimburse the Board for the faculty member's salary, fringe benefits, and retirement.

(d) Faculty members on full-time leave under this paragraph shall be eligible to receive salary increases in accordance with the provisions of Section 17.11. Faculty members on less than full-time leave under this paragraph shall be eligible to receive salary increases on the same basis as other faculty members.

(e) The University or the Board shall not be liable for the acts or omissions of said faculty members during the leave and the UFF shall hold the Board harmless for any such acts or omissions, including the cost of defending against such claims.

(f) A faculty member on such leave shall not be evaluated for this activity, nor shall such activity be considered by the University in making personnel decisions.

3.4 Released Time.

(a) The Board agrees to provide a total of four (4) units of released time per semester to fulltime faculty members designated by the UFF for the purpose of carrying out the UFF's obligations in representing faculty and administering this Agreement. The UFF may designate to receive release time during the academic year, subject to the following conditions:

(1) No more than one (1) faculty member per fifteen (15) faculty members per department/unit may be granted released time at any one time, nor may any faculty be granted more than a two (2) unit reduction in a single semester.

(2) The UFF shall provide the Board with a list of requested designees for the academic year no later than May 1 of the preceding academic year. Upon approval of the designees by the Board, the designees shall serve for one (1) academic year. Substitutions for the spring semester may be made upon written notification submitted by the UFF to the Board no later than October 15.

(b) A "unit" of released time shall consist of a reduction in teaching load of one (1) course for Fall or Spring semester or the equivalent of a 20% reduction in academic assignment for Fall or Spring semester for instructional, faculty or for non-teaching faculty a reduction of workload of ten (10) hours per week. The faculty member in conjunction with the Unit Head, will coordinate matters regarding the implementation of release time from teaching or the academic assignment.

(c) Released time shall be used for conducting university-related UFF business, at the University or State level, and shall not be used for lobbying or other political representation. Leave for lobbying or other political representation may be purchased by the UFF pursuant to Section 3.3.

(d) Faculty members who are on leave of any kind, other than leave pursuant to Section 3.3, shall not be eligible to receive released time.

(e) Upon the failure of the UFF to provide a list of designees by the specified deadlines, the board may refuse to honor any of the released time requests which were submitted late. Substitutions submitted after the October 15 deadline shall be allowed at the discretion of the Board.

(f) Faculty members on released time shall be eligible for salary increases on the same basis as other faculty, but their released time activities shall not be evaluated nor taken into consideration by the University in making personnel decisions.

(g) Faculty members on released time shall retain all rights and responsibilities as other faculty but shall not be considered representatives of the Board for any activities undertaken on behalf of the UFF. The UFF agrees to hold the Board harmless for any claims arising from such activities, including the cost of defending against such claims.

(h) Summer. The UFF may designate a total of three faculty members to receive a thirteen week 0.25 FTE summer released time assignment. No more than one faculty member per 15 faculty members per department/unit may be designated to receive such released time. The UFF shall provide the Board with a list of requested designees no later than April 7th of the academic year preceding the summer term. All other provisions contained in Section 3.4, except 3.4(a) and (b), shall apply to summer released time.

ARTICLE 4 RESERVED RIGHTS

4.1 Policy. The Board retains and reserves to itself the rights, powers, and authority vested in it, including the right to plan, manage, and control the Florida Agricultural and Mechanical University and in all respects carry out the ordinary and customary functions of management.

4.2 Limitations. All such rights, powers, and authority are retained by the Board, subject to those limitations imposed by this Agreement. Only violations of such limitations shall be subject to Article 20, Grievance Procedure.

ARTICLE 5
ACADEMIC FREEDOM AND RESPONSIBILITY

5.1 The Board and the UFF shall maintain and encourage full academic responsibility and full academic freedom. Academic freedom and responsibility are essential to the full development of a true university and apply to teaching, research/creative activities, assigned service, and the activities set forth in Sections 10.4(d) and 10.4(e). Faculty members engaged in such activities shall be free to cultivate a spirit of inquiry and scholarly criticism and to examine ideas in an atmosphere of freedom and confidence.

5.2 Teaching and Research. Consistent with the exercise of academic responsibility, faculty members shall have freedom to present and discuss their own academic subjects, frankly and forthrightly, without fear of censorship, and to select instructional materials and determine grades in accordance with university and Board policies. Objective and skillful exposition of such subject matter, including the acknowledgment of a variety of scholarly opinions, is the duty of every such faculty member. Faculty shall also be free to engage in scholarly and creative activity and publish the results in a manner consistent with their professional obligations.

5.3 Academic Responsibility. Academic freedom is accompanied by the corresponding responsibility to:

- (a) Be forthright and honest in the pursuit and communication of scientific and scholarly knowledge;
- (b) Respect students, staff, and colleagues as individuals; treat them in a collegial manner; and avoid any exploitation of such persons for private advantage;
- (c) Respect the integrity of the evaluation process with regard to students, staff, and colleagues, so that it reflects their true merit;
- (d) Indicate when appropriate that one is not an institutional representative unless specifically authorized as such; and
- (e) Contribute to the orderly and effective functioning of the faculty members' academic unit (program, department, school, and/or college) and/or the university.

5.4 In addition to their assigned duties, faculty members have responsibilities arising from the nature of the educational process. Such responsibilities include, but are not limited to, observing and upholding the ethical standards of their discipline; participating, as appropriate, in the shared system of collegial governance, especially at the department/unit level; respecting the confidential nature of the relationship between professor and student; adhering to one's proper role as teacher, researcher, intellectual mentor, and counselor; and conducting oneself in a collegial manner in all interactions.

ARTICLE 6
NONDISCRIMINATION

6.1 Statement of Intent. The Board and the UFF fully support all laws intended to protect and safeguard the rights and opportunities of each faculty member to work in an environment free from any form of discrimination or harassment. The parties recognize

their obligations under federal and State laws, rules, and regulations prohibiting discrimination or harassment, and have made clear their support for the concepts of affirmative action and equal employment opportunity. They desire to assure equal employment opportunities within the university and recognize that the purpose of affirmative action is to provide equal opportunity to women, minorities, and other affected groups to achieve equality in the university. The implementation of affirmative action programs will require positive actions that will affect terms and conditions of employment and to this end the parties have, in this Agreement and elsewhere, undertaken programs to ensure equitable opportunities for faculty to receive salary adjustments, tenure, continuing multi-year appointments, successive fixed multi-year appointments, promotion, sabbaticals, and other benefits. This statement of intent is not intended to be subject to Article 20, Grievance procedure.

6.2 Policy.

(a) Neither the Board nor the UFF shall discriminate against any faculty based upon race, color, sex, religious creed, national origin, (interpreted in law to include ethnicity), age, veteran status, disability, political affiliation, or marital status, nor shall the Board or the UFF abridge any rights of faculty related to union activity granted under Chapter 447, Florida Statutes, including but not limited to the right to assist or to refrain from assisting the UFF. Personnel decisions shall be based solely on job-related criteria and performance.

(b) Sexual Harassment.

(1) Sexual harassment is a prohibited form of sex discrimination under Section 703 of Title VII of the Civil Rights Act of 1964.

(2) In *Meritor Savings Bank v. Vinson*, 477 U.S. 57 (1986), the United States Supreme Court recognized two types of sexual harassment:

a. The Supreme Court defined hostile-environment harassment as occurring only when "the workplace is permeated with 'discriminatory intimidation, ridicule, and insult' that is 'sufficiently severe or pervasive to alter the conditions of the victim's employment and create an abusive working environment'" (*Harris v. Forklift Systems, Inc.*, 510 U.S. 17, (1993), quoting *Meritor*, 477 U.S. AT 65, 67).

b. The EEOC Guidelines provide that 'quid pro quo harassment' occurs when 'submission to or rejection of [unwelcome sexual] conduct by an individual is used as the basis for employment decisions affecting such individual'" (EEOC, "Policy Guidance on Current Issues of Sexual Harassment," No. N-915-050 [March 19, 1990], quoting 29 CFR 1604.11A [2.3]).

(3) In addition to the parties' concern with respect to sexual harassment in the employment context, the parties also recognize the potential for this form of illegal discrimination against students. Relationships between faculty and students, even if consensual, may become exploitative, and especially so when a student's academic work, residential life, or athletic endeavors are supervised or evaluated by the faculty (see section 5.3). These relationships may also involve a conflict of interest and may be addressed, pursuant to Article 19.

(c) Investigation of Charges of Discrimination or Harassment. Charges of discrimination or harassment, including those filed by faculty against students alleging unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature that constitutes sexual discrimination, shall be promptly reviewed/investigated according to established university procedures. No faculty reviewed/investigated under such procedures shall be disciplined until such review is complete and a finding of discrimination has been issued. If after the completion of the review/investigation, any finding of discrimination or harassment is made, a record of the complete findings will be placed in the faculty member's evaluation file. If no finding of discrimination or harassment on any charge or complaint is made, no record of the charge or complaint will be placed in the faculty member's evaluation file unless the faculty member requests in writing that a record of the complete review/investigation be placed in the evaluation file.

(d) Where a charge of a student by a faculty member proves false in an administrative investigation or criminal prosecution, the university is obligated to ensure that the faculty member does not suffer any loss of privileges such as promotions and bonuses.

(e) Should state or federal law establish sexual orientation as a protected category of claims of discrimination during the term of this Agreement the Board and the UFF agree to modify the Agreement pursuant to Section 30.2.

6.3 Access to Documents. No faculty member shall be refused a request to inspect and copy documents relating to the faculty member's claim of discrimination except for records which are exempt from the provisions of the Public Records Act, Chapter 119, Florida Statutes.

6.4 Consultation. As part of the consultation process described in Article 2, the parties agree to discuss efforts made to appoint and retain women and minority faculty.

6.5 Grievance Procedures. Claims of such discrimination or harassment by the Board or university may be presented as grievances pursuant to Article 20, Grievance Procedure.

It is the intent of the parties that matters which may be presented and resolved thereunder instead of using other procedures. The UFF agrees not to process cases arising under this Article when alternate procedures to Article 20 are initiated by the grievant, except as specifically provided for in Section 20.2.

ARTICLE 7 ACCESS TO DOCUMENTS

7.1 Board and University Documents.

(a) Upon request, within three (3) business days or as soon thereafter as possible the Board shall provide the UFF with a print or electronic copy of documents necessary to administer grievances and other provisions of this Agreement or otherwise carry out UFF's obligations as the certified bargaining agent for the faculty. Alternatively, upon mutual agreement, the Board may provide the UFF with the specific URL addresses where the materials requested can be found.

(b) No later than when they are made available to the participants, the Board shall provide the UFF with an electronic copy of the agenda and minutes of meetings that may bear on the terms and conditions of employment of faculty members, including meetings (and subcommittee meetings) of the Board, the Council of Presidents, and the Council of Deans.

(c) The Board shall ensure that a copy of the following documents is made available in an easily accessible location in its main library or by links on the university web site:

- (1) minutes of the meetings of the Board and its committees;
- (2) Board rules published under the Administrative Procedures Act;
- (3) the University's operating budget and the previous year's Expenditure Analysis;
- (4) the FAMU/UFF Agreement and all supplements to the Agreement; and
- (5) any other University policies and procedures affecting faculty terms or conditions of employment.

(d) All copies of materials, and access to materials, shall be provided without cost.

7.2 Salary Records Access. Upon request, within three (3) business days or as soon thereafter as possible the Board shall provide the UFF with an electronic copy of faculty employment records reflecting the annual salary increases provided to faculty and any other necessary information for bargaining and for verifying compliance with the terms of the salary article (Article 23) of this Agreement.

7.3 Bargaining Unit Member List. Upon request, within seven (7) days of the beginning of each semester or as soon thereafter as possible, the Board shall provide the UFF with an electronic list including name, department/unit, position code, title/rank, email address, contact telephone number, and contact mailing address for each faculty member in the bargaining unit.

ARTICLE 8 APPOINTMENT

8.1 Policy. The Board shall exercise its authority to determine the standards, qualifications, and criteria so as to fill appointment vacancies in the bargaining unit with the best possible candidates. In furtherance of this aim, the Board shall, through the university, (a) advertise such appointment vacancies, receive applications and screen candidates therefore, and make such appointments as it deems appropriate under such standards, qualifications, and criteria, and (b) commit to an effort to identify and seek qualified women and minority candidates for vacancies and new positions.

8.2 Advertisement of Vacancies. Bargaining unit vacancies shall be advertised as specified in the position vacancy announcement system. Faculty of lower or equivalent ranks, Faculty who are spouses of faculty, and faculty members who are local residents shall not, in the hiring process, be disadvantaged for that reason. All faculty who are candidates for new and vacant positions shall be advised of the salaries of faculty in the department/unit, or of salaries of university faculty in the same job

classification, as appropriate, prior to the negotiation of the candidate's initial salary. Prior to making the decision to hire a candidate to fill a bargaining unit vacancy, the appropriate administrator(s) shall consider recommendations which have resulted from the review of candidates by faculty in the department.

8.3 Employment Contract. All appointments shall be made on a university employment contract and signed by the President or representative and the faculty member. The university may enclose informational addenda, except that such addenda may not abridge the faculty rights or benefits provided in this Agreement. All academic year appointments for faculty members at the university shall begin on the same date. The university employment contract shall contain the following elements determined by the University:

- (a) Date;
- (b) Professional Classification System title, class code, rank, and appointment status;
- (c) Employment unit (e.g., department, college, institute, area, center, etc.);
- (d) The length of the appointment;
- (e) Special conditions of employment;
- (f) A statement that the position is (1) tenured, (2) non-tenure earning, or (3) tenure-earning (specifying prior service in another institution to be credited toward tenure);
- (g) A statement that the faculty member's signature on the standard employment contract shall not be deemed a waiver of the right to process a grievance with respect thereto in compliance with Article 20;
- (h) The following statement, if the appointment is not subject to the notice provisions of Section 12.2: "Your employment under this contract will cease on the date indicated. No further notice of cessation of employment is required.";
- (i) A statement that the appointment is subject to the Constitution and laws of the State of Florida and the United States, the rules of the Board and the University, and this Agreement;
- (j) Percent of full-time effort (FTE) assigned;
- (k) Salary rate;
- (l) The minimum salary, if any, for the rank or job classification;
- (m) The statement: "The BOT/UFF Collective Bargaining Agreement (Article 6) prohibits discrimination against any faculty based upon race, color, sex, religious creed, national origin, age, veteran status, disability, political affiliation, marital status, or faculty rights related to union activity as granted under Chapter 447, Florida Statutes. Claims of such discrimination by the Board or the university may be presented as grievances pursuant to Article 20, Grievance Procedure."
- (n) A statement informing the faculty of the obligation to report outside activity and conflict of interest under the provisions of Article 19 of the Agreement; and
- (o) Principal place of employment.

8.4 Appointments.

- (a) Change in Appointments.

(1) A faculty member serving on a calendar year appointment may request an academic year appointment, or an annual leave accruing appointment of less than twelve (12) months but more than nine (9) months. Similarly, a faculty member serving on an academic year appointment may request a calendar year appointment or an annual leave accruing appointment of less than twelve (12) months but more than nine (9) months. The President or representative shall carefully consider such requests, although staffing considerations and other relevant university needs may prevent their being granted.

(2) Upon approval by the President or representative, and assuming that the assigned responsibilities remain substantially the same, a faculty member's base salary shall be adjusted by 81.8 percent when changing from a calendar year to an academic year appointment or by 122.2 percent when changing from an academic year to a calendar year appointment. For an faculty member whose appointment was previously changed from an academic year to calendar year appointment at a salary adjustment other than 122.2 percent or from a calendar year to academic year appointment at a salary adjustment other than 81.8 percent, the percent which is the reciprocal of the percent previously used shall be used to make the salary adjustment.

(3) Upon approval of a change from a calendar year appointment to an annual leave accruing appointment of less than twelve (12) months but more than nine (9) months, the faculty member's salary shall be adjusted to a percent of the calendar year base salary which is mathematically proportionate.

(b) Summer Appointments.

(1) Policy.

a. Available supplemental summer appointments shall be offered equitably and as appropriate to qualified faculty members, not later than five weeks prior to the beginning of the appointment, if practicable, in accordance with written criteria. The criteria shall be made available in each department/unit.

b. Supplemental summer appointments shall be made in accordance with Section 1012.945, Florida Statutes (the "twelve hour law").

(2) Compensation.

a. A faculty member shall receive approximately the same total salary for teaching a course during a supplemental summer appointment as the faculty member received for teaching the same course, or a course similar in length and content during the academic year, regardless of the length of the supplemental summer appointment.

b. Salary for a supplemental summer appointment shall be computed in accordance with the following formulae:

FTE for Supplemental Summer Appointment	=	FTE for Semester Instructional Assignment*	X	No. of Weeks (19.5) in <u>Semester Appointment</u> No. of Weeks in Supplemental Summer Appointment	+	Other FTE (Research, Service and Other Credit Generating Activities, Etc.) if Assigned**
Salary for Supplemental Summer Appointment	=	Biweekly Salary Rate During Semester Appointment	X	FTE for Supplemental Summer Appointment	X	Number of Pay Periods in Supplemental Summer Appointment

Examples (based on a \$44,000 AY salary or \$22,000 per semester):

6.5	.750	2256	3.25	5499
5.0	.975	\$2256	2.50	5499

* This instructional FTE will ordinarily be that assigned to a course offered during the academic year which is the same or similar to that being offered in the summer. This academic year instructional assignment may not exceed .25 FTE for a 3 contact hour course, except that contact hour equivalencies may be assigned for classroom instructional activities which involve unusual and significant requirements for classroom preparation, conduct of classes, student evaluation, etc. The academic year FTE will be increased during the supplemental summer appointment proportional to the shorter length of the summer terms. Note that contact hour equivalencies may be assigned in the summer for classroom instructional activities which involve unusual and significant requirements for class preparation, conduct of classes, student evaluation, etc. These assigned FTE's also will be proportionally greater in the summer than in the academic year in recognition of the shorter length of the summer terms.

** The instructional FTE assignment described in Footnote (*), above, does not include other credit generating activities such as thesis/dissertation supervision, directed individual studies, supervised research/teaching, and supervision of student interns. These activities, as well as Research or Service activities, may be assigned by the university during the summer term as "Other FTE" but are not a part of the "FTE for Semester Instructional Assignment" described in Footnote (*), need not be assigned in conjunction with the summer instructional assignment, and need not be allocated according to the same FTE equivalent as during the academic year. Any such reduction in FTE must, however, correspond to an appropriate reduction in assigned duties.

(c) Extra State Compensation Appointments. Extra State compensation is defined as State compensation for any duties (including work activities previously designated as overload) in excess of a full appointment (1.0 FTE). Available extra State compensation appointments within the university shall be offered equitably and as appropriate to qualified faculty in sufficient time to allow voluntary acceptance or rejection and are subject to the provisions of Section 23.7.

(d) Visiting Appointments. A "visiting" appointment is one made to a person having appropriate professional qualifications but not expected to be available for more than a limited period, or to a person in a position which the university does not expect to be available for more than a limited period. A visiting appointment may be offered in a single year contract renewable annually and not to exceed a total of four (4) consecutive years.

(e) Adjunct Appointments. The use of adjuncts at the university shall, upon the request of the UFF Chapter representatives, be a subject of consultation under the provisions of Section 2.1.

(f) Fixed Multi-Year Appointments.

(1) Two- to five-year fixed multi-year appointments may be offered for the following:

- a. Instructors and Lecturers;
- b. Non-tenured or non-tenure earning Assistant Librarians, Associate Librarians, Librarians, Curators and Counselors/Advisors;
- c. Scholars/Scientists, Research Associates, and Associate In/Assistant In _;
- d. Clinical faculty;
- e. Individuals who have officially retired from universities or other organizations and who are at least 55 years of age;
- f. Tenured faculty who decide to give up their tenured status to take advantage of whatever incentives might be offered by a fixed multi-year appointment; and
- g. Individuals who have held the rank of full professor for at least seven (7) years at an institution of higher education

(2) Successive fixed multi-year appointments may be offered to eligible faculty hired pursuant to Section 8.4(f)(1) as follows:

a. Criteria used to determine in which instances to offer successive appointments include consideration of the basis for the initial fixed multi-year appointment, evaluation of performance, professional growth, extent and currency of professional qualifications, contribution to the mission of the department or program, staffing needs, funding source alternatives, and continuing program considerations. Such criteria shall be in writing and available to all eligible faculty.

b. The faculty member will be advised in the penultimate year of the appointment that to be considered for a successive fixed multi-year appointment, the faculty must submit a request and written documentation pursuant to written procedures established by the university. The university shall notify the faculty member in writing of its decision to offer or not offer a successive appointment by the beginning of the final year of the faculty member's current appointment.

8.5 Reclassification of a Faculty Member to a Non-Unit Classification. Faculty members shall be provided written notice thirty (30) days in advance, where practicable, with a copy to the local UFF Chapter, when the university proposes to reclassify the faculty to a classification which is not contained in the General Faculty bargaining unit.

The faculty member may request a review of such action consistent with the provisions of Section 28.6 and UFF may discuss such action pursuant to Article 2, Consultation.

Article 9.
ASSIGNMENT OF RESPONSIBILITIES

9.1 Policy. The professional obligation is comprised of both scheduled and non-scheduled activities. The parties recognize that it is a part of the professional responsibility as a faculty member to carry out their duties in an appropriate manner and place. For example, while instructional activities, office hours, and other duties and responsibilities may be required to be performed at a specific time and place, other nonscheduled activities are more appropriately performed in a manner and place determined by the faculty member in consultation with his/her supervisor.

9.2 Considerations in Assignment.

- (a) A faculty member shall be granted, upon written request, a conference with the person responsible for making the assignment to express concerns regarding:
 - (1) the needs of the program or department/unit;
 - (2) the faculty member's qualifications and experiences, including professional growth and development and preferences;
 - (3) the character of the assignment, including but not limited to the number of hours of instruction, the preparation required, whether the faculty member has taught the course in the past, the average number of students enrolled in the course in past semesters and the time required by the course, whether travel to another location is required, the number of preparations required, the faculty member's assignments in other semesters, the terms and conditions of a contract or grant from which the faculty is compensated, the use of instructional technology, the availability and adequacy of materials and equipment, secretarial services, student assistants, and other support services needed to perform the assignments, and any changes which have been made in the assignment, including those which may have resulted from previous evaluations of the faculty member; and
 - (4) The opportunity to fulfill applicable criteria for tenure, promotion, continuing multiyear appointments, successive fixed multi-year appointments, and merit salary increases.

- (b) If the conference with the person responsible for making the assignment does not resolve the faculty member's concerns, the faculty shall be granted, upon written request, an opportunity to discuss those concerns with an administrator at the next higher level.
- (c) The Board and the UFF recognize that, while the Legislature has described the minimum full academic assignment in terms of twelve (12) contact hours of instruction or equivalent research and service, the professional obligation undertaken by a faculty member will ordinarily be broader than that minimum. In like manner, the professional obligation of other professional faculty is not easily susceptible of quantification. The Board, acting through the university, has the right, in making assignments, to determine the types of duties and responsibilities which comprise the professional obligation and to determine the mix or relative proportion of effort a faculty member may be required to expend on the various components of the obligation.
- (d) Furthermore, the Board, acting through the university, properly has the obligation constantly to monitor and review the size and number of classes and other activities, to consolidate inappropriately small offerings, and to reduce inappropriately large classes.
- (e) No faculty member's assignment shall be imposed arbitrarily or unreasonably. If a faculty member believes that the assignment has been so imposed, the faculty member should proceed to address the matter through the procedures of this Agreement, which shall be the exclusive method for resolving such disputes. Other claims of alleged violations of the Agreement with respect to faculty member assignments are subject to the provisions of Article 20, Grievance Procedure and Arbitration.

9.3 Annual Assignment.

- (a) Communication of Assignment. Faculty members shall be apprised in writing, at the beginning of their employment and at the beginning of each year of employment thereafter, of the duties assigned in teaching, research and other creative activities, public service, and of any other specific duties assigned for that year. Faculty members shall acknowledge receipt of their assignment by their signature.

Except for an assignment made at the beginning of a faculty member's employment, the person responsible for making an assignment shall notify the faculty member prior to making the final written assignment. Wherever feasible, the assignment shall be communicated to faculty members no later than six (6) weeks in advance of its starting date.

- (b) Instructional Assignment. The period of an instructional assignment during an academic year shall not exceed an average of seventy-five (75) days per semester and the period for testing, advisement, and other scheduled assignments shall not exceed an average of ten (10) days per semester. Within each semester, activities referred to above shall be scheduled during contiguous weeks with the exception of spring break, if any.
- (c) Change in Assignment. Should it become necessary to make changes in a faculty member's assignment, the person responsible for making the change

shall notify the faculty member prior to making such change and shall specify such change in writing.

- (d) Equitable Opportunity. Each faculty member shall be given assignments which provide equitable opportunities, in relation to other faculty members in the same department/unit, to meet the required criteria for promotion, tenure, continuing multi-year appointments, successive fixed multi-year appointments, and merit salary increases.
 - (1) For the purpose of applying this principle to promotion, assignments shall be considered over the entire period since the original appointment or since the last promotion, not solely over the period of a single annual assignment. The period under consideration at the university shall not be less than four years. Faculty members' annual assignment shall be included in the promotion file.
 - (2) For the purpose of applying this principle to tenure, assignments shall be considered over the entire probationary period and not solely over the period of a single annual assignment. The faculty member's annual assignment shall be included in the tenure file.
 - (3) If an arbitrator determines that the faculty member was not provided an "equitable opportunity" as described in this section, the arbitrator may award additional employment requiring the university to provide the "equitable opportunity" as described herein. The arbitrator also may retain jurisdiction for purposes of determining whether the ensuing assignment provides such "equitable opportunity."

9.4 Summer Assignment.

- (a) The summer instructional assignment, like that for the academic year, includes the normal activities related to such an assignment as defined by the department/unit and the nature of the course, such as course preparation, minor curriculum development, lectures, evaluation of student efforts, consultations and conferences with students, and minor committee activities.
- (b) When a summer instructional appointment immediately follows the academic year appointment, the faculty member may be assigned reasonable and necessary non-instructional duties related to the summer instructional appointment prior to the conclusion of the academic year appointment.

9.5 Place of Employment.

- (a) Principal. Each faculty member shall be assigned one principal place of employment, as stated on the university employment contract. Except in extraordinary circumstances, a faculty member shall be given at least nine (9) months' notice of a change in principal place of employment. The faculty member shall be granted, upon written request, a conference with the person responsible for making the change to express concerns regarding such change, including concerns regarding considerations in assignment as described in Section 9.3, above. Voluntary changes and available new positions within the department shall be considered prior to involuntary changes, if practicable.
- (b) Secondary. Each faculty member, where possible, shall be given at least ninety

(90) days written notice of assignment to a secondary place of employment more than fifteen (15) miles from the faculty member's principal place of employment. The faculty member shall be granted, upon written request, a conference with the person responsible for making the change to express concerns regarding such change. If the assignment to a secondary place of employment is made within a regular full-time appointment, the supervisor is encouraged to make an appropriate adjustment in the assignment in recognition of time spent traveling to a secondary place of employment. Necessary travel expenses, including overnight lodging and meals, for all assignments not at the faculty member's principal place of employment shall be paid at the State rate and in accordance with the applicable provisions of State law.

9.6 Teaching Schedule.

Teaching schedules should be established, if practicable, so that the time between the beginning of the first assignment and the end of the last for any one day does not exceed eight (8) hours.

9.7 Equipment.

The University will provide access to the essential equipment necessary to carry out the instructional assignments.

9.8 Workweek

Scheduled hours for all faculty members shall not normally exceed forty (40) hours per week. Time shall be allowed within the normal working day for research, teaching, or other activities required of the faculty member, when a part of the assigned duties. Supervisors are encouraged to make appropriate reductions or adjustments in the number of hours scheduled in recognition of evening, night, and weekend assignments, and for periods when a faculty member is on call. Evenings, nights, and weekends when a faculty member is on call shall be considered in making other assignments. See Section 17.5 regarding schedule adjustment for holiday assignment.

9.9 Overload Assignments.

- (a) An overload assignment is defined as the assignment of any duties in excess of a faculty member's full-time appointment (1.0 FTE).
 - (1) No faculty member shall be required to accept an overload assignment.
- (b) Right of First Refusal - An overload assignment shall be offered equitably and as appropriate to qualified full-time faculty members in sufficient time to allow voluntary acceptance or rejection prior to the hiring of part-time or adjunct faculty.
 - (1) For this provision, a faculty member shall have a minimum of 0.80 FTE assigned classroom instruction.
 - (2) Overloads will be provided to qualified faculty who have received a satisfactory annual evaluation the previous academic year. Whenever possible, overloads should not be provided to tenure-earning faculty who are not tenured and whose AOR should include time for research efforts and activities

9.10 Instructional Technology.

- (a) "Instructional technology material" includes video and audio recordings, motion pictures, film strips, photographic and other similar visual materials, live video and audio transmissions, computer programs, computer assisted instructional course work, programmed instructional materials, three dimensional materials and exhibits, and combinations of the above materials, which are prepared or produced in whole or in part by a faculty member, and which are used to assist or enhance instruction.
- (b) The Board and the UFF recognize the increasing development and use of technology, in all of the different forms, to support teaching and learning and to enhance the fundamental relationship between faculty member and student. This technology may be used in the context of distance learning. Furthermore, the Board and the UFF also recognize that this technology should be used to the maximum mutual benefit of the university, the faculty member and the educational process.
- (c) The University shall review the considerations stated in (1) through (4), below, which may be raised by faculty development and use of instructional technology/distance learning. It is recognized that these considerations may already apply to other faculty member instructional activities and, therefore, be addressed by existing university policies and procedures. If the university concludes that new or revised policies are needed, they shall negotiate such policies with UFF pursuant to Section 2.1 prior to implementation.
 - (1) Recognition of that faculty member's effort spent in the assigned development of instructional technology/distance learning materials and in providing instruction assigned in this manner is appreciably greater than that associated with a traditional course;
 - (2) Training and development resources available to faculty members who have been assigned to provide instruction through the use of instructional technology/distance learning;
 - (3) Provisions for clerical, and technical support in conjunction with the assigned use of instructional technology/distance learning; and
 - (4) Compensation, including substantial recognition in a faculty member's assignment or provisions for extra State compensation, for appreciably greater workload associated with the assigned development and use of instructional technology/distance learning.
- (d) The faculty member shall not make use of appreciable university support in the creation or revision of instructional technology materials unless the university approves such use in advance and in writing.
 - (1) Appreciable university support is to include support that is significantly beyond the traditional support that is provided to faculty, which includes but is not limited to office space; access to computers and software; access to internet and learning management systems; and training and development, including classes taken at Florida A&M; access to library and data bases.
 - (2) If instructional technology is created without appreciable university support, then it is the property of the faculty member (Section 18.3(b)(2)).

- (3) In the case of the property of the faculty member, the University will guarantee that the instructional technology will not be copied or duplicated, in whole or part, by anyone other than the owner, from any learning management system or similar, that is provided by the university.
- (e)
- (1) Provisions governing releases to be obtained when the university has an interest in instructional technology are contained in Section 18.3(c)(3). Consistent with such provisions and prior to the use of the instructional technology materials described in Section 9.9(a), above, releases shall be obtained from persons appearing in, or giving financial or creative support to their development or use.
 - (2) The university shall assist the faculty member in obtaining releases regarding instructional technology materials when:
 - a. the university has asserted an interest in such materials; or
 - b. the university has assigned the faculty member to develop such materials.

9.11 Calculating FTE. Each full time faculty should be assigned a total of 15 classroom contact hours, or equivalent in other efforts, per week for each of the regular semesters, excluding summer. Assigned responsibility should be calculated to the nearest single decimal only.

- (a) Undergraduate Courses. The percent effort for a given course is obtained by dividing the number of contact hours by 15 and multiplying by 100%.
- (b) Graduate Courses. The percent efforts for a given course are obtained by dividing the number of contact hours by 15 and multiplying by 133%.
- (c) Directed Individual Studies. The percent effort will be calculated based on 0.5 contact hours per student enrolled; Directed Individual Studies will be offered and approved at the Deans discretion. Directed Individual Studies will not be offered for more than five (5) students per course.

FAMU Course Contact Hour Table

Course Contact Hours	Undergraduate Effort %	Graduate Effort %
1	6.7	8.9
2	13.3	17.7
3	20.0	26.6
4	26.6	35.5
5	33.3	44.4

- (d) Other instructional efforts in a non-classroom environment, such as (i)

- Thesis/Dissertation Supervision; (ii) Supervision of Interns; (iii) Clinical Activity; (iv) preparation of class materials and (v) assigned office hours, will be based on average weekly direct contact hours with the student.
- (e) Academic advisement for undergraduate students will be based on the value of 0.4 % FTE per advisee.
 - (f) Other non-instructional efforts such as (i) Academic Admin/Support Services; (ii); Leave of Absence with Pay; (iii) Public or Institutional Service; (iv) Supervision of Cooperative Education; (v) University Governance and (vi) Research and other Sponsored Activities, will be based on the average number of weekly hours dedicated to such effort, divide by 40 and multiplying by 100%.
 - (g) Class size – While the number of students in a class impacts the quality of education, some classes such as traditional lectures may be able to support larger class sizes, courses that require more direct contact, or that have a greater demand on the instructor in the form of grading assignments, or individualized instruction, should be provided reduced class sizes.
 - (1) Traditional lectures should have a maximum class size of 75 students. Enrollment of 76 – 100 students shall afford a 50% increase in assigned effort. Enrollment of 101 – 120 shall afford a 100 % increase in assigned effort. Courses that require a greater demand on the instructor, including, but not limited to composition, mathematics, speech and conversational foreign language, shall have a maximum class size of 25 students. Other courses maybe included with justifications upon mutual agreement between the Board and UFF.
 - (2) No class or teaching laboratory shall have a number of students plus faculty greater than room occupancy permitted by the fire marshal.
 - (3) Those classes that are combined lecture plus lab should be uncombined into a lecture and a lab, when the instructor for both lecture and lab are not the same person.
 - (4) Class minimums are set at 15 for undergraduate courses and 6 for graduates. Classes with lower attendance are allowed upon the presentation of academic justifications to the Office of Academic Affairs.

ARTICLE 10 FACULTY MEMBER PERFORMANCE EVALUATIONS

10.1 Policy.

(a) Annual Evaluations. The purpose of the annual evaluation is to assess and communicate the nature and extent of a faculty member's performance of assigned duties consistent with the criteria specified in Section 10.4. The performance of all faculty members, other than those who have received notice of non-reappointment under Section 12.2 or those not entitled to receive notice of non-reappointment under Section 12.2 shall be evaluated at least once annually, and they shall be advised of the academic term during which such evaluation will be made. Personnel decisions shall

take such annual evaluations into account, provided that such decisions need not be based solely on written faculty member performance evaluations.

(b) Sustained Performance Evaluations. In addition to the annual performance evaluations, tenured faculty members shall receive a sustained performance evaluation once every seven years following the award of tenure or their most recent promotion. The purpose of this evaluation is to document sustained performance during the previous six years of post-tenure assigned duties and to encourage continued professional growth and development.

10.2 Sources and Methods of Evaluation.

(a) In preparing the annual evaluation, the person(s) responsible for evaluating the faculty may consider, where appropriate, information from the following sources: immediate supervisor, peers, students, faculty member /self, other university officials who have responsibility for supervision of the faculty member, and individuals to whom the faculty member may be responsible in the course of a service assignment, including public school officials when a faculty member has a service assignment to the public schools.

(b) Observation/Visitation. The faculty member, if assigned teaching duties, shall be notified at least two (2) weeks in advance of the date, time, and place of any direct classroom observation or visitation made in connection with the faculty member's annual evaluation. If the faculty member determines that this date is not appropriate because of the scheduled class activities, the faculty member may suggest a more appropriate date. Alternatively, if such classroom observation or visitation will be made, the faculty member shall be notified at least two (2) weeks in advance of the period (for example, a semester) over which no less than two (2) observations will be made.

10.3 Procedures for Annual Evaluation.

(a) The proposed written annual evaluation, including the faculty member's annual assignment which was furnished pursuant to Section 9.3, shall be provided to the faculty member within thirty (30) days after the end of the academic term during which such evaluation will be made. The faculty member shall be offered the opportunity to discuss the evaluation with the evaluator prior to it being finalized and placed in the faculty members' evaluation file. The evaluation shall be signed and dated by the person performing the evaluation, and by the person being evaluated who may attach a concise comment to the evaluation. A copy of the evaluation shall be provided to the faculty member. The faculty member may request, in writing, a meeting with an administrator at the next higher level to discuss concerns regarding the evaluation which were not resolved in previous discussions with the evaluator.

(b) The university department/unit shall develop and maintain procedures by which to evaluate each faculty member according to criteria specified in Section 10.4. These procedures will include the method for the distribution of salary increase funds specified in Section 23.6 based on said annual evaluation. The faculty of each department/unit, who are eligible to vote in department/unit governance, shall participate in the development of these procedures and shall recommend implementation by vote of a majority of at least a quorum of those faculty member.

1. The proposed procedures, or revisions thereof, shall be reviewed by the President or representative to ensure that they are consistent with the mission and goals of the university and that they comply with this agreement.

2. If the president or representative determines that the recommended procedures do not meet the conditions in Section 10.3(b) above, the proposal shall be referred to the department/unit for revision with a written statement of reasons for non-approval. No merit salary increase funds shall be provided to a department/unit until its procedures have been approved by the President or representative.

3. Approved procedures, and revisions thereof, shall be kept on file in the department/unit office. Faculty members in each department/unit shall be provided a copy of that department's/unit's current procedures for annual evaluation.

(c) The University is committed to providing assistance to any faculty member seeking improvement of his/her assignment performance. Therefore, upon written request from the faculty member, the persons responsible for supervising and evaluating a faculty member shall endeavor to assist the faculty member in correcting any major performance deficiencies reflected in the faculty member's annual evaluation. A faculty member receiving an unsatisfactory annual evaluation in any area shall be responsible to demonstrate improvement in the area found to be unsatisfactory.

