2.008 Health Service.

(1) A Student Health Fee is automatically assessed at the time of registration for each student who is registered for six (6) or more semester hours of credit. Students who register for less than six (6) semester hours have the option to pay a health fee and receive health services.

(2) The health fee paid each semester entitles the student to attend the Student Health Service and receive professional medical care as often as he or she chooses. The fee does not pay for medical supplies, lab work, X-rays, or medication ordered by the Student Health Service. Florida A & M University students who have paid a health fee are eligible for services in the Student Health Service during the semester for which they are registered. Presentation of a “Rattler” I. D. card is required.

(3) If the services of an off-campus medical facility are needed, the student is responsible for the bill incurred from the off-campus medical facility.

(4) If off-campus specialized treatment is needed, the student is responsible for transportation to the off-campus medical facility.
