At the bottom of the form is a "Place Order" button. Below the form are logos for Trustwave (Trusted Commerce) and VeriSign Secured (VERIFY).

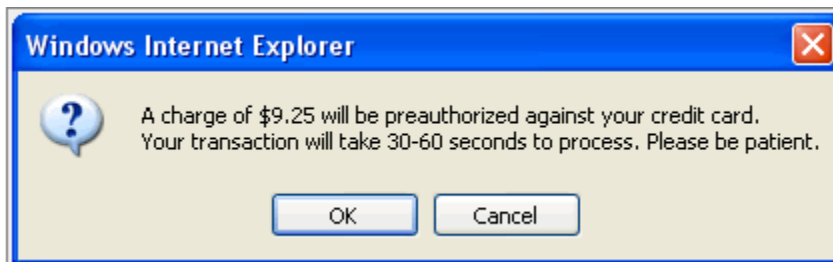

To ensure the security and confidentiality of sensitive information being transmitted over the Internet, the Clearinghouse protects its customers by using Secure Socket Layer (SSL) technology provided by the VeriSign Secure Site Program. SSL encrypts/unencrypts the data before the Server/Client sends or receives transmissions.

1. Enter your credit card data.

 - b. Transcript Ordering's security certificates are displayed below the form. You can view our current certifications by clicking the [TrustWave](#) and [Verisign](#) logos.

2. Enter the cardholder's address and phone number.
3. Click **"Place Order."** . Click this just once for each transaction.
4. The total amount being [pre-authorized against your credit card](#) will be displayed in a small pop-up window.

Note: A hold for the amount of the order (also known as a preauthorization or pending charge) is placed against your card each time you submit a transcript request. Multiple holds on a credit card account can result from clicking the "Place Order" button more than once during a single transaction. As long as a hold remains on your card, the funds are unavailable until the transaction is cleared or the hold "drops off." It can take seven to 30 days for the hold to "drop off," depending on the issuing bank. If a hold(s) causes you to exceed the credit limit of your card, you may be assessed overdraft fees. The National Student Clearinghouse is not responsible for any overdraft fees that result from multiple submissions placed for a single transaction. Regardless of the number of holds created for a single order, your credit card will only be charged once after your order has been completed.

5. Click **"OK"** to confirm your order and continue. Click **"Cancel"** if you do not wish to place the order.

6. You will receive a confirmation of your transaction via email, which includes the order number.
7. Your credit card will not be charged until the transcript(s) are sent. The charge for your transcript will appear on your credit card statement as "Online Transcript Service."
