Dear Valued Career Partner:

We are especially grateful for your continued partnership and unwavering support for the career development of our students within the School of Business and Industry (SBI) here at Florida A&M University (FAMU). Given that all Fall 2020 SBI courses will be delivered remotely, all Fall 2020 engagement/recruitment activities will also be delivered virtually.

As a result of only offering online instruction for Fall 2020; modifications have been made to how Career Partners will access our students virtually and schedule engagement/recruitment activities. In an effort to avoid “Zoom Fatigue,” no evening engagement/recruitment activities can be scheduled with SBI. However, to enhance each Career Partner’s student touch points, we have designated weekly dates and times for you to interact with our students.

The SBI Recruitment Season kicks off with the SBI Virtual Career Partner Showcase on Thursday, September 24, 2020 and conclude on Wednesday, November 4, 2020. To properly prepare for the FALL 2020 recruitment season, we offer you the following as you plan for potential engagement/recruitment activities with SBI.