(d) Sustained Performance Evaluations.

1. The sustained performance evaluation program shall provide that:

a. Only elected faculty may participate in the development of applicable procedures. Such procedures shall ensure involvement of both peers and administrators at the department and higher levels in the evaluation and shall ensure that a faculty member may attach a concise response to the evaluation;

b. The university shall provide for an appeals process to accommodate instances when the faculty member and the supervisor cannot agree upon the elements to be included in the performance improvement plan; and

c. The proposed procedures for the sustained performance evaluation shall be available to faculty members and to UFF for review prior to final approval.

2. Faculty member annual evaluations, including the documents contained in the evaluation file shall be the sole basis for the sustained performance evaluation.

a. A faculty member who received satisfactory annual evaluations during the previous six years shall not be rated below satisfactory in the sustained performance evaluation nor subject to a performance improvement plan.

b. A performance improvement plan shall be developed for those faculty members whose performance is identified through the sustained performance evaluation as being consistently below satisfactory in one or more areas of assigned duties. The performance improvement plan shall be developed by the faculty member, in concert with his/her supervisor,

and include specific performance targets and a time period for achieving the targets. The performance improvement plan shall be approved by the President or representative. Specific resources identified in an approved performance improvement plan shall be provided by the university. The supervisor shall meet periodically with the faculty member to review progress toward meeting the performance targets. It is the responsibility of the faculty member to attain the performance targets specified in the performance improvement plan.

10.4 Criteria. The annual performance evaluation shall be based upon assigned duties, and shall carefully consider the nature of the assignments, in terms, where applicable, of:

(a) Teaching effectiveness, including effectiveness in presenting knowledge, information, and ideas by means or methods such as lecture, discussion, assignment and recitation, demonstration, laboratory exercise, practical experience, and direct consultation with students. The evaluation shall include consideration of effectiveness in imparting knowledge and skills, and effectiveness in stimulating students' critical thinking and/or creative abilities, the development or revision of curriculum and course structure, and adherence to accepted standards of professional behavior in meeting responsibilities to students. The evaluator may take into account class notes, syllabi, student exams and assignments, and any other materials relevant to the faculty member's teaching assignment. The teaching evaluation must take into account any relevant materials submitted by the faculty member, including the results of peer evaluations of teaching, and may not be based solely on student evaluations when this additional information has been made available to the evaluator.

(b) Contribution to the discovery of new knowledge, development of new educational techniques, and other forms of creative activity. Evidence of research and other creative activity shall include, but not be limited to, published books; articles and papers in professional journals; musical compositions, paintings, sculpture; works of performing art; papers presented at meetings of professional societies; and research and creative activity that has not yet resulted in publication, display, or performance. The evaluation shall include consideration of the faculty member's productivity, including the quality and quantity of what has been done during the year, and of the faculty member's research and other creative programs and contributions; and recognition by the academic or professional community of what is done.

(c) Public service that extends professional or discipline-related contributions to the community; the State, including public schools; and the national and international community. This public service includes contributions to scholarly and professional organizations and governmental boards, agencies, and commissions that are beneficial to such groups and individuals.

(d) Participation in the governance processes of the institution through significant service on committees, councils, and senates, beyond that associated with the expected responsibility to participate in the governance of the institution through participation in regular departmental or college meetings.

(e) Other assigned university duties, such as advising, counseling, supervision of interns, and academic administration, or as described in a Position Description, if any, of the position held by the faculty member.

10.5 Proficiency in Spoken English. No faculty member shall be evaluated as deficient in oral English language skills unless proved deficient in accordance with the appropriate procedures and examinations established by Section 1012.93, Florida Statutes, and State Board of Education rule, for testing such deficiency.

(a) Faculty involved in classroom instruction, other than in courses conducted primarily in a foreign language, found by their supervisor, as part of the annual evaluation, to be potentially deficient in English oral language skills, shall be tested in accordance with appropriate procedures and examinations established by statute and rule cited above for testing such skills. No reference to an alleged deficiency shall appear in the annual evaluation or in the personnel file of a faculty member who achieves a satisfactory examination score determining proficiency in oral English as specified in the rule (currently "50" or above on the Test of Spoken English).

(b) Faculty who score at a specified level on an examination established by statute and rule cited above for testing oral English language skills ("45" on the Test of Spoken English), may continue to be involved in classroom instruction up to one (1) semester while enrolled in appropriate English language instruction, as described in paragraph (d) below, provided the appropriate administrator determines that the quality of instruction will not suffer. Only such faculty members who demonstrate, on a basis of examinations established by statute and rule, that they are no longer deficient in oral English language skills may be involved in classroom instruction beyond one (1) semester.

(c) Faculty who score below a minimum score on an examination established by statute and rule for determining proficiency in oral English (currently "45" on the Test of Spoken English) shall be assigned appropriate non-classroom duties for the period of oral English language instruction provided by the university under paragraph (d) below, unless during the period of instruction the faculty member is found, on the basis of an examination specified above, to be no longer deficient in oral English language skills. In that instance, the faculty member will again be eligible for assignment to classroom instructional duties and shall not be disadvantaged by the fact of having been determined to be deficient in oral English language skills.

(d) It is the responsibility of each faculty member who is found, as part of the annual evaluation, to be deficient in oral English language skills by virtue of scoring below the satisfactory score on an examination established by statute and rule for determining such proficiency (see paragraph (10.5(a))), to take appropriate actions to correct these deficiencies. To assist the faculty member in this endeavor, the university shall provide appropriate oral English language instruction without cost to such faculty members for a period consistent with their length of appointment and not to exceed two (2) consecutive semesters. The time the faculty member spends in such instruction shall not be considered part of the individual assignment or time worked, nor shall the faculty member be disadvantaged by the fact of participation in such instruction.

(e) If a university determines, as part of the annual evaluation, that one (1) or more administrations of a test to determine proficiency in oral English language skills is

necessary, in accordance with the statute and rule and this section, the university shall pay the expenses for up to two (2) administrations of the test. The faculty member shall pay for additional testing that may be necessary.

10.6 Employee Assistance Programs. Neither the fact of a faculty member's participation in an employee assistance program nor information generated by participation in the program, shall be used as evidence of a performance deficiency within the evaluation process described in this Article, except for information relating to an faculty member's failure to participate in an employee assistance program consistent with the terms to which the faculty member and the university have agreed.

ARTICLE 11 EVALUATION FILE

11.1 Policy. There shall be one (1) evaluation file containing a dated copy of all documents used in the evaluation process, other than evaluation for tenure and promotion. When evaluations and other personnel decisions are made, other than for tenure and promotion, the only documents which may be used are those contained in that file. Such documents shall be placed in the evaluation file within a reasonable time after receipt by the custodian of the file. Faculty members shall be notified, upon written request, of the location of the evaluation file and the identity of the custodian. A notice specifying the location of the evaluation file shall be posted in each department/unit.

11.2 Access. A faculty member may examine the evaluation file, upon reasonable advance notice, during the regular business hours of the office in which the file is kept, normally within the same business day as the faculty member requests to see it, and under such conditions as are necessary to insure its integrity and safekeeping. Upon request, a faculty member may paginate with successive whole numbers the materials in the file, and may attach a concise statement in response to any item therein. Upon request, a faculty member is entitled to one (1) free copy of any material in the evaluation file. Additional copies may be obtained by the faculty member upon the payment of a reasonable fee for photocopying. A person designated by the faculty member may examine that faculty member's evaluation file with the written authorization of the faculty member concerned, and subject to the same limitations on access that are applicable to the faculty member.

11.3 Indemnification. The UFF agrees to indemnify and hold the board, its officials, agents, and representatives harmless from and against any and all liability for any improper, illegal, or unauthorized use by the UFF of information contained in such evaluation files.

11.4 Use of Evaluative Materials. In the event a grievance is filed, university, Board, and UFF grievance representatives, the arbitrator, and the grievant shall have the right to use, in the grievance proceedings, copies of materials from the grievant's evaluation file.

11.5 Anonymous Material. There shall be no anonymous material in the evaluation file except for numerical summaries of student evaluations that are part of a regular evaluation procedure of classroom instruction and/or written comments from students obtained as part of that regular evaluation procedure. If written comments from students in a course are included in the evaluation file, all of the comments obtained in the same course must be included. Materials are anonymous in instances where the author and his/her source of information are unidentified.

11.6 Peer Committee Evaluations. Evaluative materials, or summaries thereof, prepared by peer committees as part of a regular evaluation system, may be placed in an evaluation file when signed by a representative of the committee.

11.7 Removal of Contents. As permitted by law, materials shown to be contrary to fact shall be removed from the file. This section shall not authorize the removal of materials from the evaluation file when there is a dispute concerning a matter of judgment or opinion rather than fact. Materials may also be removed pursuant to the resolution of a grievance.

11.8 Limited Access Information. Information reflecting evaluation of faculty performance shall be available for inspection only by the faculty member, the faculty member's representative, university and Board officials who use the information in carrying out their responsibilities, peer committees responsible for evaluating faculty member performance, and arbitrators or others engaged by the parties to resolve disputes, or by others by court order. However, such limited access status shall not apply to summary data, by course, for the common "core" items contained in student course evaluations, which have been selected as such by the board or the university and made available by the university to the public on a regular basis.

ARTICLE 12 NON-REAPPOINTMENT

12.1 No Property Right. No appointment shall create any right, interest, or expectancy in any other appointment beyond its specific terms, except as provided in Sections 13.2 and 15.9.

12.2 Notice.

(a) All faculty members except those described in (b) (1) and (c) below are entitled to the following written notice that they will not be offered further appointment:

(1) For faculty members in their first two (2) years of continuous university service, one semester (or its equivalent, 19.5 weeks, for faculty members appointed for more than an academic year);

(2) For faculty members with two (2) or more years of continuous university service one year; or

(3) For faculty members who are on "soft money" e.g., contracts and grants, sponsored research funds, and grants and donations trust funds, who had five (5) or more years of continuous university service as of June 30, 1991, one year.

(4) The provision of notice under this section does not provide rights to a summer appointment beyond those provided in Section 8.4(b).

(b) Faculty member who are on "soft money," e.g., contracts and grants, sponsored research funds, and grants and donations trust funds, except those described in Section 12.2(a)(3), above, are entitled to the following written notice that they will not be offered further appointment:

(1) For faculty member in their first five (5) years of continuous university service, no notice need be provided and the statement in (d), below, shall be included in their employment contracts; or

(2) For faculty member with five (5) or more years of continuous university service, ninety (90) days notice shall be provided contingent upon funds being available in the contract or grant.

(c) Faculty members who are appointed for less than one (1) academic year, who are appointed to a visiting appointment, who are appointed to a fixed multi-year appointment, pursuant to Section 8.4 (f) and faculty employed in an auxiliary entity, are not entitled to notice that they will not be offered further appointment, and the statement in (d), below, shall be included in their employment contracts.

(d) Faculty members described in (b) (1) and (c), above, shall have the following statement included in their employment contracts:

Your employment under this contract will cease on the date indicated. No further notice of cessation of employment is required.

(e) A faculty member who is entitled to written notice of non-reappointment in accordance with the provisions of Section 12.2 who receives written notice that the faculty member will not be offered further appointment shall be entitled, upon written request within twenty (20) days following receipt of such notice, to a written statement of the basis for the decision not to reappoint. Thereafter, the President or representative shall provide such statement within twenty (20) days following receipt of such request. All such notices and statement are to be sent by certified mail, return receipt requested, or delivered in person to the faculty member with written documentation of receipt obtained.

12.3 Grievability. A faculty member who receives written notice of non-reappointment may, according to Article 20, contest the decision because of an alleged violation of a specific term of the Agreement. Such grievances must be filed within thirty (30) days of receipt of the statement of the basis for the decision not to reappoint pursuant to section 12.2(e) or receipt of the notice of non-reappointment if no statement is requested.

12.4 Non-Reappointment Considerations. If the decision not to reappoint was based solely upon adverse financial circumstances, reallocation of resources, reorganization of degree or curriculum offerings or requirements, reorganization of academic or administrative structures, programs, or functions, and/or curtailment or abolition of one or more programs or functions, the university shall make a reasonable effort to locate

appropriate alternative or equivalent employment first within the university and second within other public universities in Florida.

12.5 Resignation. A faculty member who wishes to resign has the professional obligation, when possible, to provide the university with at least one semester's notice. Upon resignation, all consideration for tenure and reappointment shall cease.

12.6 Notice Document. Notice of appointment and non-reappointment shall not be contained in the same document.

ARTICLE 13 LAYOFF AND RECALL

13.1 Layoff.

(a) When a layoff is to occur as a result of adverse financial exigencies; reallocation of resources; reorganization of degree or curriculum offerings or requirements; reorganization of academic or administrative structures, programs, or functions; or curtailment or abolition of one or more programs or functions; the Board shall notify the local UFF Chapter and the UFF state office no less than thirty (30) days prior to taking such action. UFF may request a consultation with the President or designated representatives pursuant to Sections 2.1 during this period to discuss the layoff.

