**Special Committee on Athletics Minutes  
December 4, 2019**

Committee Chair Kelvin Lawson called the Special Committee on Athletics meeting to order. Deputy Athletics Director Genyne Boston called the roll. The following committee members were present and a quorum was established: Chair Lawson, Trustee Dortch, and Trustee Cavazos. Chair Lawson appointed Trustee Perry to the Committee for this meeting only. Trustee Lawrence could not attend the meeting due to a prior commitment.

Chair Lawson opened with approval of the minutes from the September 18, 2019 meeting. Trustee Cavazos moved approval of the minutes. The motion was seconded by Trustee Perry and the motion carried.

The next item the Committee considered was approval of the employment contract for the new athletic director, Kortne Gosha. General Counsel Denise Wallace shared that she and Mr. Gosha reached consensus on a three-year contract, which contains benchmarks for fund raising goals. She reported that they went through several iterations and ultimately reached agreement on the terms, which took into consideration suggestions made by trustees. Trustee Perry moved that the Committee accept the contract. The motion was seconded by Trustee Cavazos and the motion carried.

President Larry Robinson formally introduced FAMU's new vice president and athletic director Kortne Gosha. Mr. Gosha addressed the committee and expressed his excitement about his new appointment.

Chair Lawson recognized Vice President Schweigert to provide an update on Athletics' finances. He stated that the University should close-out this year on-budget by curing the \$2.4M budget deficit. The University has taken the following steps to ensure that occurs:
