FERPA Authorization/Student Statement of Acceptance

Student Name ___________________________ Student ID# ____________________

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students whom the rights have transferred are “eligible students.”

Please check the option under which you, the student request the FAMU Office of Student Financial Aid & Scholarships to apply your FERPA rights in connection with financial aid:
