FAMU’s Academic Program Review Cycle
(Each Program is Reviewed on a Seven-Year Cycle)

- Provost’s Office Conducts an orientation meeting for the program review contacts in the Dean’s Office and program review coordinators for each program undergoing review. Preliminary data are also provided. **OCTOBER 2005**

- Department conducts faculty meetings and self-study assignments. **NOVEMBER 2005-JANUARY 2006**

- Faculty discuss implications of data and progress of self study with Provost’s Office. Updated data are provided by IR to department. **SPRING 2006**

- Faculty analyze data and begin drafting self-study. **SUMMER 2006**

- Finalize self-study and select consultant. **FALL 2006**

- Consultant conducts site visit and submits report. **SPRING 2007**

- Action plan is discussed with Dean and Provost and finalized. **FALL 2007**

- Report is finalized and disseminated. Action plan is developed to implement program review recommendations. **SUMMER 2007**

---
