# How to Enroll in Classes Using My Requirements

Log on to iRattler [www.famu.edu](http://www.famu.edu)

iRattler Splash page appears. Scroll to the bottom to select **Enter**

Enter your sign on credentials and click **Sign In**

Select Campus Solution and click on **Self Service**

Click on **Student Center**.
In your Student Center, select the **Enroll** link.

Click on the button beside the appropriate term.

Click on **Continue** button.

Click **My Requirements** button to search for classes. This helps you select only the required classes for your program.

Click on **Search** button.
1. **On Search by My Requirements page**, you will see only classes required for your program.
2. Click on the **Show Detail** button to see the classes under specific requirements.
3. Then click on the class link to see the available class sections.

4. **Click on the select button** to review the details.
Review details.

**Note:**
You may enter a permission number in the field provided if required.

Click on Next button to place the class in your shopping cart.

You may choose to add one or more classes.

To add additional classes, ensure the button next to **My Requirements** is checked on, and then click on search.

Example: Click to add a mathematics class.
The selected class is added to the Shopping Cart.

Note: You are not registered if your classes are in the Shopping Cart. This is only a placeholder. Click Proceed To Step 2 of 3 to continue.

Then click Finish Enrolling to complete your registration.

View Results
This step lets you know if there are errors.

For example, this student could not enroll in the Pre-Calculus (MAC 1114) class because she is yet to complete the College Algebra class.
Always click **My Class Schedule** to confirm that you enrolled in the selected classes.

**Useful Information:**
1. System will show classes in your **Shopping Cart** to help you select non-conflicting classes.
2. You may encounter some errors if you try to register before your appointment time.

Please contact your Academic Advisor for additional information.
