STEP 07

First Time In College Students

A copy of your official **FINAL** high school transcript that indicates your graduation date must be submitted prior to registration (**no faxed copies**). The status of these transcripts is available on your iRattler account. Failure to provide final transcripts to FAMU will jeopardize your ability to adjust your schedule and registrar for future terms.

Your admission is contingent upon your successful completion of all course work at a level consistent with that at the time of admission. Your enrollment is not complete until all official final transcripts and test scores are on file in our office.

STEP 08

Transfer Students

If you satisfied the foreign language requirement in high school, a copy of your official final high school transcript must be submitted to the Office of Undergraduate Admissions. The status of these transcripts is available on your iRattler account. Failure to provide final transcripts to FAMU will jeopardize your ability to adjust your schedule and registrar for future terms.

STEP 09**Financial Assistance**

Financial aid is available to students who have been offered admission, determined eligible, filed the Free Application for Federal Student Aid (FAFSA), classified as a degree seeking student, have enrolled in at least six semester hours at FAMU for the term they have been admitted, and met all other eligibility requirements. If your first term of enrollment at FAMU is the summer term, you must first complete the prior year's FAFSA in order to receive financial aid for that term.

If you have questions, contact the Office of Student Financial Aid at 850-599-3730.

STEP 10**Transfer Credits**

College level credits from regionally accredited institutions will transfer. However, all of your credits may not meet your specific degree requirements. The department of your major will determine how these credits will be used. Grade forgiveness is honored only if it has been awarded as part of an A.A. or statewide articulation A.S. degree from a Florida public community college, state college, or university. An official general listing (Transfer Credit Report) of your transfer courses, based on the courses listed on official transcripts received at the time of admissions, will be available online on your iRattler account.

- The overall grade point average for each institution attended must be at least 2.00 on the transfer transcript for the awarding of credit.
- Dual-enrollment transcripts are to be sent directly from each college and/or university once your grades have posted, even if they appear on your high school transcript.
- The grades of individual courses to be transferred are "C" or better, or "S" or "P".
- College prep or remedial courses will not transfer.

If you have questions, contact the Registrar's Office at 850-599-3115.

An official general listing (Transfer Credit Report) of your transfer courses, based on the courses listed on official transcripts received at the time of admission will be available online on your iRattler account.

Credit will be awarded only once for the same subject, whether the credit is earned by examination, dual enrollment, transfer credit or FAMU course credit. FAMU course credit takes precedence over all other forms of credit. Credit awarded for dual enrollment or transfer courses takes precedence over credit by examination. If duplicate credit exists among AICE, AP, IB or CLEP, the exam yielding the most credit will be awarded. The department of your major will determine how these credits will be used.
