The meeting was called to order at 1:02 p.m. by Committee Vice-Chair Kelvin Lawson. Ms. Angie Wiggins called the roll, and the following committee members were present: Committee Chair Belinda R. Shannon (telephonically), Trustee Rufus Montgomery, and Trustee Marjorie Turnbull. A quorum was established.

Review and Approval of the March 5, 2014, Committee Minutes
The Committee reviewed the minutes from the March 5, 2014, Direct Support Organization (DSO) Committee Meeting. Trustee Turnbull moved approval of the minutes, and the motion was seconded by Trustee Montgomery. The motion carried.

Review and Approval of Changes to Spending Policy
The Vice President for University Advancement, Dr. Thomas Haynes, presented to the DSO Committee changes to the FAMU Foundation Spending Policy. The Foundation proposes to adopt a three-year rolling quarterly average market value approach to calculating annual endowment distributions; to reduce the Foundation’s administrative fee from 2.00% to 1.75%; and, to increase the annual distribution (spending) rate from 3.50% to 4.00%.

Vice-Chair Lawson offered a motion to accept the recommended changes to the FAMU Foundation Spending Policy, and to recommend it to the Board for approval. The motion was moved by Chair Shannon, and seconded by Trustee Montgomery. The Committee motioned to accept the recommended changes as presented and unanimously voted to recommend it to the Board for approval.

Use of the Tookes Center for the President’s Inaugural Gala
Vice President Haynes presented a request to allow alcoholic beverages to be served at the Tookes Center for the President’s Inaugural Gala on October 3, 2014. Pursuant to FAMU Board of Trustees Regulation 3.021, no alcoholic beverages may be possessed, served, sold, consumed or distributed at the University except in FAMU Designated Areas. The Tookes Center is not currently a FAMU-Designated Area for the serving of alcohol.

Vice-Chair Lawson offered a motion to accept the request to serve alcoholic beverages at the Tookes Center for the President’s Inaugural Gala, and to recommend it to the Board for approval. The motion was moved by Trustee Turnbull, and seconded by Chair Shannon. The Committee motioned to accept the recommended changes as presented and unanimously voted to recommend it to the Board for approval.

Approval of DSO Budgets

FAMU Foundation Budget
Vice President Haynes presented highlights of the Foundation’s Budget. This budget is designed to support the University’s performance of Metric #1 by providing scholarship funding to increase recruitment, retention and graduation.
Material Changes from FY2013-14 are projected real estate income, salary increase (filling two positions: accounting coordinator, and senior accountant for scholarship accounting and donor reporting), and University support. The net change is a result of anticipated rent.

FY2014-15 – provide maximum scholarship support; provide President with resources to use for expenses in place of E&G funds, and provide fundraising dollars in support of the strategic plan. The Committee motioned to accept the budget as presented and unanimously voted to recommend it to the Board for approval.

Vice-Chair Lawson offered a motion to accept the Foundation Budget as presented, and to recommend it to the Board for approval. The motion was moved by Trustee Turnbull, and seconded by Chair Shannon. The motion passed.

National Alumni Association (NAA) Budget
Vice President Haynes presented highlights of the NAA’s Budget. This budget is in support of University Metric #1: Recruitment, Retention, and Graduation. This is mainly in terms of student recruitment, alumni chapter development and stewardship; fundraising, and government relations.

A major change on the revenue side is $55,000 due to an increase in Life Memberships. Life members increased from 50 to 100, and regular membership increased from 1330 to 1500.

Vice-Chair Lawson offered a motion to accept the NAA’s Budget as presented, and to recommend it to the Board for approval. The motion was moved by Chair Shannon, and seconded by Trustee Montgomery. The Committee unanimously voted to accept the budget as presented and to recommend it to the Board for approval.

Rattler Boosters Budget
Vice President Haynes reported as of August 31, 2014 Mr. Mickey Clayton has officially retired as a University employee. Vice President Haynes further stated he had been made aware the Rattler Boosters Board of Directors intends to continue Mr. Clayton’s services as a contract employee. The President is currently reviewing the Executive Director’s position as a part of the restructuring strategy.

Vice President Haynes presented two material changes:

1. The first is in projected revenue – The projected revenue this year is $409,000 versus $589,000 in the 2013-14 actual budget. The Boosters is showing a net difference in the 2014-15 year budget of $79,500. This net change is the result of projected revenue lost from sponsorship revenue that would have come from hosting the Rattler radio and TV shows. These two shows are now being produced by the Athletic Department.

