

Student Access to Syllabi

How can I access my Syllabi?

You can access your syllabi either directly from within Canvas or from the Simple Syllabus platform.

- From within Canvas: Once you have clicked on a specific course, you will be able to click the Simple Syllabus tab.
- The Simple Syllabus site: <https://famu.simplesyllabus.com/>

Login using your institution credentials to view the **My Courses** and **Materials List**.

Accessing the Syllabus Library

What is the Syllabus Library?

The Syllabus Library houses all syllabi that have been published in your school's Simple site, and it includes a search tool which allows you to filter down syllabi by a specific term, organization, subject, course number, or instructor in addition to a general keyword search.

Where do I access the syllabus library?

The Syllabus Library is located on your school's Simple Syllabus site, and can be accessed by clicking the library icon.

If you need additional help
