The meeting was convened at 10:12 a.m., by Chairman Torey Alston. The first action item was a request for the approval of the minutes from the August 7, 2013 meeting. The minutes were accepted as presented.

The next action item was a request for the approval of Profile Admits. The Board of Governors amended Regulation 6.002 that requires “the number of first-time-in-college students admitted through profile assessment at each university shall be determined by the university Board of Trustees.” The University has reviewed the data regarding these students and will continue to work with such students via the Office of University Retention Colleges and Schools. The staff recommended that the Board of Trustees set a maximum enrollment for profile (admits) assessors. It was recommended that the Florida A&M University Board of Trustees approve enrolling a maximum of 20% profile (admits) assessors within the category of first-time-in-college (FTIC) students estimated at 1500, for Fall 2014. It should be noted that there has been a decline in the number of profile admits as of 2009. This current year, there were 460 profile admits, but of this number, there were only 190 actually enrolled.

Subject: Student Affairs – Student Disciplinary System Regulation

2.012 Student Code of Conduct

Rationale: This Regulation is being revised to comply with Florida Carry, Inc. and Alexandria Lainez v. University of North Florida, 2013 WL 6480789 (Fla. 1st DCA 2013). The First District of Appeals held universities may not prohibit the carrying of a securely encased firearm within a motor vehicle that is parked in a university campus parking lot because the Legislature has not delegated such authority under the Florida Constitution or Florida Statutes.

The University is requesting that the Board of Trustees approve the amendments to Regulation 2.012 for notice and adoption after the expiration of the thirty (30) day notice period, provided there are no public comments, in accordance with the Florida Board of Governors’ Regulation Development Procedure.

Recommendation: Approval of the University’s Notice of the Intent to amend Florida A&M University Regulation 2.012.
2.012 Student Code of Conduct

(1) The Student Code of Conduct ("Code") applies the principles and freedoms found in University Regulation 2.013, Due Process, Other Rights, and Responsibilities, by promoting responsible freedom for all students. This Code seeks to apply the principle of responsible freedom as it guides the conduct of Florida A&M University ("University") students. The responsibility to know and abide by the Code ultimately lies with the student.

(2) As members of the University community, students enjoy the rights and privileges that accrue to such membership including, but not limited to, academic freedom and participation in the decision-making processes of the University. Additionally, students are subject to the obligations and duties that accompany this membership and are responsible for compliance with the requirements of law and University regulations, policies, and procedures. It is incumbent upon members of the University community to notify the appropriate judicial body or officials of a violation of this Regulation, to encourage all to comply with them, and assist in their enforcement by testifying as witnesses when called upon to do so. Accordingly, all alleged violations of the Code shall be referred to the University Judicial Officer. Students, faculty, and staff, stakeholders, or other individuals with knowledge, may report violations of the Code, in writing, to the Judicial Office.

(3) The University has zero tolerance for violation of any provisions of the Code as well as the Anti-Hazing Regulation 2.028 and Alcoholic Beverages Regulation 3.021. "Zero tolerance" means that given the factual circumstances of the alleged violation the charged student may be removed from University Housing and receive a penalty up to suspension or expulsion from the University.

(4) Due process protections in accordance with University Regulation 2.013 will be appropriately accorded the charged student.

(5) If the Judicial Officer or his/her designee believe after a review of the allegations that the allegations have merit, the student will be issued, in writing, an Administrative Request to
Appear at an information briefing before the Judicial Officer or his/her designee. At the
information briefing, the Judicial Officer or his /her designee will explain to the student the
elements of due process that will be afforded.

(a) University disciplinary proceedings may be instituted against a student charged with a
violation of the law that is also a violation of the Code. The University reserves the
right to proceed under the Code with a hearing and the possible imposition of a
sanction prior to, concurrent with, or subsequent to civil litigation, criminal arrest,
and/or criminal prosecution.

(b) Normally, the University will proceed with an alleged violation of the Code prior to
any final disposition of the Courts.

(c) Determinations made or sanctions imposed under the Code shall not be subject to
change because criminal or civil charges arising out of the same facts giving rise to
violation of University rules and regulations were dismissed, reduced, or resolved in
favor of or against the charged student.

(d) Any admission of guilt, responsibility or statement against the student’s interest made
by a student at off-campus proceedings shall be conclusive for University purposes.

