The Data Use Research Institute is hosting the Institute of Education Sciences Research Funding Opportunities Webinar Series. All webinars will be viewed in the Teaching Learning Institute, Gore Education Complex, Building C, Room 203.

Grant Writing Workshop on Education Policy
Event time: 1:00 pm to 2:30 pm on April 19, 2010

During this workshop, IES staff will provide a general overview of its six research programs and two upcoming research and development centers that provide funding for research on education policy: Education Policy, Finance, and Systems; Special Education Policy, Finance, and Systems; Organization and Management of Schools and Districts; Early Learning Programs and Policies; Postsecondary Education; Evaluation of State and Local Education Programs and Policies; the National Research and Development Center on State and Local Policy; and the National Research and Development Center on Postsecondary Education and Employment. The overview includes information on program requirements, the IES goal structure, and peer review process.

Grant Writing Workshop for Efficacy and Replication Projects
Event time: 1:00 pm on April 20, 2010

During this workshop, IES staff will provide in-depth information on preparing Efficacy and Replication applications. Topics will include methodological requirements for the Efficacy and Replication goal and developing research and data analysis plans.

Grant Writing Workshop for Development and Innovation Projects
Event time: 1:00 pm to 2:30 pm on April 21, 2010

During this workshop, IES staff will provide in-depth information on preparing a Development and Innovation application. Topics included methodological requirements for the Development and Innovation goal and developing a research plan.

Overview of the Evaluation of State and Local Education Programs and Policies Programs
Event time: 1:00 pm to 2:30 pm on April 22, 2010

Overview of the Evaluation of State and Local Education Programs and Policies Program: During this webinar, IES staff will provide a general overview of the Evaluation of State and Local Education Programs and Policies grant program including requirements for applicants proposing to evaluate interventions implemented within Race to the Top projects. Appropriate quasi-experimental and experimental evaluation designs, with a focus on state-level and district-level design issues, will be discussed.

Adult Education Grant Writing Workshop
Event time: 1:00 pm to 2:30 pm on April 27, 2010

During this workshop, IES staff will provide a general overview of the new Adult Education research topic, as well as a discussion of the requirements for the National Research and Development Center on Cognition and Adult Literacy. The overview will include information on program requirements, the IES goal structure, and the peer review process.

For questions about these events, call Dr. Serena Roberts at 412-5098. If you are interested in participating, please email teachersforanewera@famu.edu specifying which session or sessions you plan to attend.
