2021-2022 IRA/Pension Rollover Statement

Clarification of IRA, pension, or annuity information is needed to complete the Verification of your financial aid application. The untaxed portion of an IRA, pension, annuity must be included as untaxed income on your FAFSA unless it was a rollover. For your reference, a rollover is described as the following: Untaxed portions of IRA distributions and portions are reported as lines 4a minus 4b on the 1040.

☐ The IRS Pension, or Annuity WAS a rollover. Attach documentation (EX. A signed and dated written statement from the tax filer indicating the IRS-authorized rollover amount or a signed and dated copy of the 2019 Tax Return Transcript or alternative tax transcripts with the word “rollover” handwritten next to the applicable line items.)

☐ The IRA, pension, or annuity WAS NOT a rollover.

☐ The IRA, pension, or annuity was a rollover to a Roth IRA.

☐ The IRA, pension, or annuity do not apply.

Note: If you/your parents rolled over a traditional IRA into a Roth IRA by transferring funds, the amount rolled over is reported as taxable income on the tax return. You can complete a Financial Aid Special Circumstance form to reduce the income and taxes paid due to the rollover. Please contact our office for additional information.
