Dear Dr. Robinson:

Thank you for the Report submitted on July 25, 2012, in response to Dr. Michael Johnson's letter to Dr. James Ammons dated June 25, 2012. After reviewing the materials submitted by you, Commission staff has determined that the information is of factual substance and is accreditation-related. The materials provided by the institution present sufficient concerns that we will undertake a formal review of your response by the SACSCOC Board of Trustees at its next meeting rather than a further review by the Commission staff. Therefore, please provide additional sets of the same materials previously submitted to Dr. Johnson so that this material may be forwarded to the Committee on Compliance and Reports for review at the December 2012 meeting of the SACSCOC Board of Trustees in accordance with our policies for dealing with unsolicited information. The review will examine compliance with standards relating to the hazing situation and its aftermath, as well as issues of internal control arising from problems in the internal auditor's office. Standards to be reviewed include:

CS 3.4.5 The institution publishes academic policies that adhere to principles of good educational practice. These policies are disseminated to students, faculty, and other interested parties through publications that accurately represent the programs and services of the institution. (Academic policies)

CS 3.9.1 The institution publishes a clear and appropriate statement of student rights and responsibilities and disseminates the statement to the campus community. (Student rights)

CS 3.10.3 The institution exercises appropriate control over all its financial resources. (Control of finances)

CS 3.11.2 The institution takes reasonable steps to provide a healthy, safe, and secure environment for all members of the campus community. (Institutional environment)

You may provide updates to the materials already sent. I specifically request that you provide in your response the Interim Draft Report on Institutional and Internal Control mentioned in Chancellor Brogan's letter to Dr. Johnson dated August 10, 2012 (copied to you). Please provide **five** sets of the materials previously sent, the Interim Draft Report, and any additional materials you believe would help the Committee on Compliance and Reports determine compliance with the above standards. These materials should be sent directly to Dr. Michael Johnson and should arrive at our offices no later than **October 1, 2012**.

Should you have any questions about this request, please contact Dr. Johnson.

Sincerely,

A handwritten signature in cursive script that reads "Belle S. Wheelan".
