FAMU Assessment Documentation

http://www.famu.edu/index.cfm?a=Assessment

FAMU assessment documentation process is guided by the following six-step F.A.M.O.U.S. Assessment Approach:

Step 1: Formulate statements of outcomes/objectives aligned to the institutional mission/goals;

Step 2: Ascertain criteria for success;

Step 3: Measure student/service performance using direct and indirect methods;

Step 4: Observe and analyze results for congruence between expected and actual outcomes;

Step 5: Use the results to effect improvement of instructional programs and administrative and educational support services; and

Step 6: Strengthen programs and services by continuously evaluating, planning, allocating resources and implementing new approaches to ensure congruence between expected and actual outcomes
