DATABASES

ABI/INFORM Global
Search 1000 premier worldwide business periodicals for information on accounting advertising, marketing, economics, human resources, finance, taxation and computers.

Academic OneFile
Provides peer-reviewed, full-text articles from journals and reference sources. With extensive coverage of the physical sciences, technology, medicine, social sciences, the arts, theology, literature and business.

Banking Information Source
Provides information about the financial services industry, banking trends, topics, issues, and operations.

Business and Company Resource Center
Provides company profiles, company brand information, rankings, investment reports, company histories, chronologies, and industry news and information.

Business and Industry Database
Facts, figures, events and market information about companies, industries, products and markets. Draws content from over 1000 trade and industry publications, regional, national and international newspapers, business dailies and newsletters.

Business Full Text
Indexes and abstracts from the leading business magazines and trade and research journals, plus the full text of selected periodicals. Subjects covered include Accounting, Acquisitions and Mergers, Advertising and Banking.
**Cabell’s Business Directories**
The Business Set includes the Cabell’s Directories in Accounting, Economics and Finance, Management and Marketing. Professors and graduate students in Business frequently use Cabell’s Directories to assist them in publishing their manuscripts.

**General Business File ASAP**
Analyze company performance and activity, industry events and trends as well as the latest in management, economics and politics. Access to a combination of broker research reports, trade publications, newspapers, journals and company directory listings with full text and images available.

**General Reference Center Gold**
Use this database to find articles from newspapers, reference books, and periodicals, many with full-text and images. Find the latest current events, popular culture, business and industry coverage, the arts and sciences, sports, hobbies, and more.

**InfoTrac OneFile**
Search humanities, education, business, science, current events, art, politics, economics, social science, law, health care, computers, technology, environmental issues, and general interest topics.

**Lexis Nexis**
Lexis-Nexis Universe provides access to company profiles and financial reports, government transcripts, trade journals and academic and legal databases. Their files are updated with full-text documents from general interest wire services, newspapers, and magazines from around the world.

**ProQuest Accounting and Tax**
The ProQuest Accounting and Tax database is the quintessential research resource for accounting, auditing, taxation, and financial management information. The database includes over 2,200 titles, as well as IASB, AICPA, and FASB accounting standards.

**ProQuest 5000**
Provides international, national and regional newspapers and periodicals to make a core collection in business, general reference, arts, humanities, sciences, career and technical education, computing, religion and social sciences.
Science Direct
Covers these fields: Chemistry and Chemical Engineering; Clinical Medicine; Computer Science; Earth and Planetary Sciences; Economics, Business and Management Sciences.

TableBase
An international database that specializes exclusively in tabular data dealing with companies, industries, products and demographics.

Wilson Business Full Text
Provides complete, accurate access to 345 of today's leading English language business magazines. Topics include accounting, personnel, and small business. Abstracts are included.