2. The second material change is in the salaries and taxes expense section of the budget. The actual salaries/taxes last year was $53,972. It is projected the new expenses will be $121,500. The increase in this item reflects covering the cost of contractual services for Mr. Clayton. Trustee Shannon asked Dr. Haynes to share more why the contracted services amount has more than doubled the regular salaries amount. Dr. Haynes advised that since Mr. Clayton is no longer a university employee, that amount
includes the salary that will cover Mr. Clayton’s salary as a contract worker plus the current Booster personnel.

Trustee Turnbull asked if Mr. Clayton was on “drop”, has retired, and is now being rehired in this capacity. Dr. Haynes provided clarification that he is not rehiring Mr. Clayton; the Boosters Board of Directors is hiring him as a contract worker. Trustee Turnbull further inquired if Mr. Clayton is assuming the same responsibilities he had when he was an employee. Dr. Haynes advised that the President has the right to determine who the executive director is. There is currently an executive director line vacated that the President will decide who occupies the executive director’s line. Trustee Turnbull asked Dr. Haynes if Mr. Clayton will continue once the executive director’s hired, or will he be interim? Dr. Haynes stated that until the President decides how that organization will be restructured, it is his intent to continue running the organization as is. He will allow Mr. Clayton as a contract worker to continue to operate in the executive director’s role until the President has hired an executive director or restructured the athletic program. Dr. Haynes stated to make changes at this time would be very disruptive.

Vice-Chair Lawson offered a motion to accept the NAA’s Budget as presented, and to recommend it to the Board for approval. The motion was moved by Trustee Montgomery, and seconded by Chair Shannon. The Committee voted unanimously to accept the budget as presented and to recommend it to the Board for approval.

**Review and Approval of Recommended Changes to Naming Policy**

During the March 2014 Board of Trustees DSO Meeting, the Committee was presented recommendations for changes to the Naming Opportunities Policy. The rationale for the recommendation was to update the policy to do the following:

- provide more flexibility in negotiating the naming of facilities, programs and spaces;
- to take advantage of new and potential opportunities for which the old policy did not provide; and
- provide additional clarity around naming conditions and the removal of names.

Upon the recommendation of the DSO Committee at the March 5th meeting, the Board of Trustees approved the policy up to Item VI: Duration and Modification of Namings. The Board requested that staff present Section VI to the FAMU Foundation Board for advisement and an opportunity for input.

The document, which included comments and revisions to Section VI provided by the FAMU General Counsel’s Office, was approved by the FAMU Foundation Board during its Spring General Session on April 25, 2014.

The FAMU Foundation Board voted unanimously to accept the revised version of the Board of Trustees’ Policy Number: 2008-05 - NAMING OPPORTUNITIES Section VI, and recommended that the section be approved by the Board of Trustees.

Vice-Chair Lawson offered a motion to accept the recommended changes to the Naming Policy as presented, and to recommend it to the Board for approval. The motion was moved by Trustee Turnbull, and seconded by Trustee Montgomery. The Committee voted unanimously accept the recommended changes as presented and to recommend it to the Board for approval.

**Update on Divisional Activities**

**Dr. Haynes presented updates on University Advancement & BOT Goals:**

- Introduced and recognized the innovative efforts of Mrs. Cecka Green, a FAMU alumna who stepped to the plate on social media and initiated the 10for$10 Challenge to fellow alumni and supporters of FAMU. Now into week three of the challenge, the campaign has already received over 2,700 gifts, and donations are now exceeding $90,000.

  - Mrs. Green said she engaged the model and made it FAMU's own to foster a spirit of philanthropy. With all of the challenges on social media, she thought she could come up with a challenge that would make a difference for the University. She decided she would give $10 and challenge 10 of her FAMU alum friends to give $10 within 24 hours. She announced the university is at $90,000, and is on the way to a million dollars by the national alumni convention in May of next year. She is optimistic the challenge is moving toward a quarter of a million dollars by the inauguration. She intends to keep the challenge moving and hopes the university will take the model, engage it and make it their own, and possibly make it an annual campaign.

  - Trustee Montgomery applauded what Mrs. Green is doing, and informed her he wanted to add to the challenge by adding a zero to a challenge he would issue to members of the Board. The challenge would involve $100 today and $100 for a 12-month period. Trustee Montgomery accepted the challenge and “called out” the following Board members to follow with the $100 for 12-month challenge: Trustees Turnbull, White, Shannon, McWilliams, Alston, Lawson, Moore, Boyce, and Warren. He requested that in line with the challenge, those Board members solicit 10 on their own at $100 for 10.

