Important Notes

- Must earn a grade C or higher in courses unless otherwise indicated.
- Foreign Language Requirements: All undergraduate students are **required** to have **two** years of Foreign Language study **prior** to graduation with a bachelor's degree from Florida A&M University.
- Civic Literacy Requirement must be completed prior to graduation.
- All music majors must meet the minimum institutional admissions requirements and have at least three years preparation on their principal applied instrument and some preparation on piano. Competence in music performance and knowledge must be demonstrated during entrance examinations (auditions) given to determine placement in applied music and theory courses. Transfer credits are subject to validation by examination, upon approval of the department chairperson. Details concerning audition preparation may be obtained from the department office. Upon acceptance to the university and successful audition, music students may select one of the music majors offered.
- The second year of the program requires 31 credit hours because of the required core courses. This brings the total for the first two years to 61 credit hours. At this time, there are no alternative options to reduce the required credits.
