STATE OF FLORIDA

RESOLUTION

WHEREAS, the voters of the State of Florida passed Amendment 11 to Article IX, Section 7 of the Florida Constitution thereby creating the Board of Governors; and

WHEREAS, the Board of Governors shall operate, regulate, control, and be fully responsible for the management of the whole university system; and

WHEREAS, the responsibilities of the Board of Governors include, but are not limited to:

- defining the distinctive mission of each constituent university and its articulation with free public schools and community colleges;
- ensuring the well-planned coordination and operation of the system, and avoiding wasteful duplication of facilities or programs; and
- establishing the powers and duties of the boards of trustees; and

WHEREAS, the Board of Governors management is subject to the powers of the legislature to appropriate for the expenditure of funds; and

WHEREAS, the Board of Governors shall account for such expenditures as provided by law; and

WHEREAS Amendment 11 mandates that each local constituent university shall be administered by a board of trustees consisting of thirteen members dedicated to the purposes of the state university system; and

WHEREAS, the university boards of trustees are comprised of six citizen members appointed by the Governor and five citizen members appointed by the Board of Governors. The appointed members are confirmed by the Senate. The chair of the faculty senate, or the equivalent, and the president of the Florida Student Association, or the equivalent, are also members.

NOW THEREFORE, BE IT RESOLVED, that: the each local constituent university shall be administered by a board of trustees; and

BE IT RESOLVED that:

1. Members of the boards of trustees shall receive no compensation but may be reimbursed for travel and per diem expenses as provided in s. 112.061.
2. Boards of trustees' members shall serve staggered terms of five years as provided by law.

3. Each board of trustees shall select its chair and vice chair from the appointed members at its first regular meeting. The chair shall serve for 2 years and may be reselected for one additional consecutive term. The duties of the chair shall include presiding at all meetings of the board of trustees, calling special meetings of the board of trustees, attesting to actions of the board of trustees, and notifying the Governor in writing whenever a board member fails to attend three consecutive regular board meetings in any fiscal year, which failure may be grounds for removal. The duty of the vice chair is to act as chair during the absence or disability of the chair.

4. The university president shall serve as executive officer and corporate secretary of the board of trustees and shall be responsible to the board of trustees for all operations of the university and for setting the agenda for meetings of the board of trustees in consultation with the chair; and

BE IT RESOLVED that:

1. Each board of trustees shall be a public body corporate by the name of "The (name of university) Board of Trustees," with all the powers of a body corporate, including the power to adopt a corporate seal, to contract and be contracted with, to sue and be sued, to plead and be impleaded in all courts of law or equity, and to give and receive donations. In all suits against a board of trustees, service of process shall be made on the chair of the board of trustees or, in the absence of the chair, on the corporate secretary or designee.

2. The university boards of trustees are not departments of the executive branch of state government within the scope and meaning of s. 6, Art. IV of the State Constitution.

3. The corporation is constituted as a public instrumentality, and the exercise by the corporation of the power conferred by this section is considered to be the performance of an essential public function. The corporation shall constitute an agency for the purposes of s. 120.52. The corporation is subject to chapter 119, subject to exceptions applicable to the corporation, and to the provisions of chapter 286; however, the corporation shall be entitled to provide notice of internal review committee meetings for competitive proposals or procurement to applicants by mail or facsimile rather than by means of publication. The corporation is not governed by chapter 607, but by the provisions
of this part. The corporation shall maintain coverage under the State Risk Management Trust Fund as provided in chapter 284.

4. No bureau, department, division, agency, or subdivision of the state shall exercise any responsibility and authority to operate any state university except as specifically provided by law or rules of the Board of Governors. This section shall not prohibit any department, bureau, division, agency, or subdivision of the state from providing access to programs or systems or providing other assistance to a state university pursuant to an agreement between the board of trustees and such department, bureau, division, agency, or subdivision of the state.

5. University boards of trustees shall be corporations primarily acting as instrumentalities or agencies of the state, pursuant to s. 768.28(2), for purposes of sovereign immunity; and

BE IT RESOLVED that:

1. Whenever appointed by any competent court of the state, or by any statute, or in any will, deed, or other instrument, or in any manner whatever as trustee of any funds or real or personal property in which any of the institutions or agencies under its management, control, or supervision, or their departments or branches or students, faculty members, officers, or employees, may be interested as beneficiaries, or otherwise, or for any educational purpose, a university board of trustees is hereby authorized to act as trustee with full legal capacity as trustee to administer such trust property, and the title thereto shall vest in said board as trustee. In all such cases, the university board of trustees shall have the power and capacity to do and perform all things as fully as any individual trustee or other competent trustee might do or perform, and with the same rights, privileges, and duties, including the power, capacity, and authority to convey, transfer, mortgage, or pledge such property held in trust and to contract and execute all other documents relating to said trust property which may be required for, or appropriate to, the administration of such trust or to accomplish the purposes of any such trust.

