Good Morning Mrs. Chapman,

I wanted to take a few minutes to express my sincere thanks and appreciation to you on your fine work in MacClenny, Florida (Baker County) on Tuesday evening, March 18, 2008. Your presentation was very important and useful. As expressed to you by students, they sometimes feel isolated from campus life and are not aware of the services offered by the university.

Your presentation was very important to students’ success in the course. When students are not aware of databases and inter-library loan opportunities, they sometimes become frustrated and spend money unnecessarily.

Thanks again for sharing very valuable information.

Regards,

Dr. Patricia Green-Powell
