POST-TENURE FACULTY REVIEW
Candidate Notification and Dossier Requirements

 - i. An updated and comprehensive Curriculum Vitae (CV) highlighting teaching, research, service, scholarship, creative works, extension, clinical and administrative assignments.
 - ii. A narrative (minimum of 12 pt font) of no more than five (5) pages highlighting the contributions made during the five-year review period by the faculty member in each performance area appropriate to their assigned duties in teaching, research, service, scholarship, creative works, extension, clinical and administrative assignments. The narrative may include an explanation of any variation in annual performance during the review period.
 - 1. Include a statement in your narrative describing what was your primary job responsibility over the review period. Examples include instructional (e.g., teaching courses), research, clinical, extension, creative works, scholarship, service or administrative assignments. Please contact the Office of Provost, if you have any questions.

 - iii. Any supporting documents during the five-year review period including Assignment of Responsibilities (AORs) or equivalent, annual evaluations, and student teaching evaluations.
 - iv. Up-to five (5) pages of optional material relevant to their review may be added. Material beyond the first five (5) pages will not be evaluated.
- a. Candidates are given at least five business days to request a Provost Exemption. All exemptions are reviewed, and candidates are notified if their request has been granted or not. Those granted an exemption are informed that their review will be postponed until next year. They may request a subsequent exemption which will be reviewed on a case-by-case basis.

Candidate Dossier Submission Procedure

- a. The web-based system Interfolio, Review, Promotion, and Tenure (RPT) is used to facilitate the administrative management of the post-tenure review process.
- b. A QuickStart guide is provided to faculty to assist them in the submission of their application. Workshops for faculty are held to discuss the submission and review process in detail.
- c. Candidates must upload their dossier into the Interfolio system by the deadline specified in the Post-Tenure Review Calendar of Events. Candidates who fail to submit a dossier are in **non-compliance** with the regulation and will be rated as “Unsatisfactory.”
- d. A preliminary examination of the dossier is conducted by the Office of the Provost to check that all required review materials have been submitted. Faculty are given one week to submit any missing required documents.
- e. The Office of the Provost will add the following supplemental materials, if any, held within a university level office:
 - i. Substantiated student complaints,
 - ii. History of professional conduct and performance of academic responsibilities to the university and its students,
 - iii. Record of non-compliance with state-law, Board of Governor’s regulations, and university regulations and policies,
 - iv. Record of unapproved absences from teaching assigned courses, and
 - v. Other relevant measures of faculty conduct as appropriate.
- f. The review materials are forwarded to the candidate’s Level 1 Reviewer. In most cases, the Level 1 Review is the faculty member’s department chair, division director, or associate dean for schools and colleges without departments or divisions.