2. Deeds, mortgages, leases, and other contracts of the university board of trustees relating to real property of any such trust or any interest therein may be executed by the university board of trustees, as trustee, in the same manner as is provided by the laws of the state for the execution of similar documents by other corporations or may be executed by the signatures of a majority of the members of the board of trustees; however, to be effective, any such deed, mortgage, or lease contract for more than 10 years of any trust property, executed hereafter by the university board of trustees, shall be approved by a
resolution of the Board of Governors; and such approving resolution may be evidenced by the signature of either the chair or the secretary of the Board of Governors to an endorsement on the instrument approved, reciting the date of such approval, and bearing the seal of the Board of Governors. Such signed and sealed endorsement shall be a part of the instrument and entitled to record without further proof.

3. Any and all such appointments of, and acts by, the Board of Regents as trustee of any estate, fund, or property prior to May 18, 1949, are hereby validated, and said board's capacity and authority to act as trustee until July 1, 2001, in all of such cases is ratified and confirmed; and all deeds, conveyances, lease contracts, and other contracts heretofore executed by the Board of Regents, either by the signatures of a majority of the members of the board or in the board's name by its chair or chief executive officer, are hereby approved, ratified, confirmed, and validated.

4. Nothing herein shall be construed to authorize a university board of trustees to contract a debt on behalf of, or in any way to obligate, the state; and the satisfaction of any debt or obligation incurred by the university board as trustee under the provisions of this section shall be exclusively from the trust property, mortgaged or encumbered; and nothing herein shall in any manner affect or relate to the authority of the State Board of Education; and

BE IT RESOLVED that:

1. The boards of trustees shall be responsible for cost-effective policy decisions appropriate to the university's mission, the implementation and maintenance of high quality education programs within law and rules of the Board of Governors, the measurement of performance, the reporting of information, and the provision of input regarding state policy, budgeting, and education standards.

2. Each board of trustees is vested with the authority to govern its university, as necessary to provide proper governance and improvement of the university in accordance with law and with rules of the Board of Governors. Each board of trustees shall perform all duties assigned by law or by the Board of Governors.

3. A board of trustees shall have the power to take action without a recommendation from the president and shall have the power to require the president to deliver to the board of trustees all data and information required by the board of trustees in the performance of its duties.
4. Each board of trustees may adopt rules pursuant to ss. 120.536(1) and 120.54 to implement the provisions of law conferring duties upon it. Such rules must be consistent with rules of the Board of Governors.

5. Each board of trustees shall have the authority to acquire real and personal property and contract for the sale and disposal of same and approve and execute contracts for the purchase, sale, lease, license, or acquisition of commodities, goods, equipment, contractual services, leases of real and personal property, and construction. The acquisition may include purchase by installment or lease-purchase. Such contracts may provide for payment of interest on the unpaid portion of the purchase price. Title to all real property acquired prior to January 7, 2003, and to all real property acquired with funds appropriated by the Legislature shall be vested in the Board of Trustees of the Internal Improvement Trust Fund and shall be transferred and conveyed by it. Notwithstanding any other provisions of this subsection, each board of trustees shall comply with the provisions of s. 287.055 for the procurement of professional services as defined therein.

6. Each board of trustees shall have responsibility for the use, maintenance, protection, and control of university-owned or university-controlled buildings and grounds, property and equipment, name, trademarks and other proprietary marks, and the financial and other resources of the university. Such authority may include placing restrictions on activities and on access to facilities, firearms, food, tobacco, alcoholic beverages, distribution of printed materials, commercial solicitation, animals, and sound. The authority vested in the board of trustees in this subsection includes the prioritization of the use of space, property, equipment, and resources and the imposition of charges for those items.

7. Each board of trustees has responsibility for the establishment and discontinuance of degree programs up to and including the master's degree level; the establishment and discontinuance of course offerings; provision of credit and noncredit educational offerings; location of classes; services provided; and dissemination of information concerning such programs and services. Approval of new programs must be pursuant to criteria established by the Board of Governors.

8. Each board of trustees is authorized to create divisions of sponsored research pursuant to the provisions of s. 1011.411 to serve the function of administration and promotion of the programs of research.

9. Each board of trustees has responsibility for: ensuring that students have access to general education courses as identified in rule and requiring no more than 120 semester hours of coursework for
baccalaureate degree programs unless approved by the Board of Governors. At least half of the required coursework for any baccalaureate degree must be offered at the lower-division level, except in program areas approved by the Board of Governors.

10. Each board of trustees has responsibility for policies related to students, enrollment of students, student activities and organizations, financial assistance, and other student services. Specifically:

(a) Each board of trustees shall govern admission of students pursuant to s. 1007.261 and rules of the Board of Governors. Each board of trustees may consider the past actions of any person applying for admission or enrollment and may deny admission or enrollment to an applicant because of misconduct if determined to be in the best interest of the university.

(b) Each board of trustees shall establish student performance standards for the award of degrees and certificates.

(c) Each board of trustees must identify its core curricula and work with school districts to ensure that its curricula coordinate with the core curricula and prepare students for college-level work.

(d) Each board of trustees must adopt a written antihazing policy, appropriate penalties for violations of such policy, and a program for enforcing such policy.

(e) Each board of trustees may establish a uniform code of conduct and appropriate penalties for violations of its rules by students and student organizations, including rules governing student academic honesty. Such penalties, unless otherwise provided by law, may include fines, the withholding of diplomas or transcripts pending compliance with rules or payment of fines, and the imposition of probation, suspension, or dismissal.

(f) Each board of trustees shall establish a committee, at least one-half of the members of which shall be students appointed by the student body president, to periodically review and evaluate the student judicial system.

(g) Each board of trustees must adopt a policy pursuant to s. 1006.53 that reasonably accommodates the religious observance, practice, and belief of individual students in regard to admissions, class attendance, and the scheduling of examinations and work assignments.
(h) A board of trustees may establish intramural and interinstitutional programs to maximize articulation pursuant to s. 1007.22.

(i) Each board of trustees shall approve the internal procedures of student government organizations.

11. Each board of trustees shall establish fees pursuant to ss. 1009.24 and 1009.26.

12. Each board of trustees shall submit an institutional budget request, including a request for fixed capital outlay, and an operating budget to the Board of Governors for approval in accordance with guidelines established by the Board of Governors.

13. Each board of trustees shall account for expenditures of all state, local, federal, and other funds in the manner described by the Board of Governors.

14. Each board of trustees shall develop a strategic plan specifying institutional goals and objectives for the university for recommendation to the Board of Governors.

15. Each board of trustees shall develop an accountability plan pursuant to guidelines established by the Board of Governors and statute.

16. Each board of trustees shall maintain an effective information system to provide accurate, timely, and cost-effective information about the university, and shall ensure that all data and reporting requirements of the Commissioner are met.

17. Each board of trustees is authorized to secure comprehensive general liability insurance pursuant to s. 1004.24.

18. Each board of trustees may provide for payment of the costs of civil actions against officers, employees, or agents of the board pursuant to s. 1012.965.

19. Each board of trustees shall establish the personnel program for all employees of the university, including the president, pursuant to the provisions of chapter 1012 and, in accordance with rules and guidelines of the Board of Governors, including: compensation and other conditions of employment, recruitment and selection, nonreappointment, standards for performance and conduct, evaluation, benefits and hours of work, leave policies, recognition and awards, inventions and works, travel, learning opportunities, exchange
programs, academic freedom and responsibility, promotion, assignment, demotion, transfer, tenure and permanent status, ethical obligations and conflicts of interest, restrictive covenants, disciplinary actions, complaints, appeals and grievance procedures, and separation and termination from employment. The Department of Management Services shall retain authority over state university employees for programs established in ss. 110.123, 110.1232, 110.1234, and 110.1238 and in chapters 121, 122, and 238. No rule of the Board of Governors shall be considered to in any way contravene the responsibility of each of the university board of trustees to act as the sole public employer with regard to all public employees of its universities for the purposes of collective bargaining in accord with chapter 447 Florida Statutes.

20. Each board of trustees may consider the past actions of any person applying for employment and may deny employment to a person because of misconduct if determined to be in the best interest of the university.

21. Each board of trustees shall appoint a presidential search committee to make recommendations to the full board of trustees, from which the board of trustees may select a candidate for ratification by the Board of Governors.

22. Each board of trustees shall conduct an annual evaluation of the president in accordance with rules of the Board of Governors and submit such evaluations to the Board of Governors for review. The evaluation must address the achievement of the performance goals established by the accountability process implemented pursuant to s. 1008.46 and the performance of the president in achieving the annual and long-term goals and objectives established in the institution's employment equity accountability program implemented pursuant to s. 1012.95.

23. Each board of trustees constitutes the contracting agent of the university.

24. Each board of trustees may enter into agreements for, and accept, credit card payments as compensation for goods, services, tuition, and fees.

25. Each board of trustees may establish educational research centers for child development pursuant to s. 1011.48.
26. Each board of trustees may develop and produce work products relating to educational endeavors that are subject to trademark, copyright, or patent statutes pursuant to s. 1004.23.

27. Each board of trustees shall submit to the Board of Governors, for approval, plans for all new campuses and instructional centers.

28. Each board of trustees shall administer a program for the maintenance and construction of facilities pursuant to chapter 1013.

