

## Campus Wide Services RFQ0004-2025

Florida A&M University is seeking proposals from qualified janitorial service vendors with the ability, experience, and resources to effectively and efficiently provide janitorial services. The University is also seeking vendors to provide all materials, supplies, equipment, supervision and labor necessary for painting exterior and interior buildings and pressure washing, power washing, and soft washing sidewalks, roofs, and exterior buildings. The intent is to establish a pool of vendors for services around campus on an as needed, per job basis.
