

“At FAMU, Great Things Are Happening Every Day.”

established 1887

*FAMU is fully committed to diversity and inclusion*

FAMU has always embraced diversity and inclusion as it relates to understanding and valuing differences, as well as leveraging the differences and similarities of all of our University constituents and key stakeholders for the greater good of our university.

We will be celebrating 133 years of Excellence with Caring in October of this year. What I do know to be true is that it took everyone working together to get us where we are today, and it will take everyone working together to get us to where we need to be.
