Proposed Board Action:

The amendment to this Regulation decreases the 2022-23 repeat course fee rate from $192.47 to $189.74 as mandated by the Florida Board of Governors. This is a decrease from 2021-22 by ($2.73) due to the estimated expenditures not increasing significantly from prior year and the estimated student credit hours have increased.

Recommendation:
Approval of the amendment to Regulation 3.017-Schedule of Tuition and Fees
ACTION ITEM:

ACTION ITEM:

Barnes and Noble Agreement

Mrs. Rebecca Brown
Barnes and Noble Agreement

Proposed Board Action:

This agenda item relates to approving a new contract for Barnes and Noble to provide bookstore services on the main campus and at the College of Law. Approval of this contract will allow the university to continue operations, increase technology, increase savings to the students and renovate existing facilities.

The proposed agreement will be a piggyback on the University of Central Florida’s (UCF) contractual agreement for Invitation to Negotiate (ITN) #1606NCSA. The initial term is July 1, 2022 through June 30, 2027. The estimated value of the contract is $3,777,000.

Recommendation:

Authorization for the President to execute the agreement with Barnes and Noble. This contract will be executed after the Board approval and review and comments by Office of General Counsel.
ACTION ITEM:

Contract Amendment - CDW

Mrs. Rebecca Brown
Rationale / Summary:

This agenda item relates to the amendment of the university’s current agreement to purchase computer software, computers and computer equipment. Approval of this amendment will allow the university to make additional purchases of ITS related items to facilitate upgrades, to ensure the use of faster devices for more efficiencies and capitalize on additional discounts and savings.

This vendor currently has a contract with E & I (CNR01439). This agreement is utilized by Florida A & M University as well as by other institutions in the SUS and state agencies. Each agency or institution may sign an individual agreement in order to receive additional saving and to meet the Board of Governors requirement for using piggyback agreements.

Recommendation:

Authorize the University to amend the agreement with additional spend ($6 million) and extension of the term (through June 2024) and authorization for the President to sign the amended contract.
ACTION ITEM:

2022-2023 Preliminary University Budget

Mrs. Rebecca Brown
2022-2023 Preliminary University Budget

Proposed Board Action:

Pursuant to Board of Governor’s Regulation 9.007 State University Operating Budgets, the FY2022-2023 preliminary operating budget must be approved by the University Board of Trustees (BOT) prior to submission to the Board of Governors. The preliminary budget is due to the Board of Governors on June 22, 2022.

Recommendation:

Approval of the 2022-2023 Preliminary University Budget.
ACTION ITEM:

2022-2023 Fixed Capital Outlay Budget: Capital Improvement Plan

Mrs. Rebecca Brown
Rationale / Background:

Each year all SUS Universities are required to prepare and submit their five-year Capital Improvement Plan (CIP) requests. These requests for academic facilities should be consistent with the findings of the University’s Educational Plant Survey and the Master Plan.

Our CIP projects requests for FY2023-24 are listed in order of priority. The CIP due date to the Board of Governors is July 1, 2022.

Recommendation:

Approval of the Five-Year Capital Improvement Plan 2023-2028 and authorizes the President to forward the Board approved plan to the BOG.

FLORIDA A&M UNIVERSITY

Founded in 1887 as the State Normal College for Colored Students, Florida A&M University (FAMU) is the only historically state supported educational facility for African Americans in Florida. It has always been co-educational. In 1890, the second Morrill Act was passed. This enabled the school to become the Black Land Grant College for the State of Florida. In 1891, the college was moved from its original location in Tallahassee to its present location which was once the site of Duval’s slave plantation. The site is one of the highest hills in Tallahassee. The school was known as Florida A&M College from 1909 until 1953 when it attained university status.
