TRANSFER OUT OF FLORIDA A& M UNIVERSITY

F-I student must notify the Office of International Education and Development in writing of his or her plan to transfer out of Florida A&M University at least 45 days in advance and must indicate the date and school to which he or she will transfer. No any actions will be taken until OIED receives the following documents from a student:

NOTE:

1. If a student changes his/her mind for certain reason, FAMU OIED can only cancel the student's transfer request at the time prior to the release date.

2. The SEVIS release date is the current semester or session completion date, or the date of expected transfer if earlier than the established academic cycle.

3. Although a student may apply to and be accepted by more than one school, SEVIS only allows a student's record to be available to one school at a time.

4. After the release date, a student must work with the appropriate international student advisor or designate of transfer school to accomplish a second transfer to another BCIS approved school or transfer back to his or her previous school.
