

## FACULTY AND STAFF

### **Ray Mobley, DVM (Extension Director/Veterinarian)**

Specialty: Animal Health/Food Safety

Florida A& M University

College of Engineering Sciences, Technology and Agriculture (CESTA)

Cooperative Extension Program

215 Perry Paige Building Room 215

Tallahassee, FL. 32307

Phone: 850 – 412-5252

Email: ray.mobley@fam.u.edu

### **Angela McKenzie-Jakes (Small Ruminant Program Leader/ Animal Scientist)**

Specialty: Reproduction and Physiology

Florida A& M University

College of Engineering Sciences, Technology and Agriculture (CESTA)

Cooperative Extension Program

4259 Bainbridge Hwy.

Quincy, FL. 32352

Phone: 850 – 875-8557

Email: angela.mckenziejakes@ fam.u.edu

Website: <http://www.fam.u.edu/goats>

### **Lee Anderson (Animal Scientist)**

Specialty: Reproduction and Physiology and Nutrition

Florida A&M University

College of Engineering Sciences, Technology and Agriculture (CESTA)

306- D South Perry Paige Building

Phone: 850-599-3383

Email: lee.anderson@fam.u.edu

### **Jean Beaudouin (Animal Scientist)**

Specialty: Small & Large Ruminant Nutrition

Florida A& M University

College of Engineering Sciences, Technology and Agriculture (CESTA)

Cooperative Extension Program

4259 Bainbridge Hwy.

Quincy, FL. 32352

Phone: 850-875-8559

Email: jjbeaudouin@fam.u.edu

### **Gerry Bryant (Animal Technician)**

Specialty: Production and Management

Florida A& M University

College of Engineering Sciences, Technology and Agriculture (CESTA)

Cooperative Extension Program

4259 Bainbridge Hwy.

Quincy, FL. 32352

Phone: 850 -875 -8555

**Uford Madden, DVM (Veterinarian)**

Specialty: Food Safety/Toxicology

Florida A&M University

College of Engineering Sciences, Technology and Agriculture (CESTA)

Cooperative Extension Program

215 Perry Paige Building Room 215

Tallahassee, FL. 32307]

Phone: 850 - 412-5253

Email: [uford.madden@famu.edu](mailto:uford.madden@famu.edu)

**Godfrey Nurse (Animal Scientist)**

Specialty: Small Ruminant Nutrition

Florida A& M University

College of Engineering Sciences, Technology and Agriculture (CESTA)

Cooperative Extension Program

4259 Bainbridge Hwy.

Quincy, FL. 32352

Phone: 850 -875 – 8559

Email: [godfreynurse@hotmail.com](mailto:godfreynurse@hotmail.com)

**Thomas Eric Peterson, DVM (Extension Veterinarian)**

Specialty: Herd Health and Nutrition

Florida A& M University

College of Engineering Sciences, Technology and Agriculture (CESTA)

Cooperative Extension Program

215 Perry Paige Building Room 215

Tallahassee, FL. 32307Phone: 850 – 412 -5117
