President Bryant will assign staff to each Board Member as deemed necessary and appropriate.  

Trustee Chair Lowe read Resolutions of Tribute for Outstanding Service to retiring Board Chair James Corbin and Trustee Randy Hanna. They received a standing ovation. The President’s Report followed.

Presentations by Williams, Rosser and Akin (WRG) and Turner Construction Company were made for the Multipurpose Center and Teaching Gymnasium. However, before a decision can be reached, additional information regarding Capital Outlay decisions will be re-visited by the Board.
A discussion on a Visionary session for the Board of Trustees was held. Trustee Branker will provide leadership in selecting a facilitator.

President Bryant stated that the schedule for Board Meetings is incomplete, but asked that the Board meet in June instead of May in order that the Board may receive the end of the year budget report.

Information Items in Board Packets included a Federal Legislative Update and a State Legislative Update. With regards to the State appropriations and University payment of external lobbyists, much discussion ensued. President Bryant agreed to submit the information to the Board as soon as possible.