(e) A verdict of guilty, a plea of guilty, a plea of no contest (nolo contendere) or similar
plea in a court of law by a charged student will operate as a conclusive finding that the
student is “responsible” for the purpose of student conduct proceedings.

(f) Prior to the entry of a Recommended Order, the University may amend its charge(s)
based on information obtained through an outside proceeding when that information is
relevant to activity adversely affecting the University community.

(g) The University will cooperate fully with law enforcement agencies in any criminal
prosecutions to the extent permitted by law.

(6) Jurisdiction. Discipline may be imposed for offenses against the Code occurring at any of
the following locations or activities:

(a) University campus;

(b) University owned or controlled property;

(c) University premises, including, but not limited to, fraternities, sororities, and
organizations property;

(d) Activities sponsored by the University wherever they may occur;

(e) Activities officially approved by the University that are conducted by University
certified organizations wherever they may occur;
(f) Activities occurring off campus, either university or non-university related.

(7) **Sanctions.** A student found responsible for a violation or violations of the Code shall be subject to sanctions commensurate with the offense with consideration given to any aggravating and mitigating circumstances, including but not limited to, the student’s conduct record. The student will be deemed to have knowledge of his or her record of previous conduct violations and sanctions. If a student does not complete a sanction by the required deadline, a hold may be placed on the student’s record. Sanctions include one or more of the following, unless otherwise expressly provided:

(a) **Expulsion** from the University. The student is permanently deprived of his/her opportunity to continue at the University in any status.

(b) **Suspension** from the University for a period not to exceed five (5) years which may also include restricted access to campus and/or other specified activities. The student must comply with all conditions imposed by the hearing body or University official prior to re-enrolling. Students who are suspended for more than one year will need to apply for re-admission to an ad hoc review board appointed by the President or Vice President for Student Affairs.

(c) **University/Community service.** The student is required to complete a specified number of hours of service to the campus or general community.

(d) **Probation** for a specified period which shall not exceed a total of time needed by the student to complete requirements for graduation. Students placed on probation are not in good standing with the University and are subject to suspension or expulsion should they be found responsible for another violation during the probationary term.

(e) **Restitution** for the loss or damage to University property.

(f) **Discretionary sanctions.**

(g) **Counseling Assessment.** The University can refer a student for an assessment at a counseling center for alcohol/drug dependence, general mental health, or other counseling issues. The student shall choose an appropriately licensed and qualified facility.

(m) **Mediation.** Depending on the nature and severity of the alleged violation, the University Judicial Officer may recommend mediation as an alternative to formal disciplinary action. (n) **Fine.** A specific monetary amount ranging from $100.00 to $350.00, which may be included with a period of disciplinary probation.

(o) Any combination of the foregoing that the majority of the hearing body or the University Judicial Officer may, under the circumstances, consider fair and appropriate.

(8) A charged student may request an opportunity to provide testimony to the Judicial Officer against other students who are charged with violations of the Code arising out of the same incident or circumstances, including the student’s own involvement, in exchange for imposition of sanction(s) by the Judicial Officer. Under this provision, the student waives his/her right to a hearing and/or appeal. The provision of testimony against other students will be considered a mitigating factor in determining sanctions.

(9) **Definitions.**

(a) **Expulsion** – A student shall be deprived of his/her opportunity to reenter the University. The student is permanently separated from the University.
(b) **Suspension** – Separation of the student from the University for a definite period of time. The duration of the period of suspension shall not exceed five years and shall be in direct proportion to the degree of seriousness attached to the misconduct. Readmission for suspensions exceeding one year is conditioned upon the recommendation of an ad hoc review board appointed by the President or Vice President for Student Affairs.

(c) **Probation** – An indication that the student’s conduct violated the Code and requires the withdrawal of special privileges, participation in inter-collegiate activities, and others. The participants are responsible for keeping their agreement or renegotiating if necessary. In the event the participants do not agree to mediate or mediate but do not reach a full and final resolution, the case will be referred back for disciplinary action. Breach of a mediated agreement may result in a follow up mediation session or the matter may be referred back through the conduct process.

(x) Judicial hold - This prevents the student from conducting business at the University (i.e. any form of registration or obtaining transcripts).

Students who receive medical attention as a result of alcohol and/or drug use are eligible for Amnesty and may not face formal action under the Code. Students seeking medical assistance for another person while simultaneously violating the alcohol and/or drug regulation may also be eligible. Students who qualify for Amnesty are required to complete educational measures and pay any incurring costs. It is the expectation that a student uses Amnesty only once. If a student is involved in subsequent alcohol and/or drug abuse incidents, the incident will be reviewed for violation of the Code.

(11) The Judicial Officer may defer or suspend a finding of responsibility pending completion of specific sanctions where circumstances warrant. If a student successfully completes the required sanctions, the student’s conduct record may be sealed. l. Both the victim and the charged student shall be informed of the outcome of any University disciplinary proceeding brought alleging a sex offense, the University’s final determination and any sanctions.

(r) Academic Honesty Violations:

1. An academic honesty violation shall include a student who gives or takes information or material and wrongfully uses it to aid himself/herself or another student in academic endeavors. (aa) **Disorderly Conduct** encompasses the act or acts, disorders and neglect which affect the peace, harmony, and well-being of the University community to the prejudice of good order and discipline. Disorderly conduct includes, but is not limited to the use of profanity in public, drunkenness in University buildings and grounds, and the use of insulting or defamatory language.

(13) **Time Limit.** The time limit for filing a charge against a student for violation of the Code should be filed within six months of the date the violation was committed or discovered, whichever is later. The University Judicial Officer may exercise professional discretion when applying the time limit for filing a charge against a student when there are circumstances that warrant a waiver of the six months from the date of discovery. Circumstances that may warrant a waiver include but are not specifically limited to: stalking, sexual misconduct, or relationship violence, in which the delay may be related to issues of victimization; requests from law enforcement not to take action or concern for the safety of witnesses. The written notice of the charge of violation to the charged student should proceed the actual hearing date or information briefing with the charged student by no less than four business days, except in an emergency. A hearing shall normally be scheduled within fifteen business days of the date of the notice of the charge of violation to the charged student, unless the charged student and the Judicial Officer or his/her designee agrees in writing to a later hearing date or unless there are extenuating circumstances. Extenuating circumstances that may warrant a delay of a hearing include, but are not specifically limited to: unavailability of witnesses, illness, death, pending civil or criminal proceedings which might prejudice University findings; an on-going related law enforcement investigation, and written requests for continuance from an attorney secured by the charged student or from the University attorney.

(14) **Summary Suspension/Expulsion.** The University may summarily suspend or expel any
student or group of students, pending a hearing at a later date if requested, under the following circumstances:

(a) The continued presence of the student on campus is likely to create interference with the educational process and/or the orderly operation of the University.

(b) The continued presence of the student on campus is likely to endanger the health, safety, morals, welfare or property of the University community.

(c) The offense or conduct committed by the student is of such a serious, heinous or repulsive nature, as to adversely affect the University community and the student’s suitability as a member of the academic community.

(15) **Other University Boards.**

(a) Violation of residence hall policies and procedures are punishable under the Code. Violation of the Visitation Policy as found in the Residence Life Handbook shall carry either an arrest for trespassing, suspension or probation and removal from residing in University housing facilities.

(b) University Housing Conduct Boards may conduct informal hearings regarding cases arising in University housing where the charged student is a resident of University housing. University Housing Hearing Officers include the Director, Associate and Assistant Directors and designees.

(c) Matters involving a club and/or organization may be referred to the Organization Review Board Committee by the Dean of Students and Director of Judicial Affairs/University Judicial Officer.

(16) **Summary Suspension/Expulsion for Criminal Conviction.** The President or Vice President for Student Affairs may summarily suspend or expel any student, pending a hearing at a later date if requested, who is convicted of or pleaded guilty to a criminal offense of a kind which interferes with the educational orderly operation of the university, or a kind which, if the student were allowed to remain enrolled, would endanger the health, safety, morals, welfare or property of the members of the academic community.

(17) A student who fails to respond to an Administrative Request to Appear shall be prohibited from attending classes and participating in extra-curricular activities until compliance with the Administrative Request to Appear is effected.

(18) **Postponement.** A student charged with a violation of the Student Code of Conduct, regardless of which judicial body may hear the matter, may request to have the hearing
postponed and such postponement may be granted provided the student requests it in writing and agrees to accept the imposition of probation, suspension or withdraws from the University voluntarily, depending upon the gravity of the offense. Such probation, suspension, or withdrawal will be recommended by the University Judicial Officer to the Vice President for Student Affairs, who shall make a determination. Action taken shall remain in force until such time as the student requesting a hearing appears before the appropriate hearing body and a hearing is held. The student shall be informed whether he/she would be placed on probation or would be suspended prior to his/her making a decision to postpone the hearing.

