Post Tenure Review

10.003 Post-Tenure Faculty Review.

(1) Each board of trustees shall adopt policies requiring each tenured state university faculty member to undergo a comprehensive post-tenure review to accomplish the following.

- (a) Ensure high standards of quality and productivity among the tenured faculty in the State University System.
- (b) Determine whether a faculty member is meeting the responsibilities and expectations associated with assigned duties in research, teaching, and service, including compliance with state laws, Board of Governors' regulations, and university regulations and policies.
- (c) Recognize and honor exceptional achievement and provide an incentive for retention as appropriate.
- (d) Refocus academic and professional efforts and take appropriate employment action when appropriate.
