FIRST RESTATEMENT OF THE BYLAWS OF THE FLORIDA AGRICULTURAL AND MECHANICAL UNIVERSITY FOUNDATION, INC.

ARTICLE I
BOARD OF DIRECTORS

Section 1. Purpose, Responsibilities, and Standard of Care

The primary responsibilities of the Florida Agricultural and Mechanical University Foundation, Inc. (Foundation or Organization) Board of Directors are as follows: to receive, hold, invest, and administer donation (e.g., cash, stocks, property, etc.) and to make expenditures to and for the benefit of the Florida Agricultural and Mechanical University (University or FAMU); to operate in the best interest of the University consistent with the University’s goals and mission; to advocate for the mission and purposes of the organization; to prudently manage and control Foundation assets and gifts in accordance with applicable law and the donor’s intent; to participate in the selection of an executive director as provided by the University President; to support and provide the University President with input on the performance of the executive director; to ensure effective Foundation planning; to monitor and strengthen Foundation programs and services; to ensure the availability of adequate financial resources for the Foundation; to protect Foundation assets and provide financial oversight; to build and sustain a competent Foundation Board; to ensure legal and ethical integrity; and to enhance the Foundation’s public standing.

As to the standard of care to be exercised by Board members, each member shall stand in a fiduciary relation to the Foundation and shall perform his/her duties as a Director, including his/her duties as a member of any committee of the Board upon which he/she may serve, in good faith, in a manner he/she reasonably believes to be in the best interests of the University and the Foundation, in conformance with the requirements of Section 112.3251, Florida Statutes (citizen support and direct-support organizations; standards of conduct), and Section 286.011, Florida Statutes (the “Florida Government in the Sunshine Law”) and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances. In performing his/her duties, a member shall be entitled to rely in good faith on information, opinions, reports, or
statements, including financial statements and other financial data, in each case prepared or presented by any of the following: 1) one or more officers or employees of the Foundation whom the member reasonably believes to be reliable and competent in the matters presented; 2) legal counsel, public accountants, or other persons as to matters which the member reasonably believes to be within the professional or expert competence of such person; and 3) a committee of the Board upon which he/she does not serve, duly designed in accordance with the Bylaws, as to matters within its designated authority, which committee the member reasonably believes to merit confidence. A member shall not be considered to be acting in good faith if he/she has knowledge concerning the matter in question that would cause his/her reliance to be unwarranted.

Section 2. Conflicts and Duality of Interest

No contract or other transaction between the Foundation and one or more of the directors of any other corporation, firm, association or entity in which one or more of its directors are directors or officers or are financially interested is either void or voidable because of such relationship or interest, because such director or directors are present at the meeting of the Board of Directors or a committee thereof that authorized, approved or ratified such contract or transaction, or because his or their votes are counted for such purpose, if the contract or transaction is approved in compliance with the provisions of Sections 617.0832 and applicable provisions of the Code of Ethics for Public Officers and Employees, Part III of Chapter 112, Florida Statutes, as now or hereafter amended.

Section 3. Conflict of Interest Policy

Generally, conflicts arise when a Board member or Foundation Officer has an existing or potential financial or other interest which impairs, or might appear to impair, his/her independence or objectivity in serving the Foundation or the member or officer might derive, or appear to derive, a financial or other material benefit from confidential information learned in the course of his/her board service.

Disclosure is required, and abstention or recusal may be necessary, whenever a member or Officer or a related party (as described below) engages in the following activity:

1. has a material interest in any transaction or any proposed transaction to which the University or Foundation was or is to be a party, or serves as a director, officer, trustee, partner, employer, or employee of any person or entity having a material
interest in an actual or proposed transaction with the University or the Foundation, or

2. serves as a director, officer, trustee, partner, employer, or employee of any person or entity that competes directly with the University or the Foundation, holds more than 5% of the stock or equity of any such organization, or has received substantial compensation, gifts, or services from any such organization or person.

For purposes of Paragraphs 1 and 2 above, a related party shall be defined as: one’s spouse, domestic partner, ancestors, children, grandchildren, great-grandchildren, siblings (whether by whole or half-blood), or the spouses of children, grandchildren, great-grandchildren, or siblings.

Section 4. Whistleblower Policy

The Foundation strives to maintain the highest level of stewardship. Directors and employees are expected to observe the applicable provisions of the Code of Ethics for Public Officers and Employees, Part III of Chapter 112, Florida Statutes, and are herein advised that fraudulent and other wrongful acts will not be tolerated. In accordance with this goal the Foundation subscribes to all applicable University and State of Florida policies regarding the protection of whistleblowers. If any employee reasonably believes that some policy, practice, or activity of the Foundation is in violation of law, a written complaint must be filed by that employee immediately with the Executive Director, unless the violation involves the Executive Director, the University’s Division of Audit, or the Compliance Office. It is the intent of Foundation to adhere to all laws and regulations that apply to the Organization and the underlying purpose of this policy is to support the Organization’s goal of legal compliance. The support of all Board members and employees is necessary to achieving compliance with various laws and regulations. An employee or Board member acting in good faith and with a reasonable belief is protected from retaliation in accordance with applicable law. The protection described below is available to employees or members who comply with this requirement.

The Foundation will not retaliate against an employee or member who in good faith has made a protest or raised a complaint against some practice of the Foundation, Director, or of another individual or entity with whom the Foundation has a business relationship,
on the basis of a reasonable belief that the practice is in violation of law, or a clear mandate of public policy. The Foundation will not retaliate against persons who disclose or threaten to disclose to a supervisor or a public body, any activity, policy, or practice of the Foundation or a member thereof that the person reasonably believes is in violation of a law, or a rule, or regulation mandated pursuant to law or is in violation of a clear mandate of public policy concerning the health, safety, welfare, of the Foundation or the University.

Each member should manifest a commitment to accountability and transparency and should exemplify the behavior he/she expects of other participants in the governance process. As a corporate, policy-making body, Board members must ensure Board policies and practices are current and that the Board speaks with one voice.

**ARTICLE II**

**MEMBERSHIP**

**Section 1. Composition, Terms and Manner of Election**

The number, qualifications, terms of office, and manner of selection/election of the Board of Directors of the Foundation shall be as follows:

The Secretary shall attend to the giving and serving of all notices required by the Bylaws of this Foundation. The Secretary shall countersign, in the name of the Foundation, all contracts authorized by the Board of Directors, and when so ordered by the Board of Directors, the Secretary shall affix the corporate seal of the Foundation thereto. **Section 3. Designated Ex-Officio Membership**

(a) The President of the University, Chief Financial Officer of the University, President of the National Alumni Association, Director of Alumni Affairs, and the Chair of the Board of Trustees or their designees shall be members of the Board of Directors by virtue of their positions. In any event, designees serve at the pleasure of the designor. Any vacancies in the aforementioned
positions will be filled for the unexpired portion in the manner provided for the appointment.

(b) The Directors shall also include among board membership persons who hold the following positions: a Faculty representative from the Faculty Senate recommended by the University President after consultation with the Faculty Senate Chairperson and a current Student Government Association (SGA) representative or student representative who is not serving on the Board of Trustees, recommended by the University President after consultation with the SGA President. Members serving in an ex officio capacity as designated under Subsections (a) and (b) above shall be considered members of the Foundation Board for all purposes and shall be entitled to the same rights and emoluments of membership as any other director, including the right to vote.

Board members as designated under Subsections (b) above will serve a term of one-year commencing immediately following appointment and continuing through the meeting closest to the end of one year. These directors must sign and adhere to the Minimum Participation Standards for Ex-Officio Membership and must adhere to the Code of Ethics and Standards of Conduct set forth by the Board. These directors may be re-elected for an additional term after showing a desire for continued membership in writing. These members must adhere to all provisions of the Bylaws, except as specifically provided elsewhere in the Bylaws.

Section 4. Executive Director

The Executive Director shall be responsible for the general day-to-day management of the affairs of the Foundation and shall exercise such authority to accept gifts, collect revenues, and make routine expenditures as may be delegated by the Board of Directors or the Executive Committee. The selection, discipline and firing of FAMU employees shall be by the Executive Director with the consent of the Vice President of University Advancement (provided these individuals are not one and the same person). Additionally, the Executive Director shall be responsible for the oversight, reporting and coordination of all activities pertaining to the portfolio investment strategy and administration. (h) Approve Foundation contributions of funds or supplements to support Intercollegiate Athletics.

The President of the University shall be an ex-officio voting member of all standing committees, except the audit committee of the Board of Directors.
Section 6. **Emeritus Board Members**

Any incumbent, deceased, or former Board member who has made an exceptional contribution to the progress and welfare of the University and has served with distinction and devotion as a Director for ten (10) years or more may be considered for designation by the Board as an Emeritus Board Member. Emeritus Directors are welcome to attend most meetings and special events of the Board of Directors. They may participate in discussions but shall not be entitled to vote with the full Board on board matters, nor hold or be appointed to serve as chair of any committee. In no event shall the Foundation be responsible for scheduling, reimbursing, or paying for any travel expenses or accommodation of an Emeritus Board Member associated with that member’s attendance at any meeting of the Board.

Section 7. **Honorary Board Members**

Honorary members may serve for a term of four (4) years. Membership may be renewable upon a majority vote of a quorum of the Board members at any annual meeting or other meeting called for such purpose.

Honorary membership will entitle the individual to be listed on Board stationery and documents, as well as Board programs; however, honorary membership does not entitle honorary members to voting privileges. They may participate in discussions but shall not be entitled to vote with the full Board on board matter, nor hold or be appointed to serve as chair of any committee. (b) refusal or failure to remain financially responsible; if a director fails or refuses to become financially responsible within ten (10) days, after being so advised by the Board Chair, that director shall be denied paid travel and lodging accommodations to future board meetings and any other benefits of board membership to which that director might otherwise be entitled.

No state or University funds shall be used for travel expenses by any director.
Section 12. Communications Between and Among Directors

All communications between and among Directors shall be governed by Section 286.011, Florida Statutes (“Florida Government in the Sunshine Law”). The status of an individual chapter will be determined by applicable sections of the Internal Revenue Code, as appropriate.

Section 1.2 Mission. The mission of FAMU NAA (the Association) and its memberships is to enhance and support the continued existence of Florida Agricultural and Mechanical University (Florida A&M University) by: raising and giving funds to Florida A&M University (the University) that will support its programs; recruiting students that will attend the University; recruiting alumni and others that will support the University and its goals, through membership in the Association; doing those things that perpetuate a positive image of the Association and the University; and influencing communities and governmental activities that will support the University's priorities.

SECTION 2
MEMBERS

Section 2.1 Active Membership. To be considered an Active Member of the Association, the individual must pay required annual assessment(s) at the applicable Chapter, Region, and National levels. An Active Member is often referred to as a ‘member in good standing.’

2.2 Membership Categories

Section 2.2.1. Alumni Membership. Persons who are graduates of the former Normal School, former Florida A&M College; and Florida A&M University, and persons who have completed at least one academic term and left in good standing, are eligible to become Alumni Members in the Association. These eligible persons shall pay all applicable membership dues at the Chapter, Region, and National levels in order to become an Alumni Member.

