OUT-OF-STATE TUITION WAIVER APPLICATION

Florida A&M University’s tuition waivers are awarded based on available funding and the university’s objectives justified regarding recruitment, retention, diversity, service and an applicant’s unmet financial need. Students seeking tuition waivers must be admitted as degree-seeking students during the semester for which the waiver is being submitted. Waivers are granted for two semesters (Fall and Spring) when possible. Please know that requests for waivers exceed available funding. The deadline for a Fall/Spring waiver is May 31st.

Please complete the form and submit before the close of business on May 31st of current year. As you can imagine there are more applications than we have funding available for, and therefore this requires a careful and in depth review of each application to ensure we are responding to students with the strongest academic record and greatest financial need.

Applicants must meet the following criteria of the current year to be considered for the tuition waiver. Incomplete and late applications will not be reviewed.

- Valid Financial Need (EFC less than 5000 or Pell Eligible)

- Completed FAFSA (Priority filing date March 1st)
- Completed Financial Aid File (by July 31st)
- Enrolled/Earned 15 credit hours per term (cannot withdraw from class while on waiver)

- Working on First (1st) Bachelors’ Degree
- Waivers can be received for a maximum of 3 years (FALL and SPRING TERM ONLY)
- Must be registered by May 29th (Fall 15 open enrollment starts 4/11/15)