(19) Students are required to carry a Florida A&M University picture identification card at all times. Failure to do so, may subject them to reasonable detention by appropriate University authorities.

(20) In addition to the right of University officials to enter a student’s room in University housing pursuant to the terms of the Housing Agreement, officials may enter when an emergency exists, where there is reasonable cause to believe there is a clear and present danger or where there is a reasonable belief that contraband is present which interferes with the educational process of the University, or where the health, safety and morals of the University community are in imminent and apparent danger.

(21) **Informal Disposition.** In the event a student charged with an offense wishes to waive, in writing, his/her right to a hearing and/or an appeal of a hearing to the appropriate official or hearing body, including external judicial or administrative forums, bodies or entities, and the University Judicial Officer wishes to accept jurisdiction, the University Judicial Officer may make a determination of facts and, if the student is found responsible for the offense, make a recommendation of sanction(s). The student’s written waiver shall be obtained after being given an explanation of the charges against him/her and of his/her rights to a hearing and appeal under the Student Code of Conduct. The student shall have two (2) business days from the date of signing the waiver to rescind, in writing, his/her waiver and request a hearing. In the absence of a rescission of waiver, the student shall be informed in writing of the decision of his/her case within ten (10) business days from the date of the waiver. Should the student elect to proceed under this provision and fails to complete the process, a judicial hold may be placed on the student’s account.

(22) **Student Supreme Court.** When a student is charged with a violation, which in the
opinion of the University Judicial Officer, if proven, would not warrant a penalty in excess
of probation, the University Judicial Officer may channel the case to the Student
Government Association Supreme Court.

(23) In the event the offense charged is within the jurisdiction of more than one primary hearing
body, the University Judicial Officer shall determine which primary hearing body shall
hear the charge.

(24) Appeals. Decisions of the Student Supreme Court pursuant to subsection (22) above,
Residence Life informal hearing panels and administrative hearing panels are appealed to
the Associate Vice President for Student Affairs. At the conclusion of the appeal process,
the decision of the President or the Vice President for Student Affairs shall be final, and
made known via a final order.

   (a) The student has ten (10) business days from the date of the written notification of
   the decision by the hearing body to make his/her appeal in writing and file same
   with the Office of the Dean of Students.

   (b) The written appeal must specify reason(s) why consideration should be granted and
   should only deal with matters of record, procedure, testimony and/or evidence.

   (c) No student’s final penalty shall begin to run until all University appeals are
   exhausted or denied, except as specified under subsections (14) and (16) above.

(25) Record. A digital recording of each hearing will be made by the Chairperson and
preserved. Retention of the record is subject to the General Records Schedule GS5 for
universities and community colleges. Deliberations shall not be recorded. During the
appeal period, the charged student, with or without the company of legal counsel, and/or
advisor, and/or parent with the written authorization of the charged student will be granted
permission to listen to the recorded testimony under arrangements as determined by the
University Judicial Officer, with the express understanding that the record is to remain
confidential to the extent provided by law. The student may, at his/her own expense,
arrange for the making of a full transcript of the recording by employment of a
stenographer. Other than the above modes of recording the hearing, other mechanical,
electronic devices for recording or broadcasting shall be excluded from the hearing. If the
student chooses to appeal, the record shall be made available to the charged student and the
President or Vice President for Student Affairs or his/her designee.

(26) Emergency Hearings. The President of the University or Vice President for Student
Affairs reserves the right to appoint an ad hoc committee to hear matters regarding, but not specifically limited to, the subject matter of subsections (14) and (16) above. The chairperson of the committee, who may be an academic dean or director, shall be appointed by the President or Vice President for Student Affairs. Unless an ad hoc committee is appointed, the matter shall ordinarily be heard by the hearing body (panel) and chaired by a staff member of the Judicial Affairs Office.

(a) The student shall have five business days from the date of the notice to request in writing an emergency hearing at which the student may show cause why his or her continued presence on the University campus is not a threat pursuant to subsections (14) and/or (16) of the Code.