Section 2.2.2. Associate Membership. A person who has not attended the University, yet who is interested in supporting the causes of the Association, may become an Associate Member with the Association’s “approval by more than half of the members, who are present and voting, and eligible to vote, at the regular or properly called meeting of the appropriate body” (hereinafter referred to as “majority vote”). Any chapters may identify such a person and enroll them as an Associate Member in its Chapter. Associate Members may vote and hold elective office at the Region level and below at the discretion of Region and Chapter, respectively. Associate Members may vote at the National level. These eligible persons shall pay all applicable membership dues at the Chapter, Region, and National levels, in order to become an Associate Member. Associate Members shall not hold elective office at the National level.
Section 2.2.3. Recent University Graduate Membership. The first time a person graduates from the University, at the bachelor’s, master’s or doctoral level (one graduation only), the University graduates shall have their national, regional, and local membership dues waived for the first membership year as provided in the official Association’s “Transcendent Ceremony.” Recent graduates shall enjoy the same privileges as Alumni Members with National Level Membership. A recent graduate may not hold office at the National level or vote in National elections but may vote and participate at National meetings if registered with full registration or with single-day registration on the day of the meeting. Chapters and regions shall have the discretion to determine the Recent University Graduate membership privileges.

Section 2.2.3.1. Usage. The Recent University Graduate Membership can be activated within 365 days from graduation. The recent graduate can opt to use the membership in the current membership year or the next membership year.

Section 2.2.4. Student Life Membership. A student, pursuing an undergraduate degree at the University, after completing the first academic term, may become a Life Member upon full payment of a five hundred ($500.00) dollar one-time assessment.

Section 2.2.5. Subscribing Student Life Membership. An undergraduate student may also pay the $500 assessment in installments over their matriculation at the University until one (1) year after graduating from the University. Payment of the entire fee must be completed no later than one year after leaving the University. Subscribing Student Life members will agree, however, that once the installments are begun, if the installments are not paid in full on or before the deadline then all payments shall be forfeited to the Association.

Section 2.2.6. Honorary Membership. Persons identified as making distinguished contributions to Florida A&M University, the Association, the community, and/or the Nation may be enrolled as Honorary Members. Honorary Members will be selected by a majority vote at a National Meeting of the Association. Honorary Members are not Active Members; therefore, they shall not vote or hold office in the Association and they shall not be obligated to pay membership dues to the Association.

2.3 Membership Status

Section 2.3.1. Life Membership Status.

Upon meeting the financial and other qualifications as established by the Association, an Active Member shall acquire Life Membership Status upon the full payment of a seven hundred fifty ($750.00) dollar one-time assessment. All persons with Life Membership Status shall be exempt from paying National dues but are required to pay all applicable annual Chapter and Region dues to be considered as Active Members (members in good standing) of the Association. Life Members who have not paid dues at all applicable levels cannot hold office at the National level, or vote in National elections, but may vote and participate at National Meetings if registered with full registration or with single-day registration on the day of the meeting.

Section 2.3.2. Annual Membership Status. Active Members who have not acquired Life Membership Status shall be required to pay annual National dues and all applicable annual
Chapter and Region dues to be considered as Active Members of the Association. These Active Members, who have not begun subscribing to Life Membership, shall be called Annual Members.

Section 2.3.3. Subscribing Life Membership Status
A Subscribing Life Member may elect to pay the $750.00 assessment in installments over a period of either one (1) year (12 months) if paid electronically, three (3) years, or five (5) years. All installments due under the three (3) or five (5) year term must be paid by December 31st of the year the total assessment is due.

Subscribing Life Members will agree that once the installments are begun, and if the total assessment is not paid in full on or before the selected three (3) or five (5) year time limit has expired, then all installments shall be forfeited to the Association. There are no refunds granted to Subscribing Life Members.

Choosing either the above options does not waive the annual National dues requirement clause as stated in Section 2, Section 2.5 of the Members Bylaw. Until the total assessment of $750.00 is paid, the member is also required to pay the annual National dues.

Section 2.4 National Membership Level. Persons who only pay the annual National assessment of fifty ($50.00) dollars; and do not pay applicable annual dues at the Chapter and Region level are considered National Members. National Members cannot hold office at the National level, or vote in National elections, but may vote and participate at National Meetings if registered with full registration or with single-day registration on the day of the meeting.

