URBAN PLANNING
This is a selected guide to resources held in the university libraries to support urban planning. To locate any of the listed materials, consult the online catalog or ask the librarian.

CLASSIFICATION OF MATERIAL:
Library of Congress classification for Urban Planning is HT.
HT165.5-169.9 City Planning

SELECTED RESOURCES

HANDBOOKS

DATABASES

Access Science
American Society of Civil Engineers
Provides Access to Bibliographic and Abstracted Records.

Applied Science and Technology Full Text
Periodical coverage includes trade and industrial publications, journals issued by professional and technical societies, and specialized subject periodicals, as well as special issues such as buyers' guides, directories, and conference proceedings.

Berkeley Electronic Press
Scholarly journals in the areas of Economics, Business, and Marketing; Law; Political Science and Current Affairs; Biological Sciences; and Engineering.

BNA Environment and Safety Library
Collection of federal and state laws, regulations, documents, and compliance requirements.

Cambridge Journals Online
Provides full text access to all of the Cambridge University Press journals subscribed to by FAMU and the State University Libraries. CJO contains journals in the sciences, social sciences, and humanities.

Center for Research Libraries Catalog
The Center for Research Libraries (CRL) is an international not for profit consortium of colleges, universities and libraries that makes available scholarly research resources to users everywhere. CRL is governed by the major research libraries of North America and is funded by fees, grants and contributions.

Conference Papers Index
Conference Papers provides citations to papers and poster sessions presented at major scientific meetings around the world. Subject emphasis has been in the life sciences, environmental sciences and the aquatic sciences, while older material also covers physics, engineering and materials science. Information is derived from final programs, abstracts booklets and published proceedings, as well as from questionnaire responses.

CQ Public Affairs Collection
The CQ Public Affairs Collection, a storehouse of public policy content organized key topics, pulls together CQ's wealth of historic documents and primary source materials, statistical overviews, directory contact information, and the very best in-depth reporting on current affairs to create a one-stop source for public policy content.

Dissertations and Theses
The ProQuest Dissertations and Theses database (PQDT) is the world's most comprehensive collection of dissertations and theses. It is the database of record for graduate research, with dissertations and theses included from around the world.
Environmental Engineering Abstracts
Environmental Engineering Abstracts covers the world literature pertaining to
technological and engineering aspects of air and water quality, environmental safety, and
energy production.

Expanded Academic ASAP (Gale Group)
Access full text articles and images from scholarly journals, news magazines, and
newspapers in the arts, humanities, social sciences, science and technology.

Gale Virtual Reference Library
Gale Virtual Reference Library is a database of encyclopedias, almanacs, and specialized
reference sources for multidisciplinary research.

General Science Full Text
Periodical coverage includes popular science magazines as well as professional journals
in the fields of Astronomy, Atmospheric Science, Biology, Botany, Chemistry,
Conservation, Earth Science, Environment, Food, Genetics, Health, Mathematics,
Medicine, Microbiology, Nutrition, Oceanography, Physics, Physiology, and Zoology.

Infotrac
Access to the following databases: Business and Company Resource Center, Custom
Newspapers, Expanded Academic ASAP, General BusinessFile ASAP, Health Reference
Center, Informe!, InfoTrac OneFile, Investext Select, and Legal Trac.

Infotrac OneFile
Search humanities, education, business, science, current events, art, politics, economics,
social science, law, health care, computers, technology, environmental issues, and general
interest topics.

ISI Web of Knowledge
Access to products essential to research in academic, corporate, government, and non-
profit organizations. Search individual products such as Web of Science or Current
Contents Connect, or search multiple products simultaneously through CrossSearch.

Journals@OVID
Access to the full text of Your Journals@Ovid, journals to which FAMU has subscribed,
plus all of the bibliographic citations, references, and abstracts in the Journals@Ovid
database, an aggregate of hundreds of scientific, technical, and medical journals from
over 50 publishers and societies.

JSTOR
Full text core research journals in many subject areas. Coverage starts at the beginning
year of publication and includes all but the most recent years (as required by the
publisher).
Lexis Nexis Academic
Lexis-Nexis Universe provides access to company profiles and financial reports, government transcripts, trade journals and academic and legal databases. Their files are updated with full-text documents from general interest wire services, newspapers, and magazines from around the world.

Mechanical Engineering Abstracts
Provides citations, abstracts, and indexing of the serials literature in mechanical and transportation engineering and their complementary fields, including forensic engineering, management and marketing of engineering services, engineering education, theoretical mechanics and dynamics, and mathematics and computation.

NetLibrary
Catalog library, electronic books.

Proquest
Simultaneously search all of the following Proquest databases: ABI/INFORM Archive Complete, ABI/INFORM Dateline, ABI/INFORM Global, ABI/INFORM Trade and Industry, Criminal Justice Periodicals, Hoovers Company Information, Hoovers Company Capsules, Hoovers Company Profiles, ProQuest Education Complete, and ProQuest Newspapers, or click Collections and select a database from the menu.

Reader's Guide Full Text

Risk Abstracts
Risk Abstracts encompasses risk arising from industrial, technological, environmental, and other sources, with an emphasis on assessment and management of risk. The journal includes occasional articles on topics of significant interest. The broad, multidisciplinary coverage of risk-related concerns ranges from public and environmental health to social issues and psychological aspects. Professionals involved in risk research studies, environmental science, engineering and design, or any type of industry will find in Risk Abstracts essential information that can help them identify, measure, evaluate, and manage risks of all kinds.