(b) The emergency hearing shall be held within five business days of receipt of the written request from the student for an emergency hearing. The emergency hearing shall not abrogate the right of the student to request in writing a regular (non-emergency) hearing on the merits of the case, i.e., whether the student committed the alleged offense or offenses under the Code. The written request from the student for a regular (non-emergency) hearing on the merits of the case must also comply with the specified time period for requesting a regular (non-emergency) hearing as stated in the notice to the student which normally is ten (10) business days. Should a student timely request both an emergency and regular hearing, the Judicial Officer may combine the hearings into one proceeding. If the hearings are combined, the timeframes for an emergency hearing shall govern.

(c) If the student fails to timely request in writing a regular (non-emergency) hearing on the merits of the case, the Judicial Officer in his/her sole discretion may accept a written request from the student to proceed with informal disposition. The written request must be submitted within ten (10) business days following the emergency hearing. Should the student fail to submit a timely request for informal disposition, the Judicial Officer shall make a determination of facts and appropriate sanction(s).

The student shall not have a right to appeal under this provision.

(27) The hearing body, ad hoc committee or University Judicial Officer shall afford the charged student with due process as, provided by FAMU Regulation 2.013, and/or Board of Governors Regulation 6.0105(c). The regulations or codes implementing the due process provisions as well as other matters referenced in said rules but not included herein shall be
printed in the student handbook, the FANG, under the section entitled “Student Rights, Responsibilities and Code of Conduct.”

(28) Notice. Students who have a change of address after registration must file a change of address form at the Office of the University Registrar and/or via the iRattler. All notices, decisions and outcomes of judicial matters connected with the disciplinary process will be mailed to the student’s last known local address as filed with the Registrar’s Office and/or via iRattler or sent via e-mail to the student’s University provided e-mail address or permanent address if no local address is on file. This method shall constitute proper notification to the charged student.

(29) Hearing Guidelines. Disciplinary hearings shall be conducted in accordance with the following guidelines:

(a) All hearings shall be closed to the public unless required by law.

(b) The Complainant, charged student and his/her advisor, if any, shall be allowed to attend the entire portion of the hearing at which information is received, excluding deliberation. No other person shall be permitted to attend.

(c) In judicial hearings involving more than one charged student, the University Judicial Officer or the chairperson, in his or her discretion, may permit the hearing concerning each student to be conducted separately or jointly. Information received during a hearing arising out of the same circumstances may be used.

(d) The Complainant and the charged student have the right to be assisted by an advisor they choose, at their own expense. The advisor may be an attorney. The Complainant and/or the charged student are responsible for presenting his or her own information, therefore advisors are not permitted to speak or participate directly in any hearing before a judicial hearing body. An advisor may not serve as a witness. A student should select an advisor whose schedule allows attendance at the scheduled date and time of the hearing because delays will not normally be allowed due to the scheduling conflicts of an advisor. The student must provide, in writing, to the University Judicial Officer or the chairperson of the hearing body, the name, mailing or email address, and phone number of his/her advisor at least three business days prior to the hearing date.

(e) The Complainant and the charged student may arrange for witnesses to present pertinent information to the hearing body. The University will try to arrange the
attendance of possible witnesses who are members of the University community, if reasonably possible and who are identified by the Complainant and/or the charged student at least three business days prior to the judicial hearing. Witnesses will provide information to and answer questions from the hearing body and the charged student. No witness may be compelled to provide self-incriminating information. Witness statements may be provided to the hearing body and are entitled to be given the same weight by the hearing body as live witness testimony. A written statement is not a violation of the due process rights of the charged student, as the charged student has the opportunity to review and respond to the written statement and may offer evidence to rebut the witness statement and other evidence presented at the hearing.

(f) If the charged student fails to appear at the hearing after being properly notified or fails to cooperate in the hearing process, the hearing body may hear the case on the basis of evidence accumulated as a result of witnesses and shall notify the charged student of the decision. In the absence of the charged student, the plea of not responsible shall be entered on the student’s behalf by the chairperson of the hearing body.

(g) A charged student may request only one postponement of a judicial hearing by contacting in writing the University Judicial Officer at least three business days prior to the hearing. Postponement of the hearing shall be at the discretion of the University Judicial Officer or his/her designee.

(h) Witnesses shall not serve as advisors at any judicial hearing. At the time of the hearing, an automatic postponement shall be granted if the composition requirements of the hearing body are not met.

