**DATABASES**

**Criminal Justice Periodical Index**  
Provides cover-to-cover access for 45 criminal justice journals, plus complete abstracts for over 100 additional titles. Publications in CJPI focus primarily on practical issues in crime prevention and deterrence, juvenile delinquency, police issues, and courtroom procedures, but include a number of highly respected theoretical journals as well.

**Criminal Law Report**  
Reports on significant developments, trends, and emerging patterns in criminal law. Coverage of federal and state court decisions, federal legislative activities, and administrative developments in criminal law.

**PsycINFO**  
PsycINFO, from the American Psychological Association, contains over a million citations and summaries of articles from journals, books, book chapters, dissertations, and technical reports in psychology and related fields.

**Sociological Abstracts**  
CSA Sociological Abstracts Database is a primary resource for accessing the latest research sponsored in sociology and related disciplines in the social and behavioral sciences. The database draws information from an international selection of over 2,600 journals and other serials publications, plus conference papers, books, and dissertations.
