Photographer/Videographer (OPS Position)

The Florida Agricultural and Mechanical University Office of Communications and External Relations is looking for a photographer/videographer. This full-time OPS position will work with the director of Graphic Services, director of Media Relations and additional staff on video and photography related projects. This individual will be responsible for media related projects throughout the year. The successful candidate must have solid skills in video production and editing, and the talent to shoot photography and video that is professional and compelling. The position will require traveling on an as-needed basis.

Responsibilities

Develop, film, and edit promotional, informational and training videos targeting current and potential customers. Photograph subject and events for the University website, and social media, and other publications. This includes classic “Catalog” style of photography, as well as more creative work in support of the brand. Proficiency in Photoshop, video editing software, and studio experience is required. Build and maintain an image and video library, and manage content using our CMS. The successful candidate must have solid skills in production and editing.

Qualifications: Bachelor’s Degree required.

To perform this job successfully, an individual must have the following:

- Ability to work individually and in a team environment
- Ability to manage multiple projects simultaneously
- Ability to edit images using Adobe Photoshop or Lightroom
- Ability to edit videos using Final Cut Pro X and Adobe Premiere
- Ability to be self-motivated, detail oriented, and organized
- Previous work or educational experience in videography and photography in a team setting
- Excellent time management and organizational skills
- Ability to meet deadlines
- Highly creative and imaginative
- Excellent communication skills
- Ability to work as a team