(i) If any member of the hearing body feels that he or she had previous contact with the case or with the students involved so that a fair judgment cannot be rendered, the member must request that he or she not serve for the hearing. The charged student may request that any member of the hearing body be excused whenever the student can show a bias on the part of the member. The chairperson of the hearing body will decide on such challenges and, if appropriate, ask the member to excuse him or herself. If the chairperson of the hearing body is challenged by the student, the hearing body will decide by a majority vote whether or not the chairperson
should be requested to excuse him or herself, notwithstanding that the chairperson does not vote on whether the charged student is responsible or not responsible for violating the Code.

(j) A charged student may be diverted from the disciplinary process or hearing if prior to or during the disciplinary process or hearing, it is determined by Associate Vice President for Student Affairs/Dean of Students pursuant to Sections (6-13) of University Regulation 2.007, Voluntary and Involuntary Withdrawal, that the charged student has a mental disorder and the objectionable behavior appears to be a result of the mental disorder.

(k) Pertinent records, exhibits, and written statements may be accepted as information for consideration at the discretion of the chairperson of the hearing body.

(l) All procedural questions are subject to the final decision of the chairperson of the hearing body.

(m) After the portion of the judicial hearing concludes in which all pertinent information has been received, the hearing body shall determine by a majority vote whether the charged student is responsible or not responsible for violating each section of the Code which the charged student is charged. The chairperson of the hearing body cannot vote. Prior records of student conduct action and witness/complainant impact statements are considered by the hearing body only in the sanctioning phase of deliberations.

(n) Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court proceedings, are not used in judicial hearings.

(o) The burden of proof in all judicial hearings shall be on the complainant. A "preponderance of evidence" shall constitute the burden of proof standard in all judicial hearings.

(p) The University Judicial Officer and/or the chairperson of the hearing body, under extraordinary circumstances, may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, charged student, and/or witnesses during the hearing by providing separate waiting rooms and/or by permitting participation, when feasible, by video conferencing, videotape, audio tape, or other means.

(q) The disciplinary hearing body is comprised of faculty members, staff members,
administrators and students. The composition is variable from four to six (4-6) persons, depending upon the nature of the violation. At least one-half of the membership must be students.

(r) The above guidelines for conducting a judicial hearing are not exhaustive. Therefore, the University Judicial Officer may adopt additional guidelines for the conduct of judicial hearings that are not inconsistent with the provisions of this Code. Such procedural guidelines must be approved by the Vice President for Student Affairs or his/her designee and must be in writing and made available to the charged student and all witnesses at least three business days prior to the hearing.

(30) **Victim Rights.** Victim is defined as the person harmed by a violation of the Code by the charged student. Victims of violations of the Code have the following rights in accordance with all federal and state laws:

(a) To have an advisor of the alleged victim’s choice accompany him/her when presenting information to the hearing body and to any other relevant meetings held throughout the disciplinary process.

(b) To submit a victim impact statement to the hearing body. This information may be used only in the sanctioning phase of deliberations, if the charged student is found responsible for the violations/charges. If the charged student appeals the decision on the basis of severity of the sanction imposed, he/she will have the right to view the victim’s impact statement upon written request.

(c) To have unrelated past behavior excluded from the hearing. The University Judicial Officer or chairperson of the hearing body will decide if such information is unrelated.

(d) To submit questions to the Judicial Office at least three business days prior to the hearing. The University Judicial Officer will decide whether the questions are relevant and should be presented at the hearing.

(e) To be present throughout the hearings, or portions thereof, at the discretion of the University Judicial Officer.

(f) To have personal property returned to him/her if in the current possession of the University. The determination of when this property may be returned is left to the University Judicial Officer and/or University Department of Public Safety.
(g) To be notified of the outcome, including both the decisions and the sanctions of the disciplinary process.

(h) For victims of sexual misconduct, refer to additional rights noted under subsection (12) (q) above.

(31) Unless specifically stated otherwise herein, the provisions of this Code should be read and interpreted broadly, and are not intended to define misconduct in exhaustive terms. The Judicial Affairs Office may adopt internal operating procedures which are consistent with this Code. In instances where there may be conflict between the internal procedures and the Code, the Code shall supersede.

(32) **Review of Code.** The Student Code of Conduct shall be reviewed on a biennial basis under the direction of the Director of Judicial Affairs who shall appoint a committee, with student representation, to evaluate the Code and make recommendations, if any, for amendments or revisions.