(b) Layoff Unit. The layoff unit may be at an organizational level of the university, such as a campus, division, college/unit, school, department/unit, area, program, or other level of organization as the University deems appropriate.

13.2 Layoff Considerations. The selection of faculty members in the layoff unit to be laid off will be determined as follows:

(a) No tenured/continuing multi-year/permanent status faculty member shall be laid off if there are non-tenured/ non-permanent status faculty members in the layoff unit.

(b) No faculty member in a non-tenured/non-permanent status position in the layoff unit with more than five (5) years of continuous university service shall be laid off if there are any such with five (5) years or less service.

(c) The sole instance in which only one (1) faculty member will constitute a layoff unit is when the functions that the faculty member performs constitute an area, program, or other level of organization at the university.

(d) The provisions of 13.2(a) and (b) will apply unless the University determines that an Affirmative Action employment program will be adversely affected. When an Affirmative Action Program has been so affected, the University shall notify UFF in writing.

(e) Where faculty members are equally qualified under (a) or (b) above, those faculty members will be retained who, in the judgment of the University, will best contribute to the mission and purpose of the institution.

In making such judgment, the University shall carefully consider faculty member's length of continuous university service, and shall take into account other appropriate

factors, including but not limited to performance evaluation by students, peers, and supervisors, and the faculty member's academic training, professional reputation, teaching effectiveness, research record or quality of the creative activity in which the faculty member may be engaged, and service to the profession, community, and public.

(f) No tenured/continuing multi-year faculty member shall be laid off solely for the purpose of creating a vacancy to be filled by an administrator entering the bargaining unit.

(g) The university shall notify the local UFF Chapter in writing regarding the use of adjunct and other non-unit faculty in those departments/units where faculty members have been laid off. The use of adjunct and other non-unit faculty in departments/units where faculty members have been laid off may be the subject of consultation meetings pursuant to Section 2.2.

13.3 Alternative Employment. The University shall provide information to the laid off faculty members regarding vacancies within the University.

13.4 Notice. Faculty should be informed of layoff as soon as practicable and where circumstances permit, faculty members with three or more years of continuous university service should be provided at least one (1) year's notice; those with less service with at least six (6) months notice. Faculty members who have received notice of layoff shall be afforded the recall rights granted under Sections 13.3 and 13.5. Formal written notice of layoff is to be sent by certified mail, return receipt requested, or delivered in person to the faculty members with written documentation of receipt obtained. The notice shall include effective date of layoff; reason for layoff; reason for shortened period of notification, if applicable; a statement of recall rights; a statement of appeal/grievance rights and applicable deadlines for filing; and a statement that the faculty member is eligible for consideration for retraining under the provision of Section 22.4 for a period of two years following layoff.

13.5 Re-employment/Recall.

(a) For a period of two years following layoff or for faculty members appointed to a fixed multi-year appointment, not to exceed the length of their last employment contract, not to exceed two (2) years, a faculty member who has been laid off and who is not otherwise employed in an equivalent full-time position shall be offered re-employment in the same or similar position at the university at which previously employed at the time of layoff, should an opportunity for such re-employment arise. All persons on the recall list shall be provided with access to all notices of vacancies within the University. For this purpose, it shall be the faculty member's responsibility to keep the university advised of the faculty member's current address. Should a vacancy occur at another public university within the State of Florida the faculty member may apply for the position and shall be considered therefore in accordance with the normal hiring procedures of that university. Any offer of re-employment pursuant to this section must be accepted within fifteen (15) days after the date of the offer, such acceptance to take effect not later than the beginning of the semester immediately following the date the offer was made. In the event such offer of re-employment is not accepted, the faculty member shall receive no further consideration pursuant to this Article. Faculty members

appointed to a fixed multi-year appointment, who are recalled, shall be offered re-employment not to exceed the length of their last employment contract. The university shall notify the local UFF Chapter when an offer of re-employment is used.

(b) A faculty member who held a tenured/continuing multi-year appointment on the date of termination by reason of layoff shall resume the tenured/continuing multi-year appointment upon recall.

(c) The faculty member shall receive the same credit for years of service for purposes of layoff as held on the date of layoff.

(d) Employee Assistance Programs. Consistent with the university's Employee Assistance Program, faculty members participating in an assistance program who receive a notice of layoff may continue to participate in that program for a period of ninety (90) days following the layoff.

13.6 Limitations. The provisions of Sections 13.2 through 13.5 of this Agreement shall not apply to those faculty described in Sections 12.2(a) (3), (b), and (c).

ARTICLE 14 PROMOTION PROCEDURE

14.1 Policy.

(a) Promotion decisions are not merely a totaling of a faculty member's annual performance evaluations. Rather, the University, through faculty, professional employees, and administrators, assesses the faculty member's potential for growth and scholarly contribution, as well as part meritorious performance. Established promotion criteria should be objectively and consistently applied to all seeking promotion.

(b) Upon annual written request beginning with the second year of employment, a faculty member eligible for consideration for promotion shall be apprised of their progress toward promotion. The appraisal shall be included as a separate component of the annual evaluation and is intended to provide assistance and counseling to faculty members to help them to qualify themselves for promotion. The faculty member may request, in writing, a meeting with an administrator at the next higher level to discuss concerns regarding the promotion appraisal which were not resolved in previous discussions with the evaluator. The appraisals are not binding upon the university.

14.2 Criteria.

(a) Promotion decisions shall be a result of meritorious performance of assigned duties pursuant to Article 10.3 and other established criteria specified in writing by the Board or the University. The Board and the University may modify these criteria so long as the local UFF Chapter has been notified of the proposed changes and offered an opportunity to discuss such changes in consultation with the President or representative. Changes in criteria shall not become effective until one (1) year following adoption of the changes, unless mutually agreed to in writing by the local UFF President and the Board or University. The date of adoption shall be the date on which the changes are approved by the administrator at the highest level required under applicable policies and procedures. Any proposal to develop or modify promotion

criteria shall be available for discussion by members of the affected departments/units before adoption.

(b) The University is encouraged to review its promotion criteria at the university, college/school, or department/unit level to ensure that such criteria are consistent with each other and that they conform with the mission of the University and its various academic units.

(c) Promotion criteria shall be available in the department/unit office and or at the college/unit level.

14.3 Procedures.

(a) Recommendations for promotion shall begin with the faculty member's supervisor and shall be submitted to the appropriate officials for review. Faculty desiring to be considered for promotion may also initiate the process by nominating themselves. Prior to the consideration of the faculty member's promotion, the faculty member shall have the right to review the contents of the promotion file and may attach a brief and concise response to any material therein. It shall be the responsibility of the faculty to see that the file is complete. The provisions of Section 11.2 through 11.8 of this Agreement, regarding access to the evaluation file, shall apply also to the contents of the promotion file. If any material is added to, deleted from, or changed in the file by anyone other than the nominee after the commencement of consideration, a copy shall be sent to the faculty member within five (5) days (by personal delivery or by mail, return receipt requested). The faculty member may attach a brief response within five (5) days of his/her receipt of the added material. The file shall not be forwarded until either the faculty member submits a response or until the second five (5) day period expires, whichever occurs first.

(b) Recommendations for promotion shall include a copy of applicable promotion criteria, the faculty member's annual assignments and annual evaluations, and, if the chooses, the faculty member's promotion appraisals. The reviewers at any stage in the review may request to review the appraisals.

14.4 Notice of Denial. If any faculty member is denied promotion, the faculty member shall be notified in writing by the appropriate administrative official, within ten (10) days or as soon as possible thereafter, of that decision. Upon written request by a faculty member within twenty (20) days of the faculty member's receipt of such decision, the university shall provide the faculty member with a written statement of reasons by the President or representative.

ARTICLE 15 TENURE

15.1 Eligibility. Faculty members with the rank of Assistant Professor, Associate Professor, Professor, and other faculty members the Board may designate (such as Assistant Librarians, and Associate Librarians), shall be eligible for tenure. The university may, by rule, make Assistant Professors ineligible for tenure. The universities' rule-making power to make Assistant Professors ineligible for tenure shall apply only to faculty members appointed after January 1, 1982. Other faculty members shall be

governed by the agreement in force at the time of their original appointment. The Board may designate other positions as tenure earning and shall notify the faculty member of such status at the time of initial appointment. Tenure shall be in a department/unit or other appropriate administrative unit. Tenure shall not extend to administrative appointments in the General Faculty or Administrative and Professional classification plans.

15.2 Tenure Decision:

(a) A faculty member shall normally be considered for tenure during the sixth year of continuous service in a tenure-earning position including any prior service credit granted at the time of initial employment. A faculty member's written request for early tenure consideration is subject to the university's written agreement.

(b) By the end of six (6) years of service at the university, a faculty member eligible for tenure shall either be awarded tenure by the Board or given notice that further employment will not be offered. Upon written request by a faculty member within twenty (20) days of the faculty member's receipt of such notice, the university shall provide the faculty member with a written statement of reasons by the President or provide the faculty member with a written statement of reasons by the President or representative why tenure was not granted.

(c) Decision by the Board. The Board shall award tenure. This decision shall normally be made at the May Board Meeting but no later than the following meeting. The faculty member shall be notified in writing by the President or representative within five (5) days of the decision of the Board.

(d) A faculty member being considered for tenure prior to the sixth (6) year may withdraw from consideration on or before March 15 without prejudice.

15.3 Criteria for Tenure.

(a) The decision to award tenure to a faculty member shall be a result of meritorious performance and shall be based on established criteria specified in writing by the Board and the universities. The decision shall take into account the following:

(1) annual performance evaluations;

(2) the needs of the department/unit, college/unit, and university;

(3) the contributions of the faculty member to the faculty members' academic unit (program, department/unit, college/unit); and

(4) the contributions the faculty member is expected to make to the institution.

(b) The university shall give a copy of the criteria for tenure to faculty member eligible for tenure, and each such shall be appraised in writing once each year of the faculty member's progress toward tenure. The appraisal shall be included as a separate component of the annual evaluation and is intended to provide assistance and counseling to candidates to help them to qualify themselves for tenure. The faculty member may request, in writing, a meeting with an administrator at the next higher level to discuss concerns regarding the tenure appraisal which were not resolved in previous discussions with the evaluator. The appraisals are not binding upon the university.

(c) Tenure criteria shall be available in the department/unit office and/or at the college/unit level.

15.4 Modification of Criteria.

(a) **Modifying Criteria.** The Board may modify the criteria for tenure so long as the local UFF Chapter has been notified of the proposed changes and offered an opportunity to discuss such changes in consultation with the university President or representative. Changes in criteria shall not become effective until one (1) year following adoption of the changes, unless mutually agreed to in writing by the local UFF President and the university President or representative. The date of adoption shall be the date on which the changes are approved by the administrator at the highest level required under applicable university policies and procedures. Any proposal to develop or modify tenure criteria shall be available for discussion by members of the affected departments/units before adoption.

(b) **Effect on Faculty members.** The provisions of Section 9.3(d) are applicable to the modified criteria. Further, if a faculty member has at least three (3) years of tenure-earning credit as of the date on which the tenure criteria are adopted under Section 15.4(a), above, the faculty member shall be evaluated for tenure under the criteria as they existed prior to modification unless the faculty member notified the university at least thirty (30) days prior to commencement of the tenure consideration that he/she chooses to be evaluated under the newly-adopted criteria.

15.5 Recommendations and Procedures.

(a) **Recommendations for the awarding of tenure** shall be made by the faculty member's supervisor and shall include a poll by secret ballot of the tenured members of the faculty member's department/unit. The performance of a faculty member during the entire term of employment at the institution shall be considered in determining whether to grant tenure. Recommendations regarding tenure shall include a copy of applicable tenure criteria, the faculty member's annual assignments and annual evaluations, and, if the faculty member chooses, the faculty member's tenure appraisals. The reviewers at any stage in the review may request to review the appraisals. Prior to the consideration of the faculty member's candidacy, the faculty member shall have the right to review the contents of the tenure file and may attach a brief and concise response to any materials therein. It shall be the responsibility of the faculty member to see that the file is complete. The provisions of Sections 11.2 through 11.8 of this Agreement shall apply to the contents of the tenure file.

(b) If any material is added to the file after the commencement of consideration, a copy shall be sent to the faculty member within five (5) days (by personal delivery or by mail, return receipt requested). The faculty member may attach a brief response within five (5) days of his/her receipt of the added material. The file shall not be forwarded until either the faculty member submits a response or until the second five (5) day period expires, whichever occurs first. The only documents which may be considered in making a tenure recommendation are those contained or referenced in the tenure file.

15.6 Other Considerations.

(a) During the period of tenure-earning service, the faculty member's employment shall be governed by the provisions of Article 12.