- In regard to the Division’s Strategic Goal 4.1: Enhance Institutional Fundraising, and its assigned goal of $5.5M, Dr. Haynes presented several strategies designed to move fundraising toward the $5.5M goal.

  - Hire a Director of Annual Giving to provide more focused oversight of the Annual Giving Programs. He introduced Ms. Diane Jefferson as a new staff person.
  - Deploy a Comprehensive Annual Fund Plan engaging the NAA, corporations and foundations, fans, friends and major gift prospects in an integrated/multi-channel campaign, and hire additional students to help with social media.
  - Establish University-wide development participation by implementing fundraising strategies tailored to the unique priorities and needs of each school, college and athletics with targeted goals.
  - Provide to each school, college and athletics a fundraising appropriation to supplement efforts.
  - Identify and acknowledge specialty license plate owners.
  - Reengineer the phon-a-thon program to support segmented fundraising of alumni for all units. This year, will conduct a phon-a-thon by schools and colleges (funds will go to schools and colleges) different from what has been done in the past.

- Giving by constituencies is currently at 81.20% versus 38.28% this time last year. Dr. Haynes reported out there is a tremendous jump in funds and donors due to the excitement around the new season; the President
and staff traveling around the country, alumni giving back more now than in the past, the ‘10 for $10 Challenge’, and an engaged President who has been fundraising.

**Dr. Haynes presented several Foundation updates:**

- A draft of a Memorandum of Understanding (MOU) was presented. The goal is to add more structure to clearly define the role and relationship of the Foundation and University. Once the MOU has been fully vetted, it will be sent back to the full Board of the Foundation for a vote; it will then come back to the Board of Trustees for final approval.
- The FAMU Foundation’s Board of Directors Meeting will be held in Orlando in November 2014.
- The annual financial audit is complete; a new Assistant Director of Accounting has been hired, and the Foundation staff is working with CBRE Inc. to build out and market commercial space in the Foundation building.
- A history and status report on the FAMU collegiate license plate revenue was presented. The Committee was advised that 75% of the revenues support fundraising, and 25% support scholarships. Since the Board’s approval in 2010-11, the University tag program has generated over 1.3M in revenue. From the 1.3M, over 1M was invested in fundraising. As a result, the University has raised over 4M to support the scholarship program.
- Fiscal Year-to-Date total investment portfolio returns of 16.14% outperformed both the portfolio’s composite benchmark returns of 15.35%, and the portfolio’s investment goal of 8.50% for the 12 months that ended June 30, 2014.

**Several updates were presented for the Office of Alumni Affairs (OAA):**

- Staff participated in the National Alumni Association’s (NAA) Annual Conference held May 2014 in Louisville, KY. $100,000 was generated in cash and pledges.
- Staff also participated in the NAA’s Northeast Region’s 50th Anniversary Regional Conference held August 2014 in Elizabeth, NJ.
- OAA conducted a series of welcome receptions to introduce President Elmira Mangum to the Rattler nation.
- The Rattler Boosters organization is currently undergoing review by the President to determine the appropriate organizational structure. The plan is currently to leave the structure and budget in place while the reconstruction is being completed.

There being no further business, the meeting adjourned at 1:54 p.m.

Subject: Approval of Amendments to the FAMU Foundation Bylaws

Rationale: The changes to the Bylaws are from a series of amendments that the FAMU Foundation Board approved during the Fall 2013 Board of Directors Meeting. In accordance with the FAMU Internal Management Memorandum for DSOs, the FAMU Board of Trustees is required to approve changes to the Bylaws.

On November 23, 2013, the FAMU Foundation Board of Directors approved a total of eight amendments to the FAMU Foundation, Inc., Bylaws. The first five (5) amendments were changes in language to existing sections of the bylaws; the remaining three (3) amendments are entire sections that were added to the bylaws. Since there is not a conflict between these amendments, the MOU, nor the IMM agreement, resolutions are not required.

Amendments with Language Changes:

1. Article I, Section 3: Voting Privileges of Emeritus Board Members. The board updated this provision with new language to specify that Emeritus Board Members may be listed on Board stationery documents and on all Board programs.