Section 2.5 Membership Assessments. No Region or Chapter may consider a person an Active Member of the Association until the member has paid annual National dues of fifty dollars ($50.00) to the Association, unless the member is a Life Member, and has paid the applicable dues to the respective Region or Chapter. A Life Member shall be required to pay only the applicable Regional and Chapter dues to be considered an Active Member of the Association. Recent graduate members are exempt from membership assessments.

Section 2.5.1 Applicable Regional Dues. Dues are applicable at the Region level if a member’s residential address of record with the Association is located within a Region, defined by specified U.S. state(s), that assesses regional dues for individual members or if the member belongs to a chapter within a Region that assesses dues for individuals.

Section 2.5.2 Applicable Chapter Dues. Dues are applicable at the Chapter level if a member’s residential address of record with the Association is located within an approved chapter geographical boundary, that is defined by a local area, or if a member joins a chapter that assesses chapter dues. If a member lives outside of the areas of all chapter geographical boundaries that are defined by a local area, and hasn’t joined a chapter that assesses dues, then chapter dues are not applicable to that member. A member, whose address of record is outside of all approved chapter boundaries as outlined in this section, may choose to join a chapter, but is not obligated.
**Section 2.6 Membership Year.** The Association’s membership year, which defines the time frame for the payment of dues, shall be July 1- June 30. The fiscal year of the Association, the same for the University is July 1 – June 30.

**2.7 Payment of dues**

(a) If a member pays their dues at all applicable levels (Chapter, Regional and National) in the Office of Alumni Affairs (OAA), at a Chapter Meeting, on a National or Chapter website, or any other approved payment location, once the funds are received, on that date, electronically or in person by an official Chapter, Regional or National Officer or payment system that receives funds, that member shall become active and financial for accounting purposes on that same date unless those same funds do not clear in that payment transaction.

(b) A member’s active status will not be delayed by failure of an officer to transmit the dues payment to the proper financial account(s) (i.e., Chapter, Regional and/or National bank or funds account).

**SECTION 3 OFFICERS**

**Section 3.1 Elected Officers.** The National elected Officers of the Association shall be the President, First Vice President, Second Vice President, Third Vice President, Recording Secretary, Treasurer, Financial Secretary, and Corresponding Secretary. Section 3.7 Terms of Office. All national elected officers shall serve a term of office of 3 consecutive years beginning on July 1st, or immediately upon their election after July 1st. Elected officers shall hold office three (3) consecutive years or until their successors have been appointed and qualified. Except for the office of President, the Executive Board shall have the power to fill the un-expired term of any vacancy in any national elective office of the Association. Succession to the office of President is bounded by the Order of Succession delineated herein.

Section 3.8 Order of Succession. If, by reason of death, resignation, removal from office, inability, or failure to qualify, there is neither a President nor First Vice President to discharge the powers and duties of the office of President, then the officer of the FAMU NAA who is highest on the following list, and who is not under disability to discharge the powers and duties

Section 3.8.1.1.B. if the discharge of the powers and duties of the office is founded in whole or in part on the inability of the President or Vice President, then they shall act only until the removal of the disability of one of such individuals.

Section 3.8.2. The subsections in Section 3.8 shall apply only to such officers that individually meet the qualifications for the Office of the President as provided in the FAMU NAA Bylaws prior to succession; and only to officers not under impeachment or suspension by the Membership or Executive Board at the time the powers and duties of the office of President devolve upon them.

Section 3.8.3.4. Whenever the First Vice President and a majority of the Executive Board transmit to the Recording Secretary their written declaration that the President
is unable to discharge the powers and duties of his office, the First Vice President shall immediately assume the powers and duties of the office as Acting President.

Thereafter, when the President transmits to the Recording Secretary his or her written declaration that no inability exists, the President shall resume the powers and duties of office unless the First Vice President and a majority of the Executive Board transmit within four days to the Recording Secretary their written declaration that the President is unable to discharge the powers and duties of office. Thereupon the Membership shall decide the issue, assembling within forty-eight hours for that purpose if not assembled for an Annual Meeting. If the Membership, within fifteen days after receipt of the latter written declaration determines by two-thirds vote that the President is unable to discharge the powers and duties of his office, the First Vice President shall continue to discharge the same as Acting President; otherwise, the President shall resume the powers and duties of office.

