

Cooperative Extension Program

## A Healthy Herd can Impact Productivity

R. Mobley, Florida A&M University, Cooperative Extension Program

### What is a healthy herd?

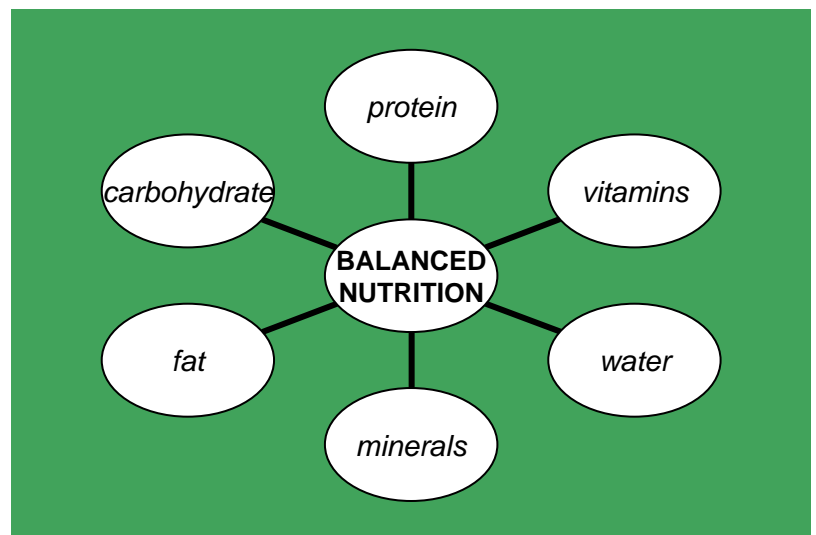

*A healthy herd*

### How to maintain a healthy herd?

1. Early vaccination
2. Maintain balanced nutrition
3. Monitor animals' progress
4. Give animals clean feed (without manure, pesticide or other contaminants)
5. Do not feed animals off the ground, feed in containers
6. Maintain clean surroundings
7. Limit traffic to the farm

### What is a balanced nutrition?