Old Language:
Any incumbent, deceased or former Board member who has made an exceptional contribution to the progress and welfare of the University and has served with distinction and devotion as a Director for ten (10) years or more may be considered for designation by the Board as an Emeritus Board Member. Emeritus Directors are welcome to attend all meetings and special events of the Board of Directors. They may participate in discussions but will not be entitled to vote with the full Board. Any incumbent Emeritus Board member can request to be considered for Emeritus recognition.

2. **Article I, Section 7: Resignation or Leave of Absence.** The board updated this provision with new language to specify terms by which a member can request and obtain approval for a leave of absence. This provision also states that no more than 10% of the authorized membership of the Board may be granted a leave of absence at any one time.

**Old Language:**
An elected director may resign at any time by submitting a written resignation to the Chair of the Foundation with a copy to the Secretary. When business or personal matters make it difficult for a Board member to meet their commitment, a leave of absence may be granted excusing a member from attending the meetings of the Board for a specified length of time. A member may take a leave of absence of up to four months during a four-year term and the Leave of Absence request must be approved by the Board.

**New Language:**
A director may resign at any time by submitting a written resignation to the Chair of the Foundation with a copy to the Secretary. A director may take a leave of absence for a period of time not to exceed two months during a four-year term at any time by submitting a written leave request to the Chair of the Foundation with a copy to the Secretary. The Board shall have the absolute discretion to grant or deny such request, however, such request may only be based on medical illness of the director or bereavement due to the loss of an immediate family member.

3. **Article I, Section 8: Removal of Members.** The board updated this provision with new language to specify the process to remove an elected Director. It requires a majority vote of the full Board.

**Old Language:**
Notwithstanding any other provision of these Bylaws, an elected director may be removed with or without cause by a majority vote of the Board.

BOARD OF DIRECTORS

Section 1. **Number, Qualifications, Terms of Office and Manner of Selection/Election**

The number, qualifications, terms of office and manner of selection/election of the Board of Directors of the Foundation shall be as follows:

(a) There shall be a minimum of fourteen (14), but not more than thirty-one (31) elected directors, selected in the manner prescribed in these Bylaws, and the ex-officio directors provided in this section. The members of the Board of Directors shall constitute the voting members of the Foundation.

(b) The President of the University, President of the National Alumni Association, Director of Alumni Affairs and the Chair of the Board of Trustees or their designee shall be members of the Board of Directors by virtue of their positions. Individuals serving in the aforementioned positions will serve as long as he or she holds the office or the position, or the designating individual holds the office or position, which resulted in his or her placement on the Board of Directors. Any vacancies in the aforementioned positions will be filled for the unexpired portion in the manner provided for the appointment.

(c) The term of office of elected members of the Board of Directors shall be four (4) years in length. Directors may be re-elected for additional terms. After serving two consecutive terms, the Director shall be eligible for re-election after showing a desire for continued membership in writing. Vacancies occurring during a term shall be filled for the unexpired portion thereof in the manner provided for the election of directors. All directors shall hold office until the expiration of their term and until their successors have been elected or until death, resignation or removal.

(d) The terms of office of elected directors shall be staggered so that the Board of Directors shall elect approximately seven (7) members to the Board annually, provided that the total number of directors does not exceed thirty-one (31) persons.
Section 2. Meetings

(a) The Board of Directors shall meet semi-annually. The time and place shall be determined by the Chair of the Board. At the last Board of Directors meeting during the calendar year, the Board shall elect directors as provided for in the Articles of Incorporation and Bylaws and shall transact such other business as may be brought before the Board.

(b) Special meetings of the Board of Directors must be called by Chair or by a petition of three-fourths (3/4) of the current directors. At the discretion of the Chair a special meeting shall be held at any time and place designated by the Chair of the Board of Directors.

(c) One-third (1/3) of the current membership shall constitute a quorum at any meeting of the Board of Directors. All questions shall be determined by majority vote of the quorum present. A majority of all members of the Board of Directors, however, must concur in the following:

(i) Amendments to the Bylaws; and

(ii) Amendments to the Articles of Incorporation.

(d) Notice of meetings shall be communicated by the Secretary to the directors not less than thirty (30) days preceding any meeting except special meetings as defined in section 2b.

(e) The Chair, or in the Chair’s absence, the Vice-Chair, shall preside over all meetings of the Board of Directors. In the absence of both the Chair and Vice-Chair, the Board may appoint any member present to act as chair. The Secretary of the Foundation shall act as secretary of all of the meetings of the Board of Directors, but in the event of the secretary’s absence, the presiding officer may appoint any member present to act as secretary of the meeting.

(f) A director is authorized a maximum of two unexcused absences in a two-year period. Any director exceeding this limit may forfeit his or her position on the Board of Directors. A final vote on the removal of a director will be by a majority vote of the Executive Committee. All excused absences must be granted by the Chair of the Board of Directors.
(g) Actions of the Board or its Committees may be taken by a majority of the members of the Board or its Committee, individually or collectively consenting in writing or by telephone conference to the actions. In writing or by telephone includes facsimile, telegraph, electronic transmission (such as email), satellite broadcast, or any other electronic means. The written consent(s) will be filed with the minutes of the proceedings of the Board or Committee. Action by written consent will have the same force and effect as action by voice vote of the Board or its Committees. Any certificate or other document filed under any provision of law which relates to an action taken without a meeting will state that the action was taken by written consent of a majority of the Board or its Committees without a meeting, and that the Bylaws of the Foundation authorize the Board and its Committees to act without a meeting as described in this section.

Section 3. Emeritus Board Members

Any incumbent, deceased or former Board member who has made an exceptional contribution to the progress and welfare of the University and has served with distinction and devotion as a Director for ten (10) years or more may be considered for designation by the Board as an Emeritus Board Member. Emeritus Directors are welcome to attend all meetings and special events of the Board of Directors and may be listed on Board stationery, documents and printed programs.

Section 4. Honorary Board Members

Individuals whose achievements characterize them as a person whose name may lend further distinction to the Foundation may be nominated for honorary membership on the Board of Directors. These persons may be recommended by members of the Board, reviewed and nominated by the Nominating Committee, and voted upon by the full Board of Directors. Honorary members may serve for a term of four (4) years. Membership may be renewable upon unanimous vote by a quorum of the Board members at any annual meeting or other meeting called for such purpose.
Honorary membership will entitle the individual to be listed on Board stationery and documents, as well as Board programs; however, honorary membership does not entitle honorary members to voting privileges. Attendance at Board meetings will not be required.

Section 5.  Advisory Board Members

Advisory members are individuals whose achievements and business acumen characterize them as persons qualified to actively advise the Foundation Board as well as recommend prospective individuals or donors through corporations that may lend further distinction to the Foundation. These persons may be recommended by members of the Board, reviewed and nominated by the Nominating Committee, and voted upon by the Board of Directors. Advisory members may serve for a term of four (4) years. Membership may be renewable upon unanimous vote by a majority of the Board members at any annual meeting or other meeting called for such purpose.

The Advisory Committee shall focus on advancing the philanthropic function of the Foundation Board, through referral of prospective donors, individual or corporate. Further the advisory members would be individuals dedicated to ensuring the enhancement of the status of the Foundation and the University.

Advisory membership will entitle the individual to be listed on Board stationery and documents, as well as Board programs; however, advisory membership does not entitle advisory members to voting privileges. Attendance at Board meetings will not be required.

Section 6.  Designated Ex-Officio Membership

The Directors shall include among their members the persons who hold the following positions: a Faculty representative from the Faculty Senate recommended by the President after consultation with the Faculty Senate Chairperson and a current Student Government Association (SGA) representative or student representative who is not serving on the Board of Trustees. They shall be considered members of the Foundation and shall have voting rights.
These individuals will serve a term of one-year commencing immediately following appointment and continuing through the meeting closest to the end of one year. These directors must sign and adhere to the Minimum Participation Standards for Ex-Officio Membership and must adhere to the Code of Ethics and Standards of Conduct set forth by the board. These directors may be re-elected for an additional term after showing a desire for continued membership in writing. These members must adhere to all provisions of the Bylaws, except as specifically provided elsewhere in the Bylaws.

Section 7. Resignation or Leave of Absence

MISCELLANEOUS PROVISIONS

Subject: Approval of Resolution No. 2014-1: Foundation Bylaws Amendment

Rationale: The current governing document between the University and all Direct Support Organizations (DSOs) is the Internal Management Memorandum (IMM). Last year, Trustee Marjorie Turnbull requested that the Foundation develop a separate MOU agreement with the University to more specifically outline the relationship of the Foundation and the University.

The proposed MOU agreement includes language which prohibits the University President from serving on the Audit Committee, which is in direct violation with the current bylaws language that states: “the President of the University shall be an ex-officio and voting member of all standing committees of the Board of Directors.”

Resolution 2014-1 would amend the language denoted in this portion of the bylaws to read: “the President of the University shall be an ex-officio and voting member of all standing committees of the Board of Directors, except for the Audit Committee.”

The Foundation Bylaws Committee met telephonically on November 6th and provided their approval for the MOU and Resolution 2014-1. The MOU will be presented to the Foundation Board of Directors for approval at its November 22, 2014, Board Meeting.

In that the MOU must first be approved by the FAMU Board of Trustees, a draft MOU was provided to the Board of Trustees at its September 11, 2014, Board Meeting for review, and changes if needed. Changes received will be incorporated in the final version that will go to the Foundation Board; the MOU will subsequently come back to the Board of Trustees for final ratification.

Subject: Approval of Memorandum of Understanding (MOU) between Florida A&M University & the FAMU Foundation, Inc.

Rationale: The current governing document between the University and all Direct Support Organizations (DSOs) is the Internal Management Memorandum (IMM). The MOU was developed between the FAMU Foundation staff and General Counsel, and the Special Assistant to the FAMU President and University General Counsel.

The FAMU Foundation Bylaws Committee met telephonically on November 6, 2014, and provided their approval of the MOU. The MOU will be presented to the Foundation Board of Directors for approval at its November 22, 2014, Board Meeting.

Because the MOU must first be approved by the FAMU Board of Trustees, a draft MOU was provided to the Board of Trustees at its September 11, 2014, Board Meeting for review, and changes if needed. Changes received will be incorporated in the final version that will go to the Foundation Board; the MOU will subsequently come back to the Board of Trustees for final ratification.

Subject: Update on Divisional Activities: University Advancement & BOT Goals

Summary: We are continuing to focus efforts on the Division’s Strategic Goal: Enhance Institutional Fundraising and its assigned goal of $5.5MM. University Advancement has experienced an exceptional resurgence of support and participation.

This year, we have worked in partnership with a league of alumni and board volunteers helping to fundraise for the President’s Inauguration and Scholarship Gala, the $10 for 10 Giving Campaign, as well as an extraordinary multimillion dollar alumni gift and six-figure bequests. Thus, giving to Florida A&M University has increased by 78% over last year. Equally impressive has been the surge in donor participation—especially among our Alumni. To-date, the University has been the beneficiary of over 4,000 donors which is a 197% increase in donors over last year this time and is a 48% increase in the total number of donors last fiscal year.

Agenda Item: VII. C.

Subject: Update on Divisional Activities: Alumni Affairs

Summary: Per the recommendation of FAMU President, Dr. Elmira Mangum, Alumni Affairs has chartered its First International Alumni Chapter, the West Africa Native Land Chapter, based in Nigeria. It is the first international chapter to be chartered since the National Alumni Association was founded in 1901.

A campaign to raise critical dollars for the FAMU Athletic Department was launched this fall. Leadership of the FAMU National Alumni Association, The National Rattler “F” Club, the FAMU Boosters, The 220 Club, The Special Edition Club, and other community organizations who desire to increase athletic funding, are engaging in weekly conference calls to garner support for this million dollar initiative which is scheduled to culminate by Homecoming 2015.

These dollars will support four initiatives:
- Field House
- Travel for Athletes
- Golf
- Tennis
Subject: Update on Divisional Activities: Rattler Boosters

Summary:
The Rattler Boosters hosted the Annual Fall Football Kick-Off that was attended by President Elmira Mangum who addressed the sell-out crowd. The Rattler Boosters presented the Marching 100 and the FAMU football teams with checks for participating.

The Rattler Boosters managed the designated campus parking lots for football game day parking for Booster usage and for general admission.

The Rattler Boosters’ hosting of the pre-games, within the Fang Café, has spurred some Boosters to give at a higher membership level. An evaluation is being performed to determine actual growth and motivation factors.

Added BlueBelle ice cream as a corporate sponsor.

BOOSTER INITIATIVES
Investigating plan to expand the Rattler Radio Sports Network that will allow for increased marketing opportunities with broadcasts in additional locales. With the expansion of the RSN, the cost for the sponsorships would go up depending on the size of the marketing areas acquired.

The Boosters is researching the cost for locker room enhancement to assist in upgrading its appearance and functionality. This initiative will be in support of renovations and enhancements of the field house.
