7:00—9:00 p.m.

Recognizing
Outstanding, Dedicated
Educators
About the Gallery of Distinction

Florida A&M University remains at the forefront of efforts in the nation and the State of Florida to ensure that our children have an opportunity for and access to a quality education. This event will honor, recognize, and inscribe FAMU graduates as well as others who have made significantly outstanding contributions toward the goal of enhancing education and eliminating disparities in achievement.

The Legacy Continues

The Florida A&M University College of Education has been at the forefront of this challenge for over 123 years. This year in the midst of a sagging economy, decreasing state revenues, and other support, the need for student scholarships is more acute than ever. To help satisfy this need, the FAMU College of Education has launched a campaign with a goal to raise $150,000 for scholarships and program enhancement funds.

The keynote event for this campaign will be the annual Gallery of Distinction Gala which will be held April 23, 2010 at 7:00 p.m. in the Leon County Civil Center, Tallahassee, Florida.

Recognizing Leaders

The Gallery of Distinction recognized educational leaders with a lifelong commitment to the profession of education and who impact the academic, social and emotional needs of students. Individuals are eligible for nomination if they have made substantially outstanding contributions at any level or aspect of education (i.e., classroom teacher, administrator, elected leader, university faculty/administrator, community and business leaders, to mention a few.

We recognize that the education of our children requires all facets of our community and its educational institutions; therefore, we are seeking to recognize distinguished individuals and organizations who have made substantially significant and outstanding contributions to the education of our children.

Your Role

We need your support to make this effort successful, recognize excellence in education and to ensure that more outstanding students who aspire to become educators are afforded an opportunity.

We are requesting your support in the following ways:
1) The nomination of individuals for installation into the Gallery of Distinction during the Gala.
2) The nomination of organizations/businesses for induction into the Gallery of Distinction.
3) The purchasing of ads, tickets, or tables and other contributions.