29. Each board of trustees shall ensure compliance with the provisions of s. 287.09451 for all procurement and ss. 255.101 and 255.102 for construction contracts, and rules adopted pursuant thereto, relating to the utilization of minority business enterprises, except that procurements costing less than the amount provided for in CATEGORY FIVE as provided in s. 287.017 shall not be subject to s. 287.09451.

30. Each board of trustees may exercise the right of eminent domain pursuant to the provisions of chapter 1013. Any suits or actions brought by the board of trustees shall be brought in the name of the board of trustees, and the Department of Legal Affairs shall conduct the proceedings for, and act as the counsel of, the board of trustees.

31. Notwithstanding the provisions of s. 253.025, each board of trustees may, with the consent of the Board of Trustees of the Internal Improvement Trust Fund, sell, convey, transfer, exchange, trade, or purchase real property and related improvements necessary and desirable to serve the needs and purposes of the university.

(a) The board of trustees may secure appraisals and surveys. The board of trustees shall comply with the rules of the Board of Trustees of the Internal Improvement Trust Fund in securing appraisals. Whenever the board of trustees finds it necessary for timely property acquisition, it may contract, without the need for competitive selection, with one or more appraisers whose names are contained on the list of approved appraisers maintained by the Division of State Lands in the Department of Environmental Protection.

(b) The board of trustees may negotiate and enter into an option contract before an appraisal is obtained. The option contract must state that the final purchase price may not exceed the maximum value allowed by law. The consideration for such an option contract may not exceed 10 percent of the estimate obtained by the board of trustees or 10 percent of the value of the parcel,
whichever is greater, unless otherwise authorized by the board of trustees.

(c) This subsection is not intended to abrogate in any manner the authority delegated to the Board of Trustees of the Internal Improvement Trust Fund or the Division of State Lands to approve a contract for purchase of state lands or to require policies and procedures to obtain clear legal title to parcels purchased for state purposes. Title to property acquired by a university board of trustees prior to January 7, 2003, and to property acquired with funds appropriated by the Legislature shall vest in the Board of Trustees of the Internal Improvement Trust Fund.

32. Each board of trustees shall prepare and adopt a campus master plan pursuant to s. 1013.30.

33. Each board of trustees shall prepare, adopt, and execute a campus development agreement pursuant to s. 1013.30.

34. Each board of trustees has responsibility for compliance with state and federal laws, rules, regulations, and requirements.

35. Each board of trustees may govern traffic on the grounds of that campus pursuant to s. 1006.66.

36. A board of trustees has responsibility for supervising faculty practice plans for the academic health science centers.

37. Each board of trustees shall prescribe conditions for direct-support organizations and university health services support organizations to be certified and to use university property and services. Conditions relating to certification must provide for audit review and oversight by the board of trustees.

38. Each board of trustees shall actively implement a plan, in accordance with guidelines of the State Board of Education, for working on a regular basis with the other university boards of trustees, representatives of the community college boards of trustees, and representatives of the district school boards, to achieve the goals of the seamless education system.

39. Notwithstanding the provisions of s. 216.351, a board of trustees may authorize the rent or lease of parking facilities, provided that such facilities are funded through parking fees or parking fines imposed by a university. A board of trustees may authorize a university to charge fees for parking at such rented or leased parking facilities.
40. Each board of trustees may adopt rules and procedures related to data and technology, including information systems, communications systems, computer hardware and software, and networks. Such policies and procedures shall ensure that each institution participate fully and efficiently in statewide management information systems.

41. Each board of trustees shall ensure that each institution participates fully in statewide programs that advance articulation, access, equity, financial assistance and accountability as provided by law or rule.

42. A board of trustees shall perform such other duties as are provided by law or by the Board of Governors; and

BE IT RESOLVED that in addition to the duties and responsibilities of the boards of trustees enumerated herein, the universities shall have those duties and responsibilities specifically set forth in the K-20 Education Code, Title XLVIII Florida Statutes and shall act consistent with those responsibilities; and

BE IT RESOLVED that if previously adopted rules conflict with or contravene this resolution, the provisions of this resolution shall prevail; and

BE IT RESOLVED that it is the intent of the Board of Governors that the university boards of trustees shall be the sole public employers with respect to all public employees of the respective state universities as provided in s. 447.203(2) and (10) F.S. for the purpose of collective bargaining, and no rule previously adopted by the Board of Governors shall contravene this intent or shall be in conflict with the boards of trustees adoption of rules in furtherance of their responsibilities as public employers; and

BE IT RESOLVED that if any section, subsection, sentence, clause or phrase of this resolution is for any reason held to be invalid or unconstitutional by reason of any decision of any court of competent jurisdiction, such decision shall not affect the validity of any other section, subsection, sentence, clause or phrase, or portion thereof.

PASSED AND ADOPTED by the Board of Governors of the State of Florida at a public meeting thereof duly called and held this 7th day of January 2003.
