12-month Enrollment Overview

The 12-Month Enrollment component collects unduplicated student enrollment counts and instructional activity data for an entire 12-month period. Using the instructional activity data reported, a full-time equivalent (FTE) student enrollment at the undergraduate and graduate level is estimated. Institutions with Doctor's-professional practice students will also report the FTE enrollment of those students. NCES uses the FTE enrollment to produce indicators such as expenses by function per FTE as reported in the IPEDS Data Feedback Report.

Data Reporting Reminders:

- All institutions must now use the July 1 - June 30 reporting period. There is no longer the option of using the September 1 - August 31 reporting period.

- Graduate credit hour activity should not include any doctor's-professional practice activity, the total of those students' FTE is entered separately instead.

FTE Reporting Reminder:

- Institutions need not report their own calculations of undergraduate or graduate FTE unless IPEDS FTE calculations would be misleading for comparison purposes among all IPEDS reporting institutions.

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2015.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
