LEARNING DISABILITIES
This is a selected guide of resources held in the University Libraries to support learning disabilities. To locate any of the listed materials, consult the online catalog or ask the Librarian.

CLASSIFICATION OF MATERIAL:

Library of Congress classification for Learning disabilities is LC.

LC 3950 – 4806.5 Exceptional Children and Youth Special Education

SELECTED RESOURCES

BIBLIOGRAPHIC RESOURCES

DICTIONARIES AND ENCYCLOPEDIAS

American Medical Association. Health Professions Career and Education Directory. [Coleman - Reference R847.A1 D57]

**HANDBOOKS**

**DATABASES**

**African-American Biographical Database**
Brings together in one resource the biographies of thousands of African Americans, many not to be found in any other reference source. Contains extended narratives of African American activists, business people, former slaves, performing artists, educators, lawyers, physicians, writers, church leaders, homemakers, religious workers, government workers, athletes, farmers, scientists, factory workers, and more--both the famous and the everyday person..

**Book Review Digest Plus**
Book Review Digest Plus brings together the rich data of Book Review Digest, which includes descriptive summaries of books as well as excerpts of book reviews, with all the book review citations and full text of book reviews from eleven other H. W. Wilson indexes.

**Consumers Index**
A subject index to the contents of over 100 periodicals. The database provides information categorized from general (the home) to more specific (automobiles), by periodical (Consumer Reports), or by a specific brand name (Coca Cola). The information included consumers, librarians and library users, business professionals, and educational instructors.

**Contemporary Women's Issues**
Provides full text access to global information on women. Journals, newsletters, research reports from non-profit groups, government and international agencies, along with fact sheets are easily accessed through CWI. Information on women in over 150 countries is compiled in a single
collection bringing together such disciplines as sociology, psychology, health, education and human rights.

**Current Index to Journals in Education**
CIJE is a monthly guide to current periodical literature in education, covering articles published in approximately 950 major educational and education-related journals. CIJE is part of the ERIC family of reference publications, sponsored by the Educational Resources Information Center (ERIC).

**Education Full Text**
Indexes and abstracts articles of at least one column in length from English-language periodicals and yearbooks published in the United States and elsewhere. English-language books relating to education published in 1995 or later are also indexed.

**Education Journals**
Indexes and abstracts 550 standard and professional education journals, 300 in fulltext. Also includes AIDS education, human development, child abuse, and developmental psychology. Coverage is from 1986-present.

**ERIC (Cambridge Scientific)** Upon connection select alphabetic list.
The ERIC (Educational Resources Information Center) database is sponsored by the U.S. Department of Education to provide extensive access to educational-related literature. The ERIC database corresponds to two printed journals: Resources in Education (RIE) and Current Index to Journals in Education (CIJE).

**Eric (U.S. Dept. of Education)**
The bibliographic database of the Education Resources Information Center (ERIC), sponsored by the Institute of Education Sciences (IES) of the U.S. Department of Education, contains more than 1.1 million citations of journal and non-journal education literature going back to 1966. It contains more than 107,000 full-text non-journal documents issued 1993-2004.

**ERIC Digest**
Short reports (1,000 - 1,500 words) on topics of prime current interest in education. Targeted specifically for teachers, administrators, policy makers, and other practitioners, but generally useful to the broad educational community. Provides an overview of a given topic, plus references to items providing more detailed information.

**OmniFile Full Text Mega Edition**
Physical Education Index
Records are indexed and classified from peer-reviewed journals, report literature, conference proceedings, trade magazines, patents, articles from the popular press, and many other publications. Abstracts feature a wide variety of content, ranging from physical education curricula, to sports medicine, to dance

ProQuest
Contains more than 550 titles on education—including primary, secondary, and university-level topics—with nearly 300 in full text. Includes the indexing and abstracts from H. W. Wilson's highly regarded Education Abstracts, plus many additional titles.

PsycINFO
PsycINFO®, from the American Psychological Association, contains over a million citations and summaries of articles from journals, books, book chapters, dissertations, and technical reports in psychology and related fields.
