**DATABASES**

**Biography Resource Center**
A comprehensive database of biographical information on more than one million people from throughout history, around the world, and across all disciplines and subject areas. It combines approximately 250,000. Search for people based on one or more personal facts such as birth and death years and places, nationality, ethnicity, occupation gender, or combine criteria to create a highly-targeted custom search path.

**Contemporary Women's Issues**
Provides full text access to global information on women. Journals, newsletters, research reports from non-profit groups, government and international agencies, along with fact sheets are easily accessed through CWI. Information on women in numerous countries is compiled in a single collection bringing together such disciplines as sociology, psychology, health, education and human rights.
Ethnic NewsWatch
An interdisciplinary, bilingual, full-text collection of newspapers, magazines and journals of the ethnic, minority and native press. A rich collection of articles, editorials, columns, reviews, etc. provide a broad diversity of perspectives and viewpoints -- the other sides of the stories.

Expanded Academic ASAP
Access full text articles and images from scholarly journals, news magazines, and newspapers in the arts, humanities, social sciences, science and technology. Abstracts are included for some articles.

GenderWatch
A full-text collection of unique and diverse publications including scholarly journals, magazines, newspapers, newsletters, regional publications, books, and NGO, government and special reports that focus on how gender impacts a broad spectrum of subject areas.

 Humanities Full Text
 Coverage includes some of the best-known scholarly journals in the areas of Archaeology, Area Studies, Art, Classical Studies, Communications, Dance, Film, Folklore, Gender Studies, History, Journalism, Linguistics, Literary and Social Criticism Literature, Music, Performing Arts, Philosophy, Religion and Theology. Numerous lesser-known but important specialized magazines are also included.

JSTOR
Full text of 100 plus core research journals in many subject areas. Coverage starts at the beginning year of publication and includes all but the most recent years (as required by the publisher). Each year an additional year of currently published titles is made available. More subject areas and additional titles are being added regularly.
