

"In just 3 years at Ford, I've been thoroughly exposed to some of the core aspects of the auto industry. Working cross functionally, be it with purchasing, engineers, or plant operations, has helped me grow personally and professionally."

— Keegan McQuillan, Finance Analyst

# Start Your Career Journey in Finance

**Go Further**

## Your Journey Begins Here

For more than 100 years, Ford Motor Company has been driving American ingenuity forward, and helping people go further. Our company and our employees succeed because we are united in our focus on what is truly important. At Ford, we will always:

- Build great products that help people and improve our world
- Work together in a team environment built on trust, respect and open communication
- Support our employees in developing their skills and creating opportunities to contribute to our global success
- Lead — making smart, thoughtful decisions that inspire and benefit those we serve

And we will always provide our skilled and motivated teams with everything they need to go further, at work and in life, including:

- Comprehensive health and financial benefits (many on day one)
- Competitive compensation
- Work/life flexibility
  - Remote access and telecommuting
  - Job sharing
  - Flexible and reduced schedules
  - Collaboration tools

There's never been a more exciting time to be at Ford Motor Company. We're ready to go further, and we want you to join us.

## What We Do

We strategically partner with operations to drive exceptional results, and increase Ford's leadership as an automotive company. We contribute financial expertise to all areas of the company, including the planning, manufacturing, marketing and distribution of Ford products around the world.

### Our responsibilities include:

- Product Development
- Marketing and Sales
- Purchasing
- Ford Credit
- Treasury
- Manufacturing
- Customer Service Division Finance
- Corporate Staff

## Ford Summer Internship Program

As part of the Ford summer intern program, you will be provided with hands-on experience that will develop you technically and professionally. Over the course of the internship program, you will build a network of friends and colleagues, learn valuable skills, have fun and experience what Ford Motor Company has to offer you in a future career.

### Internship Requirements

- Minimum 3.2 GPA or equivalent
- Ability to adapt to a dynamic work environment
- Ability to work with a diverse team

“The Career Foundation Program has afforded me the opportunity to grow as a finance professional, sharpen my business acumen and broaden my industry knowledge. In addition to the professional development opportunities, what I enjoy most are the amazing people I get to work with.”

— Le'Asia Wright, Finance Analyst
