14. If you are interested in residing within a Living Learning Community (first year students) or Resident Development Community (second year and transfer students), you will complete the steps below. Begin by clicking on your major in the highlighted links. This will take you to that specific major's application process. Complete the LLC/RDC application process, then click on your major in the dropdown menu and click "OK".

Welcome to our **Learning Community** selection preference.

Living Learning Communities for incoming first year students. FAMU's LLCs are optional and provide a holistic and diverse style to student growth and education. Our residents live in housing facilities which support these ideals through academic partnerships, service-learning opportunities and in-hall education. Each community facilitates a uniquely-designed platform which connects students, faculty, and staff through the classroom, programming and personal interaction.

Please select the LLC that is the same as your College or School. However, the Honors LLC selects students from all majors and is an option for students who have been awarded a University Scholarship or accepted into the University Honors Program. All LLC students will reside in FAMU Towers or Polkinghorne Village housing facility.

You are able to select one LLC by clicking on a link below. LLC spaces are only for the Colleges/Schools listed below. Also additional documents may be needed based on the LLCs requirements.

You can find additional information on LLCs on the [LLC Housing website](#)

Residence Development Communities for Second Year and Transfer Students

For raising second year and newly admitted transfer students, you can apply for Rattlers RISE. Second-Year and Transfer Student Experience Program is a residence life initiative designed to create a community of university-wide campus partners focused on the ACADEMIC success and CAREER development for sophomore and transfer students who reside in living space on-campus. Current FAMU Housing freshman residents rising to sophomore levels, meaning 30 hours or more and newly admitted transfer students can apply. This program's designated living area is Polkinghorne Village.

NOTE: Learning Community Requests supercede roommate requests or facility preferences.