(b) Part-time service of a faculty member employed at least one semester in any twelve (12) month period shall be accumulated. For example, two (2) semesters of half-time service shall be considered one-half year of service toward the period of tenure-earning service.

(c) Where faculty members are credited with tenure-earning service at the time of initial appointment, all or a portion of such credit may be withdrawn once by the faculty member prior to formal application for tenure.

15.7 Transfer of Tenure.

(a) A tenured faculty member may seek a transfer with tenure through the normal hiring process within the University to a vacant position in the same or similar discipline. The President or Provost may approve the transfer at her or his discretion and may consider any discrepancies in the tenure criteria in approving the transfer.

(b) When a tenured faculty member is transferred as a result of a reorganization or program curtailment within the University and is employed in the same or similar discipline in which tenure was granted, the faculty member's tenure shall be transferred to the new department.

15.8 Tenure upon appointment. Tenure may be granted to a faculty member by the Board at the time of initial appointment, upon recommendation of the appropriate administrator. The administrator shall consider the recommendation of the department or equivalent unit prior to making his/her final tenure recommendation.

15.9 Leave. Authorized leaves of absence may, under the provisions of Article 17, Leaves, be credited toward the period of tenure-earning service.

15.10 Termination/Layoff. Tenure/permanent status guarantees annual reappointment for the academic year until voluntary resignation, retirement, removal for just cause in accordance with the provisions of Article 16, Disciplinary Action and Job Abandonment, or layoff in accordance with the provisions of Article 13, Layoff and Recall, but does not extend to administrative appointments

ARTICLE 16 DISCIPLINARY ACTION AND JOB ABANDONMENT

16.1 Just Cause.

(a) The purpose of this Article is to provide a prompt and equitable procedure for disciplinary action taken with just cause. Just cause shall be defined as:

- (1) incompetence, or
- (2) misconduct.

(b) A faculty member's activities which fall outside the scope of employment shall constitute misconduct only if such activities adversely affect the legitimate interests of the University or Board.

16.2 Progressive Discipline. Both parties endorse the principle of progressive discipline as applied to professionals.

16.3 Notice of Intent. When the President or representative has reason to believe that a suspension or termination should be imposed, the President or representative shall provide the faculty member with a written notice of the proposed action and the reasons therefore. Such notice shall be sent certified mail, return receipt requested, or delivered in person with written documentation of receipt obtained. The faculty member shall be given ten (10) days in which to respond in writing to the President or representative before the proposed action is taken. The President or representative then may issue a notice of disciplinary action under Section 16.4. The faculty member has a right to union representation during the investigatory questioning that may reasonably be expected to result in disciplinary action. If the President or representative does not issue a notice of disciplinary action, the notice of proposed disciplinary action shall not be retained in the faculty member's evaluation file.

16.4 Notice of Discipline. All notices of disciplinary action shall include a statement of the reasons therefore and a statement advising the faculty member that the action is subject to Article 20, Grievance Procedure. All such notices shall be sent certified mail, return receipt requested, or delivered in person to the faculty member with written documentation of receipt obtained.

16.5 Termination. A tenured or permanent status appointment or any appointment of definite duration may be terminated during its terms for just cause. A faculty member shall be given written notice of termination at least six (6) months in advance of the effective date of such termination, except that in cases where the President or representative determines that a faculty member's actions adversely affect the functioning of the university or jeopardize the safety or welfare of the faculty, colleagues, or students, the President or representative may give less than six (6) months notice.

16.6 Disciplinary Action Other Than Termination. The Board, acting through the university, retains its rights to impose disciplinary action other than termination for just cause including, but not limited, to suspension with or without pay. Counseling, including recommendations for participation in an Employee Assistance Program, shall not be considered disciplinary action.

16.7 Job Abandonment

(a) If a faculty member is absent without authorized leave for twelve (12) or more consecutive days under the provisions of Section 17.1, the faculty member shall be considered to have abandoned the position and voluntarily resigned from the university.

(b) Notwithstanding paragraph (a), above, if the faculty member's absence is for reasons beyond the control of the faculty member and the faculty member notifies the university as soon as practicable, the faculty member will not be considered to have abandoned the position.

16.8 Employee Assistance Program. Neither the fact of a faculty member's participation in an assistance program, nor information generated by participation in the program,

shall be used as a reason for discipline under this Article, except for information relating to a faculty member's failure to participate in an employee assistance program consistent with the terms to which the faculty member and the university have agreed.

ARTICLE 17 LEAVES

17.1 Requests for Leave or Extension of Leave of One (1) Semester or More.

(a) For a leave of one (1) semester or more, a faculty member shall make a written request not less than 120 days prior to the beginning of the proposed leave.

(b) For an extension of a leave of one (1) semester or more, a faculty member shall make a written request not less than sixty (60) days before the end of the leave, if practicable.

(c) The university shall approve or deny such request in writing not later than thirty (30) days after receipt of the request.

(d) An absence without approved leave or extension of leave shall subject the faculty to the provisions of Section 16.7.

(e) A faculty member's request for use of leave for an event covered by the provisions of the Family and Medical Leave Act (FMLA) of 1993 (Public Law 103-3) shall be submitted and responded to in accordance with the provisions of Section 17.6.

17.2 Return from Leave.

(a) A faculty member who returns from an approved leave of absence with or without pay shall be returned to the same classification, unless the university and the faculty member agree in writing to other terms and conditions. The return from FMLA leave shall be in accordance with Section 17.6.

(b) The salary of a faculty member returning from leave without pay shall be adjusted to reflect all non-discretionary increases distributed during the period of leave.

17.3 Accrual During Leave with Pay. A faculty member shall accrue normal leave credits while on compensated leave in full-pay status, or while participating in the sabbatical or professional development programs. If a faculty member is on compensated leave in less than full-pay status for other than sabbaticals or professional development programs, the faculty member shall accrue leave in proportion to the pay status.

17.4 Tenure/Permanent Status Credit During Periods of Leave. Semester(s) during which a faculty member is on compensated or uncompensated leave shall not be creditable for the purpose of determining eligibility for tenure or permanent status, except by mutual agreement of the faculty and the University. In deciding whether to credit such leave toward tenure eligibility or permanent status, the President or representative shall consider the duration of the leave, the relevance of the faculty member's activities while on such leave to the faculty member's professional development and to the faculty member's field of employment, the benefits, if any, which accrue to the University by virtue of placing the faculty member on such leave, and other appropriate factors.

17.5 Holidays.

(a) A faculty member shall be entitled to observe all official holidays designated in accordance with Section 110.117, Florida Statutes. No classes shall be scheduled on holidays. Classes not held because of a holiday shall not be rescheduled.

(b) Supervisors are encouraged not to require a faculty member to perform duties on holidays; however, a required to perform duties on holidays shall have the faculty member's schedule adjusted to provide equivalent time off, up to a maximum of eight (8) hours for each holiday worked.

(c) If a faculty member who has performed duties on a holiday terminates employment prior to being given time off, the faculty member shall be paid, upon termination, for the holiday hours worked within the previous twelve (12) month period.

17.6 Family and Medical Leave Act (FMLA) Entitlements.

(a) The Family and Medical Leave Act of 1993 ("FMLA") is the common name for the Federal law providing eligible faculty members an entitlement of up to four hundred and eighty (480) hours of leave without pay for qualified family or medical reasons during a one-year period. This Act entitles the faculty member to take leave without pay; where University policies permit, faculty may use accrued leave with pay during any qualifying family or medical leave. The failure to list, define, or specify any particular provision or portion of the FMLA in this Agreement shall in no way constitute a waiver of any of the rights or benefits conferred to the employer or the faculty member through the FMLA.

(b) Implementation of FMLA Leave Entitlements in the University.

(1) A faculty member, whether salaried or paid from Other Personal Services (OPS), is entitled to four hundred and eighty (480) hours of FMLA leave within a twelve (12) month period for any qualifying family or medical leave.

(2) Pursuant to Fla. Admin. Code R 6C-5.920(13), a salaried faculty member is entitled to a parental leave for up to six (6) months in accordance with the provisions of Section 17.7, for a birth or adoption of the faculty member's child. If an eligible faculty member elects to take Parental Leave, up to four hundred and eighty (480) hours of such leave may be counted against that faculty member's FMLA entitlement.

(c) Accounting for the Use of FMLA Leave in a Twelve-Month Period.

(1) In the University, the fiscal year (July 1 - June 30) shall be the designated twelve (12)-month period in which to count the use of up to four hundred and eighty (480) hours of FMLA leave.

(2) An eligible faculty member's entitlement to leave for a birth or placement for adoption or foster care expires at the end of a twelve (12) month period beginning on the date of the birth or placement of the child.

(d) Use and Approval of FMLA Leave.

(1) The University shall approve FMLA leave for an eligible faculty member as long as the reasons for absence qualify under the FMLA and the faculty member has not exhausted the faculty member's four hundred and eighty (480) hours within the appropriate 12-month period for such leave. The faculty

member may request FMLA leave as accrued leave, leave without pay, or a combination of both.

(2) The University may require that the faculty member use accrued leave with pay prior to requesting leave without pay for four hundred and eighty (480) hours (12 workweeks) of FMLA leave. Requiring the use of paid leave shall be applied consistently and may not be used merely to exhaust the faculty member's leave balance in order to prohibit the use of paid leave while on leave without pay as provided for in Section 17.12(e).

(3) After the President or representative has acquired knowledge that the leave is being taken for an FMLA required reason, the President or representative shall within two business days, absent extenuating circumstances, notify the faculty member of the period of FMLA leave to be granted, including the date of return to employment. If the notice is oral, it shall be confirmed in writing no later than the following payday (unless the payday is less than one week after the oral notice, in which case the notice must be no later than the subsequent payday).

(e) Medical Certification.

(1) The University may require a faculty member to provide medical certification from a health care provider for FMLA leave without pay when taken for the serious health condition of the faculty member or the family member.

(2) Medical certification may be required to affirm the faculty member's ability to return to work and perform one or more of the essential functions of the job within the meaning of the Americans with Disabilities Act (ADA), after being absent on FMLA leave.

(f) Return to Position. Upon return from FMLA leave, the faculty member shall be returned to the same or equivalent position in the same class and work location, including the same shift or equivalent schedule, unless the University and the faculty member agree in writing to other conditions and terms under which such leave is to be granted.

(g) Continuation of Benefits. The use of FMLA leave by eligible faculty shall neither enhance nor decrease any rights or benefits normally accrued to salaried faculty during a leave with pay or any rights or benefits normally accrued during a leave without pay.

(h) If any provision of Section 17.6 (FMLA) is inconsistent with or in contravention of the Family Medical Leave Act of 1993, Public Law 103-3, or the Family and Medical Leave Act Regulations, 29 CFR Part 825, or any subsequently enacted legislation, then such provision shall be superseded by the laws or regulations referenced above, except to the extent that the collective bargaining agreement or any employee benefit program or plan provides greater family or medical leave rights to an eligible employee.

17.7 Parental Leave.

(a) A faculty member shall be granted a parental leave not to exceed six (6) months when the faculty member becomes a biological parent or a child is placed in the faculty member's home pending adoption; foster care is not covered under parental leave but is provided through the FMLA provisions in accordance with Section 17.6.

(b) If a faculty member plans to use a combination of accrued leave and leave without pay, such request shall include the specific periods for each type of leave requested. Use of accrued leave during an approved period of leave without pay shall be in accordance with Sections 17.11.

(c) The period of parental leave shall begin no more than two (2) weeks before the expected date of the child's arrival.

(1) The President or representative shall acknowledge to the faculty member in writing the period of leave to be granted, that such leave counts against the faculty members unused FMLA entitlements in accordance with Section 17.6 of this Agreement, and the date of return to employment.

(2) At the end of the approved parental leave and at the faculty member's request, the President or representative shall grant part-time leave without pay for a period not to exceed one (1) year, unless the President or representative determines that granting such leave would be inconsistent with the best interests of the university.

(3) Any illness caused or contributed to by pregnancy shall be treated as a temporary disability and the faculty shall be allowed to use accrued sick leave credits when such temporary disability is certified by a health care provider.

(d) Upon agreement between the faculty member and the University, intermittent FMLA leave or a reduced work schedule may be approved for the birth of the faculty member's child or placement of a child with the faculty member for adoption in accordance with Section 17.6.

17.8 Leaves Due to Illness/Injury.

Illness/Injury is defined as any physical or mental impairment of health, including such an impairment proximately resulting from pregnancy, which does not allow a faculty member to fully and properly perform the duties of the position. When an illness/injury may be covered by the Americans with Disabilities Act, the provisions of Public Law 101-336 shall apply.

(a) Sick Leave.

(1) Accrual of Sick Leave.

a. A full-time faculty shall accrue four (4) hours of sick leave for each biweekly pay period, or the number of hours that are directly proportionate to the number of days worked during less than a full-pay period, without limitation as to the total number of hours that may be accrued.

b. A part-time faculty shall accrue sick leave at a rate directly proportionate to the percent of time employed.

c. A faculty appointed under Other Personal Services (OPS) shall not accrue sick leave.

