Florida A&M Department of Social Work Mission

“Conveys the vision……...it is specific to advancing social and economic justice for oppressed populations and it is congruent with the mission statement of the University.”

Program Goals

Readily emerge out of the mission by detailing the primary components and educational direction.

Program Objectives

“Developed from the program goals. Reflected in program implementation and continuous assessment. Refer to the foundation program objectives and concentration program objectives that are to be implemented and measured”

Curriculum

The tool that translates program objectives into measurable outcomes
