Course Withdrawal Process for Students

Withdrawing from your class or classes after add and drop period is not advisable because of the implications of this action. For example you may not be eligible to receive financial aid this term or future terms; you may not be eligible to retain your scholarship or continue at FAMU as an athlete. Before deciding to withdraw from a class, please meet with your Academic Advisor to review your student record and assess your options.

You need to know:

- There is a limit of 5 courses from which a student can withdraw in his/her entire undergraduate career. This does not include term withdrawals due to extenuating circumstances.
- Students may initiate and complete course withdrawal in iRattler after an academic advisor places a positive service indicator on the student’s record.
- Withdrawal link in iRattler will be available after the last day to add/drop and becomes unavailable after the last day to withdraw. These dates are usually published on the academic calendar for each semester on the Registrar’s website www.famu.edu/registrar.
- Students who withdraw after add/drop period but before the withdrawal deadline will receive a W grade. The W grade is not factored in GPA calculation.
- Students who stop attending and fail to officially withdraw will receive WF grade. WF grade has the same effect as F grade.
- Please contact your Academic Advisor for additional information.

Note: Students receiving financial aid (Scholarships, Pell, and Loans etc.) should check with the financial aid counselor/officer before withdrawing below full time status.

1. To withdraw from your class navigate to your student center Self-Service > Student Center