Science Complete
Simultaneously search Applied Science Full Text, Biological and Agricultural Index Plus, and General Science Full Text.
Science Direct
The Elsevier Science Journals Database is the electronic full text version of Elsevier's traditional research journals. These journals are primarily in the scientific, technical, and medical disciplines. The journals published by Elsevier Science are among the most authoritative in their respective subject areas. These fields include: Chemistry and Chemical Engineering; Clinical Medicine; Computer Science; Economics, Business and Management Sciences; Engineering and Technology; Environmental Science; Life Sciences; Materials Science; Mathematics; Physics; and Social Sciences.

Social Sciences Full Text
Indexes and abstracts articles of at least one column in length from English-language periodicals published in the United States and elsewhere plus the full text of selected periodicals. Coverage includes a wide range of interdisciplinary fields covered in a broad array of social sciences journals. Subjects covered include Addiction Studies, Anthropology, Area Studies, Community Health and Medical Care, Corrections, Criminal Justice, Criminology, Economics, Environmental Studies, Ethics, Family Studies, Gender Studies, Geography, Gerontology, International Relations, Law, Minority Studies, Planning and Public Administration, Policy Sciences, Political Science, Psychiatry, Psychology, Public Welfare, Social Work, Sociology, and Urban Studies.

Water Resources Abstracts
Water Resources Abstracts provides summaries of the world's technical and scientific literature on water-related topics covering the characteristics, conservation, control, pollution, treatment, use and management of water resources. Abstracts are drawn from journals, books, conference proceedings, and technical reports in the physical and life sciences, as well as from engineering, legal and government publications.

Web of Science
Water Resources RouteNet is a feature designed to compliment Water Resources Abstracts, also available through the Internet Database Service. It provides a path to water-related web sites on the Internet. Composed of several categories, Water Resources RouteNet provides access to bibliographic databases, discussion groups, research and development programs, datasets, reference materials, water resource professionals, reports and publications, conference information, associations and newsletters. A special feature also allows for searching of occurrences of specific terms in all web pages listed in the collection.

Wiley Interscience Journals
Water Resources RouteNet is a feature designed to compliment Water Resources Abstracts, also available through the Internet Database Service. It provides a path to water-related web sites on the Internet. Composed of several categories, Water Resources RouteNet provides access to bibliographic databases, discussion groups, research and development programs, datasets, reference materials, water resource professionals, reports and publications, conference information, associations and newsletters. A special feature also allows for searching of occurrences of specific terms in all web pages listed in the collection.
Wilson OmniFile Full Text Mega Edition

Webster's Online Dictionary and Thesaurus
Merriam-Webster's Collegiate Dictionary and Collegiate Thesaurus.

PRINT AND ELECTRONIC JOURNALS

City Journal
from 03/25/2004 to 07/07/2005 in America's Newspapers

City Journal (New York, NY)
from 03/25/1991 to present in LexisNexis Academic

City Limits
from 1995 to 2005 in Contemporary Women's Issues
from 11/01/1996 to present in U.S. Government Documents

City Record: Official Journal of the City of New York
in U.S. Government Documents

City Magazine (Winnipeg)
from 02/01/1987 to 09/01/1994 in LexisNexis Academic (selected full-text only)

City News Service
from 11/28/1995 to present in LexisNexis Academic

Cityscape (Washington D.C.)
from 1994 to present in U.S. Government Documents

Citywire
from 07/23/2004 to present in LexisNexis Academic

Journal of Urban Economics
from 1995 to present in ScienceDirect Journals

New Orleans CitiBusiness
from 04/15/1985 to 7 days ago in ABI/INFORM Dateline, Business Dateline, ProQuest5000, and ProQuest Newsstand (Complete)

Urban Affairs Review (Thousand Oaks, CA)
from 01/01/1997 to 11/30/1998 in Professional Collection

from 12/01/2002 to 1 year ago in ABI/INFORM GLOBAL, ProQuest 5000, ProQuest Career and Technical Education, and ProQuest Research Library
Urban Ecosystems
from 03/01/1997 to present in SpringerLink Contemporary (1997-Present)

Urban Forestry and Urban Greening
from 2002 to present in ScienceDirect Journals

Urban Habitats
from 2003 to present in Directory of Open Access Journals

Urban History
from 05/01/1999 to present in Cambridge Journals Online

Urban History Review
from 02/01/1987 to present in LexisNexis Academic

Urban Land Institute
in Investext Plus

Urban Public Transport
from 04/14/2002 to 04/18/2002 in ASCE Conference Proceedings

Urban Research Monitor
from 09/01/1999 to present in U.S. Government Documents

Urban Review
from 1997 to present in Kluwer Journals Online

Urban Studies
from 01/01/1999 to 06/01/2000 in General Business File ASAP

Urban Transport News
from 11/15/2000 to present in InfoTrac OneFile

Urban Water
from 03/01/1999 to 12/31/2002 in ScienceDirect Journals

Washington City Paper
from 01/07/2004 to present in America's Newspapers
