### PROGRAM OVERVIEW

Founded in September 1951, the Florida A&M University College of Pharmacy and Pharmaceutical Sciences, Institute of Public Health (CoPPS, IPH) has a rich history of producing high-caliber graduates. In keeping with the University's mission, the College is dedicated to academic excellence, research superiority, and community service to prepare its learners for leading pharmacy, research, and public health roles. The College is accredited through the Accreditation Council for Pharmacy Education (ACPE), the national agency for the accreditation of professional degree programs in pharmacy and providers of continuing pharmacy education. The Institute of Public Health is accredited through the Council through Education on Public Health (CEPH).

- ▶ AIDS
- ▶ CANCER
- ▶ MANY OTHER DISEASES THAT IMPACT AFRICAN AMERICANS

### ABOUT THE PROGRAM

The Florida A&M University College of Pharmacy and Pharmaceutical Sciences, Institute of Public Health program offers its learners the PharmD, B.S., M.S., and Ph.D.

The Florida A&M University College of Pharmacy and Pharmaceutical Sciences, Institute of Public Health offers two campus options (Tallahassee and Crestview) and three practice centers across the state to complete the Doctor of Pharmacy degree program.

- ▶ DAVIE
- ▶ JACKSONVILLE
- ▶ TAMPA

The application deadline is February 1st of each year for the PharmD Program

## HOW TO APPLY

- ▶ Applications are submitted via **PharmCAS**—(The Pharmacy College Application Service)
- ▶ Send official transcripts directly to PharmCas.
- ▶ Three letters of recommendation (1) a pharmacist and (2) a science professor (3) a professional that can vouch for your character.
- ▶ The Admissions Committee takes a holistic approach to admissions to assess a candidate for our PharmD Program.

*\*Only complete applications will be reviewed\**

## FLORIDA A&M UNIVERSITY PHARM D CURRICULUM

### SEMESTER 01 - FALL

PHA 3567	Disease States I: Pathophysiology I- Altered Health States and Organ Systems	4
PHA 3102	Drug Delivery I: Physical Pharmacy	3
PHA 3102L	Drug Delivery I Skills Lab: Calculations	1
PHA 3015	Integrated Science I: Clinical Biochemistry and Nutrition	4
PHA 3003	Pharmaceutical Science I: Foundations of Medicinal Chemistry and Pharmacology	3
