Course Policies

STUDENTS with DISABILITIES:
Students with disabilities covered by the Americans with Disabilities Act should follow these steps: (1) Provide documentation of their disability to the FAMU student disability resource center. (2) The first week of class, bring a statement from the FAMU student disability resource center to your instructor indicating that you have registered with FAMU student disability services. The statement should indicate the disability and the special accommodations that will be required.

ACADEMIC HONESTY:
It is your responsibility to know the university’s policy on Academic/Intellectual honesty (Section 6C3-2.012(10)(s) of the FAMU Student Handbook). “Plagiarism is defined as the use of intellectual material produced by another person without acknowledging its source. This includes, but is not limited to: (a.) Copying from the writings or works of others into one's academic assignment without attribution, or submitting such work as if it were one's own. (b.) Using the views, opinions, or insights of another without acknowledgment. (c.) Paraphrasing the characteristic or original phraseology, metaphor, or other literary device of another without proper attribution.”

Warning!:
All cases of dishonesty on exams and/or plagiarism on written assignments will result in an ‘F’ for the course and possible dismissal or suspension from the university. The university academic honor code regarding all forms of academic misconduct will be enforced and punished by the severest penalties allowable. Students are responsible for reading the Academic Honor Policy and for living up to their pledge to “…be honest and truthful and…[to] strive for personal and institutional integrity while at Florida A&M University.”
Students taking classes in the Department of History here at FAMU are expected to abide by the Honor Code and its standards of academic honesty. One of the most important issues that history majors must deal with is plagiarism. There should be some discussion of plagiarism in every history class you take at FAMU. For a fuller discussion of this topic, see the very useful website put together by the American Historical Association: http://www.historians.org/pubs/free/professionalstandards.cfm#Plagiarism

READING:
Reading is the most fundamental educational activity one can engage in while in college. It is strongly recommended that you do the readings for this class BEFORE the corresponding lectures/class period. The readings are the basic source of information for this class. The purpose of lectures is to comment on the readings, to highlight important themes and facts, and to enable students to ask questions and make comments.

PARTICIPATION and ATTENDANCE:
Attendance is VERY important and absolutely necessary. If you miss more than 3 classes you will receive an ‘F’ for the course. Being Late twice equals 1 absent. Participation in class and attendance is required. It is the responsibility of the tardy/absent student to obtain the information missed from their classmates. Absences will be excused for emergencies with proper documentation from the Dean’s office.

GORDON RULE REQUIREMENT:
This rule applies to all students prior to receipt of an Associate in Arts degree from a Florida public community college or university or prior to entry into upper division of a Florida public university. For the purpose of this rule, a grade of "C" or better shall be considered successful completion. All students entering FAMU are required to meet the Gordon Rule requirement. In order for this class to meet its portion of the Gordon Rule requirement, at least 3,000 words must be written and submitted. For further information, visit the following web sites:

http://www.firn.edu/doe/rules/6a-103.htm

FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA):
Federal law gives students two rights concerning their education records kept by the university. The federal law is called the Family Educational Rights and Privacy Act, also known as FERPA or the Buckley Amendment. First, it requires the university to keep those records private. There are exceptions for emergencies, court orders, university officials who have a need to know, etc. Second, it provides that students have the right to inspect records about themselves that are maintained by the university. Pursuant to FERPA, the U.S. Department of Education has enacted legally binding regulations that set out in detail what are student's rights with respect to their education records. For further information, visit the following web site: http://www.ed.gov/policy/gen/reg/ferpa/index.html
