Schnell, Ann M. Davis’s Comprehensive Handbook of Laboratory and Diagnostic Tests: With Nursing Implications. [Coleman - Reference RB38.2 .D379 2003]

DATABASES

CINAHL
Subject coverage focuses on nursing and midwifery journals but also includes primary journals from allied health disciplines such as physiotherapy, health education and nutrition.

Health & Wellness Resource Center
Use this database to research topics in health and medicine, medications, and wellness. Includesencyclopedias, directories, medical dictionary, magazines, journals, and newspapers.

Health Reference Center - Academic
Use this database to find articles on: Fitness, Pregnancy, Medicine, Nutrition, Diseases, Public Health, Occupational Health & Safety, Alcohol and Drug abuse, HMOs, Prescription Drugs, etc. Provides references, abstracts, full text, a medical dictionary; support groups and hotlines; and pamphlets issued by leading health organizations.

Medline (CSA)
This is an online database of 11 million citations and abstracts from health and medical journals and other news sources.

Medline (FS)
Indexes over 3,500 journals in all areas of medicine.

MEDLINEplus
Medical encyclopedia, interactive patient tutorials and the latest health news information.
Ovid
Professionals, researchers, students and information managers in the scientific and healthcare communities rely on Ovid for the information they need to explore a new theory, fuel a new discovery, inform ongoing research, and improve patient care.

ProQuest Nursing Journals
This database indexes and abstracts over 250 professional journals in nursing and allied health disciplines.

PubMed
PubMed is a service of the U. S. National Library of Medicine that includes over 16 million citations from MEDLINE and other life science journals for biomedical articles back to the 1950’s.

ScienceDirect
Web database for scientific research that contains abstracts, table of contents, and full text of articles in the sciences, technology, medicine and other related resources.
