STUDENT UNION & ACTIVITIES

## Important Update: Required Prevent Zone Training

Beginning April 1, 2026, all members of registered student organizations must complete Prevent Zone courses to remain active and in good standing at FAMU.

Deadline: April 30, 2026, at 11:59 PM

All Organizations:

- Hazing Prevention 101
- Sexual Violence Prevention
- Alcohol & Other Drugs

FSL Organizations:

- Must complete all courses above + FSL Module

Access courses via iRattler →“FAMU RATTLEERS: Anti-Hazing.”

These trainings will become an annual requirement each Fall semester.

### E-Board Elections Reminder

Student organizations are encouraged to begin planning and conducting executive board elections for the upcoming academic year. Starting early allows time to properly communicate positions, outline expectations, and engage members in the selection process. Timely elections help ensure a smooth leadership transition, preserve institutional knowledge, and allow incoming leaders to prepare for their roles before the new term begins. Thoughtful planning now supports long-term stability and continued organizational success.

## FAMU Active Volunteer Efforts (FAVES) Get Involved

National Volunteer Week

Join us as we celebrate service and impact across the community and campus! April 19–25

Street Level Service Project April 19th

In honor of National Volunteer Week, we invite students and organizations to step outside and make an impact in their communities. If your club or organization has an adopted street, this is your day to show up and clean up. Gather your members, grab some gloves, and serve where you stand. Sign up to host a site on [istrike](#).

Volunteer Hours Submission

Make sure your service hours are submitted to iRattler by the deadline. Deadline: April 25 at 11:59 PM

Spring Commencement: Volunteer sign-up for spring commencement coming soon, follow [famu.faves](#) for more information