(2) Uses of Sick Leave.

a. Sick leave shall be accrued before being taken, provided that a faculty member who participates in a sick leave pool shall not be prohibited from using sick leave otherwise available to the faculty through the sick leave pool.

b. Sick leave shall be authorized for the following:

1. The faculty member's personal illness or exposure to a contagious disease which would endanger others.

2. The faculty member personal appointments with a health care provider.

3. The illness or injury of a member of the faculty member's immediate family, at the discretion of the supervisor. Approval of requests for use of reasonable amounts of sick leave for caring for a member of the faculty member's immediate family shall not be unreasonably withheld. "Immediate family" means the spouse and the grandparents, parents, brothers, sisters, children, and grandchildren of both the faculty member and the spouse, and dependents living in the household.

ARTICLE 20 GRIEVANCE PROCEDURE

20.1 Policy/Informal Resolution. The parties agree that all problems should be resolved, whenever possible, before the filing of a grievance but within the time limits for filing grievances stated elsewhere in this Article, and encourage open communications between administrators and employees so that resorting to the formal grievance procedure will not normally be necessary. The parties further encourage the informal resolution of grievances whenever possible. At each step in the grievance process, participants are encouraged to pursue appropriate modes of conflict resolution. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The procedures hereinafter set forth shall be the sole and exclusive method for resolving the grievances of employees as defined herein.

20.2 Resort to Other Procedures. It is the intent of the parties to first provide a reasonable opportunity for resolution of a dispute through the grievance procedure and arbitration process. Except as noted below, if prior to seeking resolution of a dispute by filing a grievance hereunder, or while the grievance proceeding is in progress, an employee requests, in writing, resolution of the matter in any other forum, whether administrative or judicial, the Board or the University shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure. As an exception to this provision, a grievant may file an EEOC charge while the grievance is in progress when such filing becomes necessary to meet federal filing deadlines pursuant to 42 U.S.C. § 2000e et seq. Further, since the parties do not intend that this grievance procedure be a device for appellate review, the President's response to a recommendation of a hearing officer or other individual or group having appropriate jurisdiction in any other procedure shall not be an act or omission giving rise to a grievance under this procedure.

20.3 Definitions and Forms. As used herein:

(a) The term "grievance" shall mean a dispute filed on a form referenced in Section 20.3(c) concerning the interpretation or application of a specific term or provision of this Agreement, subject to those exclusions appearing in other Articles of this Agreement.

(b) The term "grievant" shall mean the UFF, an employee or group of employees who has/have filed a grievance in a dispute over a provision of this Agreement. A grievance filed by the FAMU Chapter of UFF which alleges a violation of its rights by the University, shall be initiated at Step 2.

(c) Grievance Forms. Each grievance, request for review, and notice of arbitration must be submitted in writing on the appropriate form attached to this Agreement as Appendix "C", "D", or "E", respectively, and shall be signed by the grievant. All grievance forms shall be dated when the grievance is received. If there is difficulty in meeting any time limit, the UFF representative may sign such documents for the grievant; however, grievant's signature shall be provided prior to the Step 1 meeting or Step 2 review if filed directly at Step 2. The aforementioned grievance forms, as well as Appendix "H", may be filed by means of fax, United States mail, or any other recognized means of delivery.

20.4 Burden of Proof. In all grievances except disciplinary grievances in accordance with Article 16, Disciplinary Action and Job Abandonment, the burden of proof shall be on the employee. In disciplinary grievances, the burden of proof shall be on the university or the Board.

20.5 Representation. The UFF shall have the exclusive right to represent any employee in a grievance filed hereunder, unless an employee elects self-representation or to be represented by legal counsel. If an employee elects not to be represented by the UFF, the University shall promptly inform the UFF in writing of the grievance. No resolution of any individually processed grievance shall be inconsistent with the terms of this Agreement and for this purpose the UFF shall have the right to have an observer present at all meetings called for the purpose of discussing such grievance and shall be sent copies of all decisions at the same time as they are sent to the other parties.

20.6 Grievance Representatives. The UFF shall annually furnish to the board and University a list of all persons authorized to act as grievance representatives and shall update the list as needed. The UFF grievance representative shall have the responsibility to meet all classes, office hours, and other duties and responsibilities incidental to the assigned workload. Some of these activities are scheduled to be performed at particular times. Such representative shall have the right during times outside of those hours scheduled for these activities to investigate, consult, and prepare grievance presentations and attend grievance hearings and meetings. Should any hearings or meetings with the President, Board or their representatives necessitate rescheduling of assigned duties, the representative may with the approval of the appropriate administrator, arrange for the rescheduling of such duties or their coverage by colleagues. Such approval shall not be unreasonably withheld.

20.7 Appearances.

(a) When an employee participates during working hours in an arbitration hearing or in a grievance meeting between the grievant or representative and the University or Board, that employee's compensation shall neither be reduced nor increased for time spent in those activities.

(b) Prior to participation in any such proceedings, conferences, or meetings, the employee shall make arrangements acceptable to the appropriate supervisor for the performance of the employee's duties. Approval of such arrangements shall not be unreasonably withheld. Time spent in such activities outside regular working hours shall not be counted as time worked.

20.8 Formal Grievance Procedure.

(a) Filing.

(1) A grievance shall be filed with the Unit Head of the College, School, Institute, Library, or Housing at Step 1, or in the case of a grievance initiated at Step 2 with the Provost/President, within thirty (30) days following the act or omission giving rise thereto, or the date on which the employee knew or reasonably should have known of such act or omission if that date is later. Thirty (30) days shall be determined by a receipt executed by the office receiving the grievance, or by the date of mailing as determined by the postmark. The grievant may amend the Appendix "C" form one time, either prior to the Step 1 meeting for all grievances filed at Step 1, or prior to the Step 2 review for all grievances filed directly at Step 2.

(2) An employee may seek redress of alleged salary discrimination by filing a grievance under the provisions of Article 20. An act or omission giving rise to such a grievance may be the employee's receipt of the employee's salary warrant for the first full-pay period in which the annual salary increases referenced in Article 23 are reflected.

(3) The filing of a grievance constitutes a waiver of any rights to judicial review of agency action pursuant to Chapter 120, Florida Statutes, or to the review of such actions under University procedures which may otherwise be available to address such matters. This grievance procedure shall be the sole review mechanism for resolving disputes regarding rights or benefits which are provided exclusively by this Agreement. Only those acts or omissions and sections of the Agreement identified at the initial filing may be considered at subsequent steps.

(b) Time Limits. All time limits contained in this Article may be extended by mutual agreement of the parties, except that the time limits for the initial filing of a grievance may be extended only by agreement between the University and the UFF. Upon failure of the Board to provide a decision within the time limits provided in this Article, the grievant or the UFF, where appropriate, may appeal to the next step. Upon the failure of the grievant or the UFF, where appropriate, to file an appeal within the time limits provided in this Article, the grievance shall be deemed to have been resolved by the decision at the prior step.

(c) Postponement.

(1) The grievant may, in the written grievance at Step 1, request the postponement of any action in processing the grievance formally for a period of up to thirty (30) days, during which period efforts to resolve the grievance informally shall be made. The initial such request shall be granted. Upon the grievant's written request, additional extensions should be granted unless to do so would impede resolution of the grievance. Upon request, the Unit Head or his/her representative shall, during the postponement period(s), arrange an informal meeting between the appropriate administrator and the grievant. The grievant shall have the right to representation by the UFF during attempts at informal resolution of the grievance. The grievant may, at any time, terminate the postponement period by giving written notice to the Unit Head or his/her representative that the grievant wishes to proceed with the Step 1 meeting. If the postponement period, or any extension thereof, expires without such written notice, the grievance shall be deemed informally resolved to the grievant's satisfaction and need not be processed further.

(2) In the case of a grievance filed pursuant to the Expedited Grievance Procedure referenced in Section 20.15, the postponement period shall be no more than seven (7) days unless the employee and the university agree otherwise.

(d) Step 1.

(1) Meeting. The Unit Head or his/her representative and the grievant and the grievant's representative shall meet within fifteen (15) days following (a) receipt of the grievance if no postponement is requested, or (b) receipt of written notice that the grievant wishes to proceed with the Step 1 meeting. At the Step 1 meeting, the grievant shall have the right to present any evidence in support of the grievance, and the grievant and/or the UFF representative or the grievant's legal counsel (if selected pursuant to Section 20.5), and the Unit Head or representative, shall discuss the grievance.

(2) Decision. The Unit Head or representative shall issue a written decision, stating the reasons therefore, to grievant's Step 1 representative within thirty (30) days following the conclusion of the meeting. Thirty days shall be determined by a receipt executed by the office receiving the grievance, or by the date of mailing as determined by the postmark. In the absence of an agreement to extend the period for issuing the Step 1 decision, the grievant may proceed to Step 2 if the grievant's Step 1 representative has not received the written decision by the end of the 30th day following the conclusion of the Step 1 meeting. A copy of the decision shall be sent to the grievant and to the local UFF grievance representative if the grievant elected self-representation or representation by legal counsel.

(3) Documents. Where practicable, the Step 1 reviewer shall make available to the grievant, or grievance representative, documentation referenced in the Step 1 decision prior to its issuance. All documents referred to in the decision and any additional documents presented by the grievant shall be attached to the decision, together with a list of these documents. In advance of the Step 1 meeting, the grievant shall have the right, upon written request, to a copy of any identifiable documents relevant to the grievance.

(e) Step 2.

(1) Review. If the grievance is not satisfactorily resolved at Step 1, the grievant may file a written request for review with the President within thirty (30) days following receipt of the Step 1 decision by grievant's Step 1 representative. Thirty days shall be determined by a receipt executed by the office receiving the grievance, or by the date of mailing as determined by the postmark.

(2) Meeting. The President or representative and the representative of the grievant shall meet no later than thirty (30) days following receipt request review. At the Step 2 meeting, the grievant shall have the right to present any evidence in support of the grievance, and the grievant and/or the UFF representative or the grievant's legal counsel (if selected pursuant to Section 20.5).

(3) Decision. The President or his/her representative shall issue a written decision, stating the reasons therefore, to grievant's Step 2 representative within thirty (30) days following the conclusion of the review meeting. Thirty days shall be determined by a receipt executed by the office receiving the grievance, or by the date of mailing as determined by the postmark. In the absence of an agreement to extend the period for issuing the Step 2 decision, the UFF may proceed to Step 3 if the grievant's Step 2 representative has not received the written decision by the end of the 30th day following the conclusion of the Step 2 meeting. A copy of the decision shall be sent to the grievant and to the UFF if the grievant elected self-representation or representation by legal counsel.

(f) Step 3 Arbitration.

(1) Filing. If the grievance has not been satisfactorily resolved at Step 2, the UFF may, upon the request of the grievant, proceed to arbitration by filing a written notice of the intent to do so. Notice of intent to proceed to arbitration must be filed with the Provost or representative within thirty (30) days after receipt of the Step 2 decision by grievant's Step 2 representative and shall be signed by the grievant and the State UFF President or representative, or State UFF Director of Arbitrations. Thirty days shall be determined by a receipt executed by the office receiving the grievance, or by the date of mailing as determined by the postmark. The grievance may be withdrawn at any time by the grievant or by the UFF President or Director of Arbitrations at any point during Step 3. The parties shall stipulate to the issue(s) prior to the arbitration. In the event a stipulation is not reached, the parties shall proceed to a hearing on arbitrability pursuant to Section 20.8(f) (4).

(2) Selection of Arbitrator. Representatives of the University and the UFF shall meet within ninety (90) days after the execution of this Agreement for the purpose of selecting an Arbitration Panel of ten (10) or more members. Within fourteen (14) days after receipt of a notice of intent to arbitrate, representatives of the Board and the UFF shall meet for the purpose of selecting an arbitrator from the Panel. Selection shall be by mutual agreement or by alternately striking names from the Arbitration Panel list until one name remains. The right of the first choice to strike from the list shall be determined by the flip of a coin. If the parties are unable to agree to a panel of arbitrators, they shall follow the normal American Arbitration Association procedure for the selection of an arbitrator. The parties may mutually select as the arbitrator an individual who is not a member of

the Arbitration Panel. The arbitration shall be held within sixty (60) days following the selection of the arbitrator.

