As provided by the U.S. Department of Education (Department), Section 18004(e) of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Pub. L. No. 116-136, 134 Stat. 281 (March 27, 2020), directs universities in receipt of federal funding under Section 18004 of the CARES Act to submit a report to the Secretary of Education describing the use of funds distributed from the Higher Education Emergency Relief Fund ("HEERF"). Reporting for the seven enumerated criteria provided on May 6, 2020 by the Office of Postsecondary Education is as follows:

- The total amount of Emergency Financial Aid Grants distributed to students under Section 18004(a)(1) of the CARES Act as of **September 30, 2021**, is **\$28,456,228**.
- It is estimated that 8,998 students at Florida A&M University are eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act.
- To date, over 8,998 students have received an Emergency Financial Aid Grant as provided under Section 18004(a)(1) of the CARES Act.
- The University implemented a tier awarding methodology to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act. The basis of this determination is in accordance with the U.S. Department of Education recommendation of providing emergency grants to students with the greatest financial need. The Pell eligible students who may be most vulnerable to the COVID-19 pandemic were the first priority. The University will then focus on our non-Pell eligible, Graduate and Professional students with an Expected Family Contribution (EFC) up to \$15,000.
- Guidance was provided to students via the university COVID-19 Coronavirus Alerts webpage, the Office of Financial Aid webpage and the University Virtual Student Town Hall meeting. In addition, an email was sent via FAMU Info with a link to the CARES Emergency Grant Spending Plan.

As provided by the Office of Postsecondary Education on May 6, 2020, Institutions that accurately report the information listed above will meet the initial reporting requirements.
