Presents Foreign Travel Request Processes

The bullet points are tips that can assist you in creating a smoother Request for Foreign Travel Process.

- Plan your travel accommodations; flight, hotel, train, ground transportation.
- Create a new trip in International SOS
 - <https://myportal.internationalsos.com/>
 - Add all of the information that applies to you; flight, hotel, ground transportation and train information.
 - **Note:** If you are a first time user you will have to create a profile and new password. This system is not linked to your famu.edu account. Once you' ve created an account you must confirm your email address before entering your accommodation information.
- Complete the *Request for Foreign Travel* (RFT) and receive signature from the Dean of your department.

- Once the request for foreign travel has been returned, you can submit the TA for approval. Be sure to send the request for foreign travel to traveldocs@famu.edu before you submit the TA.

Welcome to the Florida Agricultural and Mechanical University Global Assistance Program

Rest assured that whenever you travel internationally or live abroad, Florida Agricultural and Mechanical University has a 24/7 resource on call, online and even on the ground to help with any medical, security and logistical questions, concerns and situations that may arise. So if you need a medical referral, lose your medication, seek pre-travel advice or experience a medical or security crisis, Florida Agricultural and Mechanical University has a fully integrated program in place so you receive the care and expertise that you need, wherever and whenever you need it.

Florida Agricultural and Mechanical University partners with International SOS, the leading medical assistance, international healthcare and security assistance company. Travel security services are provided by a joint venture of International SOS and Control Risks, the world's leading security risk management firm.

Take advantage of this powerful resource by calling an International SOS assistance center, which has physicians, multilingual coordinators, operations managers, logistics support personnel and medical and security professionals on hand to speak with you.

Also, prepare yourself by browsing through our various medical and security online tools and signing up for our alerts.