SECTION 4
NOMINATIONS AND ELECTIONS

Section 4.1 Nominating Procedures. During the second year of the term of office, the President shall appoint a nominating committee from the active membership of the Association consisting of five (5) active members – one member from each Region. Each appointment must be confirmed by a majority vote of the Executive Board. Nominating Committee Members shall be prohibited from actively campaigning for any candidate and cannot be a candidate themselves. The committee shall present to the Association, at the National Annual Meeting, the names of qualified nominees for officers of the Association. Additional qualified active alumni members may be nominated from the floor at the Annual Meeting. In order to be included on the ballot, a member/nominee must meet all requirements of active and alumni membership, and meet all qualifications for office, as prescribed in the Constitution and Bylaws, no later than the opening of the meeting at which the nominations are presented and approved. The Nominating Committee shall, in consultation with the Financial Secretary and Office of Alumni Affairs, have the responsibility to certify the nominees as candidates for office. The ballot shall contain the names of nominees for elective office.

Section 4.2 Elections Committee. The President shall appoint an Elections Committee, from the active membership of the Association, consisting of one member from each Region. The Elections Committee appointments must be confirmed by a majority vote at a national membership meeting. Elections Committee members shall be prohibited from actively campaigning for any candidate and cannot be a candidate themselves. The Elections Committee shall have the responsibility to ensure that the voting and election procedures are carried out with integrity, according to the adopted constitution, bylaws, policies and procedures of the Association. The lists of certified candidates and eligible voters, as recommended by the Nominating and Elections Committees respectively, shall also require approval by an Executive Board majority vote. The Elections Committee shall develop an election timeline, report and budget to the Executive Board for approval.

Section 4.3 Election Procedure. An election ballot and brief biographies of each approved candidate shall be distributed from the Association to each eligible voter in the Association. This information will be delivered to each eligible voter, to the address of record, at least forty-
five (45) days before the next scheduled National Meeting. Returned ballots must be post-marked not later than ten (10) days prior to the commencement of the scheduled National Meeting. Prior to the scheduled meeting and in the event of administrative errors (i.e. ballot misprints, USPS mailing failures, Internet malfunctions, etc.), which would prohibit adherence to the established ballot mailing and returned dates, the Elections Committee, after consultation with - and approval by an Executive Board majority vote, may extend the established mailing/distribution and return dates. The extension cannot project target parameters thirty (30) days beyond the previously established mailing/distribution and return dates. There shall be only one extension for the same election.

During the National Election, when more than two (2) candidates are competing for the same position, the winner will be decided by a majority (more than half) of the eligible votes cast. Should no candidate receive the majority vote for a particular office, then a run-off election will be held between the fewest possible candidates receiving the highest number of votes. The run-off election will follow the same rules and procedures as the original election. In the case of a tie or voting irregularities, which would adversely affect the validity of the run-off election, a second run-off may be held at the direction of the Executive Board.

**Section 4.4 Voter Eligibility.** To be eligible to vote in a national election, the member must have paid Association dues at all applicable levels and must be an active member of record with the Association at least 60 days prior to the delivery of ballots for election.

**Section 4.4.1 Voter Eligibility.** To be eligible to vote, life members must have paid their life membership dues in full at least 60 days prior to delivery of the ballot.

**Section 4.5 Association Endorsements.** Officers and members are free to endorse any Association candidate of their choice with the exception of the Nominating Committee members and Elections Committee members. Officers and members may endorse the candidate of their choice privately. All such endorsements should clearly reflect that their endorsement does not necessarily reflect the views of the Association. Officers making endorsements shall refrain from using official Association communication lines (i.e. the website, newsletter or official organ of the Association) to endorse candidates and must engage in electioneering or campaign activity at their own expense. Chapters and Regions, however, may caucus at their business meetings to determine if their Chapter or Region will endorse an Association candidate.
