Satisfactory Academic Progress Policy
Satisfactory Academic Progress
Effective July 1, 2011

Maintaining Eligibility
Federal guidelines for the continued receipt of student financial assistance funds require that standards of satisfactory academic progress (SAP) be applied to all students who are enrolled at the university. These standards must be equal or stricter than the standards required of students who are not receiving financial assistance. Florida A&M University is required by federal regulations to institute standards of satisfactory progress for students receiving Title IV assistance.

SAP is a measure of whether a student is progressing adequately toward completion of his or her course of study. It is determined in terms of grade point average and course completions. For a student to be eligible for Title IV assistance after the student’s second academic year of attendance at an institution, the student must have a cumulative “C” average or its equivalent or have academic standing at that point in the program that is consistent with the institution’s requirements for graduation.

Frequency of Monitoring and Evaluation
Florida A&M University will review a student’s academic progress at the end of the spring semester of each academic year. For this purpose, Florida A&M University’s academic year is defined as a 15 week course of study occurring between August and May. If you were cited for not maintaining SAP, your status will be reviewed during the next payment period before disbursement (i.e. Spring Semester).

Qualitative Measurement (Grade Point Average)
Florida A&M University uses a graduated qualitative standard. Federal student aid recipients must have earned the following minimum cumulative retention/graduation grade point average.

<table>
<thead>
<tr>
<th>Undergraduate Student Status</th>
<th>Hours Completed</th>
<th>Undergraduate Cumulative G.P.A.</th>

The cumulative grade point average is calculated by dividing the total number of earned hours into the total number of grade points (A-4, B-3, C-2, D-1, and F-0). Only grades of A, B, C, D or P are considered acceptable for purposes of determining the number of hours successfully completed during an academic term. Grades of E, I, F, W, NR or X will be counted toward total hours attempted but will not count credits successfully completed. Incomplete grades (I’s) will be counted as successful completion if that final grade is a D or better grade. Otherwise, those grades (I’s) will be counted only in the attempted hour’s calculation.
The law specifies that at the end of the second academic year (regardless of how many credits the student has accrued) the student must have a “C” average or its equivalent or have an academic standing consistent with the requirement for graduation from the program.

**Quantitative Measurement**

All students (full-time or part-time) must successfully complete a minimum number of semester hours attempted. To remain eligible for financial aid, students must earn or successfully complete each semester, the number of hours shown below:

<table>
<thead>
<tr>
<th>Cumulative Hours Attempted</th>
<th>Minimum Hours (%) to Complete</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 thru 29</td>
<td>67%</td>
</tr>
<tr>
<td>Greater than 29</td>
<td>67%</td>
</tr>
</tbody>
</table>

All hours attempted at Florida A & M University plus other post-secondary institutions are included in the maximum time frame of 180 hours to complete the first undergraduate degree. This includes all grades of A, B, C, D, F, I, P, NP, W, AW, X and N, even if courses are repeated.

Attempted hours are defined as the hours for which the student is enrolled and charged at the end of the drop/add period.

**Maximum Timeframe**

</tbody>

Some academic areas require more than 120 hours for graduation. For those academic areas, the maximum timeframe to complete the degree will be the specific to program requirements x 150%.

**Remedial, Incompletes, Transfer Credits, and Withdrawals**

Transfer students must meet the same satisfactory academic progress requirements and maximum enrollment limits as other students. Only transfer hours needed to complete the declared degree will be accepted. Remedial and non-credit courses, incompletes courses, and courses from which a student have withdrawn after drop and add periods are also included as semester hours attempted. Failing grades (F) are included in the GPA calculation. Withdrawals (W) are not used in the GPA calculations. Incomplete grades (I) are not factored in to the GPA until a letter grade is recorded. Grade changes will be recognized when they occur. Retroactive reinstatement of aid will not be considered unless the grade change is officially posted by the last day of classes and funds are still available.

**Repeated Courses and Academic Forgiveness in Maintaining Satisfactory Academic Progress**
By definition, satisfactory academic progress is the successful continued movement toward the completion of an educational program. Repeated courses for which a passing grade has already been earned will not be considered in the determination of satisfactory progress as those hours have already been applied.

**Reinstatement of Academic Standards**

Any student whose eligibility for financial aid consideration has been terminated due to unsatisfactory academic progress may re-establish eligibility once all satisfactory academic progress standards are met. Students cannot re-establish academic standards if they have exceeded the maximum timeframe to complete their degree. This work may be at FAMU or another institution or a combination thereof as long as the courses completed will apply toward the student’s degree.

**Appeal Procedures**

Students who fail to meet the Satisfactory Academic Progress standards may appeal the suspension of their student financial assistance funds. Letters of appeal should be based on some type of mitigating circumstances that impacted negatively upon the student’s ability to meet the required standards. Examples of such circumstances are: 1) death/prolonged illness of an immediate family member; 2) medical illness (student) that created undue hardship; 3) losses due to a natural disaster (i.e. hurricanes, storms, etc…). If you were cited for not maintaining SAP, your status will be reviewed during the next payment period before disbursement (i.e. Spring Semester).

**Appeal Process**

Students must submit a written petition form, with acceptable documentation, must be completed by the student and returned to the Office of Financial Aid within 10 days of receipt of the financial aid SAP denial letter. The Office of Financial Aid, after reviewing the letter of petition and supporting documentation, will make a final decision. The student will be notified in writing of this decision. If you were cited for not maintaining SAP, your status will be reviewed during the next payment period before disbursement (i.e. Spring Semester).

**Steps to the Appeal Process**

2. Students must attach all necessary documents (grade change, current grade report, doctor’s statement, death certificate, accident report, etc.) to the written appeal request.
3. Students classified as freshmen and sophomore must submit an IEP form with their appeal. All Junior's and Senior's must have a letter from their department.
4. The students’ letter of appeal will be reviewed within two weeks of receiving the request and all necessary documents.
5. The student will be notified in writing of the decision to reinstate or deny the financial aid eligibility.
6. If the student is determined eligible for reinstatement of financial aid, he/she will be considered for aid available at the time of reinstatement.
7. If the appeal is approved, the student will be reviewed again at the end of the following Spring semester and will be subject to the same required standards as previously stated unless otherwise stated so in the letter of reinstatement.
8. **ALL APPEALS MUST BE SUBMITTED TO THE OFFICE OF FINANCIAL & SCHOLARSHIPS AID NO LATER THAN TEN (10) DAYS AFTER THE OFFICIAL NOTIFICATION OF THEIR FINANCIAL AID SUSPENSION STATUS. NO EXCEPTIONS**
