JOB OUTLOOK

Recreation is a meaningful and in-demand field because professionals play a vital role in promoting health, wellness, and quality of life across diverse communities. The outlook remains strong, with growing opportunities in areas such as parks and recreation, community programming, sports management, and wellness services. Recreation majors are highly marketable due to their expertise in program development, leadership, and their transferable skills in communication, organization, and community engagement.

Career Opportunities

- Physical Education Teacher
- Water Safety Instructor
- Swim Coach
- Aquatics Facility Operator
- Fitness Coach
- Dance Coach
- Health Teacher
- Personal Trainer