(3) Authority of the Arbitrator.

a. The arbitrator shall neither add to, subtract from, modify, or alter the terms or provisions of this Agreement. Arbitration shall be confined solely to the application and/or interpretation of this Agreement and the precise issue(s) submitted for arbitration. The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of the issues submitted.

b. Where an administrator has made a judgment involving the exercise of discretion, such as decisions regarding tenure or promotion, the arbitrator shall not substitute the arbitrator's judgment for that of the administrator. Nor shall the arbitrator review such decision except for the purpose of determining whether the decision has violated this Agreement. If the arbitrator determines that the Agreement has been violated, the arbitrator shall direct the university to take appropriate action. An arbitrator may award back salary where the arbitrator determines that the employee is not receiving the appropriate salary from the university, but the arbitrator may not award other monetary damages or penalties. If notice that further employment will not be offered is not given on time, the arbitrator may direct the university to renew the appointment only upon a finding that no other remedy is adequate, and that the notice was given so late that (a) the employee was deprived of reasonable opportunity to seek other employment, or (b) the employee actually rejected an offer of comparable employment which the employee otherwise would have accepted.

c. An arbitrator's decision awarding employment beyond the sixth year shall not entitle the employee to tenure. In such cases the employee shall serve during the seventh year without further right to notice that the employee will not be offered employment thereafter. If an employee is reappointed at the direction of an arbitrator, the President or representative may reassign the employee during such reappointment.

(4) Arbitrability. Issues of arbitrability shall be bifurcated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) days from the hearing to render a decision on arbitrability. If the issue is judged to be arbitrable, an arbitrator shall then be selected to hear the substantive issue(s) in accordance with the provisions of Section 20.8(f) (2).

(5) Conduct of Hearing. The arbitrator shall hold the hearing in Tallahassee, unless otherwise agreed by the parties. The hearing shall commence within twenty-five (25) days of the arbitrator's acceptance of selection, or as soon thereafter as is practicable, and the arbitrator shall issue the decision within forty-five (45) days of the close of the hearing or the submission of briefs, whichever is later, unless additional time is agreed to by the parties. The decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. Arbitration Code, Chapter 682, Florida Statutes, shall not apply. Except as modified by the provisions of this Agreement, arbitration

proceedings shall be conducted in accordance with the rules and procedures of the American Arbitration Association.

(6) Effect of Decision. The decision or award of the arbitrator shall be final and binding upon the Board, the UFF, and the grievant, provided that either party may appeal to an appropriate court of law a decision that was rendered by the arbitrator acting outside of or beyond the arbitrator's jurisdiction, pursuant to Section 682.13, Florida Statutes.

(7) Venue. For purposes of venue in any judicial review of an arbitrator's decision issued under this agreement, the parties agree that such an appeal shall be filed in the courts in Leon County, Florida, unless both parties specifically agree otherwise in a particular instance. In an action commenced in Leon County, neither the Board nor the UFF will move for a change of venue based upon the defendant's residence in fact if other than Leon County.

(8) Fees and Expenses. All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. The party desiring a transcript of the arbitration proceedings shall provide written notice to the other party of its intention to have a transcript of the arbitration made at least one week prior to the date of the arbitration. The party desiring such transcript shall be responsible for scheduling a stenotype reporter to record the proceedings. The parties shall share equally the appearance fee of the stenotype reporter and the cost of obtaining an original transcript and one copy for the party originally requesting a transcript of the proceedings. The requesting party shall, at its expense, photocopy the copy of the transcript received from the reporter and deliver the photocopy to the other party within five days after receiving the copy of the transcript from the reporter.

(9) Retroactivity. An arbitrator's award may or may not be retroactive as the equities of each case may demand, but in no case shall an award be retroactive to a date earlier than thirty (30) days prior to the date the grievance was initially filed in accordance with this Article.

20.9 Filings and Notification. With the exception of Step 1 and Step 2 decisions, all documents required or permitted to be issued or filed pursuant to this Article may be transmitted by fax, United States mail, or any other recognized delivery service (note: e-mail is not an acceptable form of delivery). Step 1 and Step 2 decisions shall be transmitted to the grievant's representative(s) by personal delivery with written documentation of receipt or by certified mail, return receipt requested. In the event that any action falls due on a Saturday, Sunday, or holiday (as referred to in Section 17.5), the action will be considered timely if it is accomplished by 5:00 P.M. on the following business day.

20.10 Precedent. No complaint informally resolved, or grievance resolved at either Step 1 or 2, shall constitute a precedent for any purpose unless agreed to in writing by the Provost or representative and the UFF acting through its President or representative.

20.11 Processing.

(a) The filing or pendency of any grievance or arbitration proceedings under this Article shall not operate to impede, preclude, or delay the Board from taking the action complained of. Reasonable efforts, including the shortening of time limits when practical, shall be made to conclude the processing of a grievance prior to the expiration of the grievant's employment, whether by termination or failure to reappoint. An employee with a pending grievance will not continue to be compensated beyond the last date of employment.

(b) The Provost/ President, or representative, may refuse consideration of a grievance not filed or processed in accordance with this Article.

20.12 Reprisal. No reprisal of any kind will be made by the Board, University, or the UFF against any grievant, any witness, any UFF representative, or any other participant in the grievance procedure by reason of such participation.

20.13 Records. All written materials pertinent to a grievance shall be filed separately from the evaluation file of the grievant or witnesses, except decisions resulting from arbitration or settlement.

20.14 Inactive Grievances. A grievance which has been filed at Step 2 or Step 3 and on which no action has been taken by the grievant or the UFF for ninety (90) days shall be deemed withdrawn and resolved in accordance with the decision issued at the prior Step.

20.15 Expedited Grievance Procedure for Conflict of Interest (Section 19.5).

(a) A grievance alleging a violation of Article 19 shall be heard at Step 1 by the President or representative no more than seven (7) days after it has been filed. The President or representative shall issue a Step 1 decision no more than seven (7) days after the Step 1 meeting.

(b) A request for review of the Step 1 decision shall be filed using Appendix "D", no more than seven (7) days following the receipt of the Step 1 decision. The Step 2 meeting shall be held no more than seven (7) days after the receipt of Appendix "D", and the Step 2 decision shall be issued no more than seven (7) days after the meeting.

(c) A request for arbitration using Appendix "E" shall be filed within fourteen (14) days after receipt of the Step 2 decision. An arbitrator shall be selected by the parties no more than fourteen (14) days following the receipt of the Appendix "E". The arbitrator shall issue a memorandum of decision within seven (7) days following the conclusion of the arbitration, to be followed by a written opinion and award in accordance with Section 20.8(f)(5).

(d) The parties shall establish a panel of three (3) experienced arbitrators to hear a grievance filed in accordance with this Section.

FLORIDA A & M UNIVERSITY AND UNITED FACULTY OF FLORIDA EXCLUSIVE ASSIGNMENT DISPUTE RESOLUTION PROCEDURE

H.1 Exclusive Method

(a) The Florida A & M University and the United Faculty of Florida agree to the following procedure as the exclusive method of resolving disputes under Section 9.3 of the Agreement which allege that an employee's assignment has been imposed arbitrarily or unreasonably.

(b) An employee who alleges that the assignment has been imposed arbitrarily or unreasonably may file a grievance under Article 20 of the FAMU/UFF Agreement only to enforce the exclusive Assignment Dispute Resolution (ADR) procedure delineated below, not to seek a determination as to whether an assignment has been arbitrarily or unreasonably imposed.

H.2 Time Limits

(a) The dispute shall not be processed unless it is filed within thirty (30) days after the receipt of the assignment by the employee. If the employee's assignment begins prior to final resolution of the dispute, the employee shall perform the assignment until the matter is finally resolved under these procedures.

(b) All time limits contained herein may be extended by mutual agreement of the university and the UFF representative. Upon failure of the employee's UFF representative to comply with the time limits herein, the dispute shall be deemed to have been finally determined at the prior step.

(c) All references to "days" herein refer to "calendar days." The "end of the day" shall refer to the end of the business day, i.e., 5:00 p.m.

H.3 Assignment Dispute Resolution Procedures

(a) An employee who believes that the assignment has been imposed arbitrarily or unreasonably shall, within thirty (30) days after receipt of the assignment, file Part 1 of the ADR Form with the individual responsible for making the assignment. The filing of the ADR Form shall be accompanied by a brief and concise statement of the employee's arguments, and any relevant documentation supporting the employee's position. This documentation shall be placed in a file entitled "Employee's Assignment Dispute Resolution File," which shall be kept separate from the employee's personnel evaluation file. Additional documentation shall not be considered in the ADR process except by agreement of the President's representative unless it is documentation that the employee requested from the university prior to the conference held pursuant to (b) below, but did not receive before such conference.

(b) Within four (4) days of receipt of the ADR Form, the individual responsible for making the assignment shall meet with the employee and discuss the dispute. Within twenty-four (24) hours after this conference, such individual shall complete Part 1 of the ADR Form and deliver it to the employee.

(c) If the employee continues to be aggrieved following the initial conference, the employee shall file the ADR Form, with Part 1 completed, with the Dean or other appropriate administrator no later than four (4) days after the initial conference.

(d) The UFF representative shall schedule a meeting with the Dean or other appropriate administrator to be held no later than four (4) days after filing the ADR Form with the Dean or other appropriate administrator. At this meeting, the employee, the UFF representative, and the Dean or appropriate administrator shall discuss the dispute and attempt to resolve it. Within twenty-four (24) hours

after the conclusion of this meeting, the Dean or appropriate administrator shall complete Part 2 of the ADR Form and deliver it to the UFF representative.

(e) If consultation with the Dean or appropriate administrator does not resolve the matter, the UFF representative may file, within four (4) days of that meeting, Part 3 of the ADR Form (with supporting documentation) with the President's representative, indicating an intention to submit the dispute to a Neutral Umpire.

(f) Within seven (7) days of receipt of the completed ADR Form and other documentation, the President's representative may place a written explanation, brief statement of the University's position, a list of expected witnesses, and other relevant documentation in the employee's ADR File. As soon as practicable thereafter, a copy of all documents placed in the employee's ADR File shall be presented to the UFF representative, who shall place a list of the employee's expected witnesses into the file.

(g) At the time that the completed ADR Form is submitted to the President's representative, the UFF representative shall schedule a meeting with the President's representative for the purpose of selecting a Neutral Umpire from the Neutral Umpire Panel. This meeting shall be scheduled for no later than seven (7) days after filing of the completed ADR Form. Selection of the Neutral Umpire shall be by mutual agreement or by alternatively striking names from the Neutral Umpire Panel list until one name remains. The right of first choice to strike from the list shall be determined by the toss of a coin. The right to strike first shall alternate in any subsequent Neutral Umpire selection.

(h) The President's representative shall contact the selected Umpire no later than three (3) days following the selection. Should the Umpire selected be unable to serve, the President's representative shall contact the UFF representative as soon as practicable and schedule another selection meeting.

(i) Upon the agreement of the Neutral Umpire to participate, the President's representative shall provide the Umpire with the employee's ADR File.

(j) The ADR Meeting shall be scheduled as soon as practicable after the Neutral Umpire has received the employee's ADR File. The President's representative shall notify the UFF representative of the time and place of the ADR Meeting no later than forty-eight (48) hours prior to it being convened.

(k) No person concerned with or involved in the assignment dispute shall attempt to lobby or otherwise influence the decision of the Umpire.

(l) The ADR Meeting shall be conducted as follows:

(1) The employee, or a UFF representative, and a representative of the President shall be the sole representatives of the parties. Each representative may present documentary evidence from the employee's ADR File, interrogate witnesses, offer arguments, cross-examine witnesses, and have present at the meeting one individual to assist in the presentation of the representative's case.

(2) The Neutral Umpire will conduct and have total authority at the ADR Meeting. The Neutral Umpire may conduct the ADR Meeting in whatever fashion, consistent with this Agreement, that will aid in arriving at a just decision.

(3) The Umpire shall submit to all parties on Part 4 of the ADR Form within forty-eight (48) hours after the close of the ADR Meeting a written, binding decision as to whether the assignment was imposed arbitrarily or unreasonably. The decision shall include the reasons for the Umpire's determination.

(4) If the Umpire decides that the employee's assignment was imposed arbitrarily or unreasonably, the Umpire may also suggest an appropriate remedy. This suggestion is not binding on the university but shall be used by the President or President's designee in fashioning an appropriate remedy.

H.4 Neutral Umpire Panel

(a) The President's representative and the UFF representative shall meet within two (2) weeks of the ratification of this Agreement for the purpose of selecting an odd-numbered Neutral Umpire Panel. The Panel shall consist of no less than five (5) and no more than nine (9) individuals, not employed by the University, who meet the following qualifications:

- (1) familiarity with academic assignments;
- (2) an ability to serve as Neutral Umpire on short notice;
- (3) a willingness to serve on the Panel for one academic year; and
- (4) acceptability to both the University and the UFF.

(b) The President's representative and the UFF representative are encouraged to select educators from other non-University institutions in the area, fully retired faculty and administrators, and professional mediators and arbitrators, to be on the Neutral Umpire Panel. In the event the parties cannot reach agreement on Panel membership, a representative of the Board and a UFF member holding a statewide office or position shall select the Panel.

(c) Panel membership may be reviewed, at the initiation of the University or the UFF, through written notice provided before the end of the preceding fiscal year.
